Welcome to the Big Leagues Dan Hettinger, 2012-11-01 Your life matters, not because of what you have done or what you possess. Even when things go wrong or you make mistakes, your life still matters. It matters, because God says it does. There is a tendency for a man to measure his worth with the wrong measurement system, to compare his life with others or not like his place on the team. But when a man knows who he is in the eyes of God, he experiences his significance. Every event and relationship has unlimited potential. He has made it to the Big Leagues. *Welcome to the Big Leagues—Every Man's Journey to Significance, The Darrel Chaney Story*, shows a utility player's struggle--on one of the best baseball teams to ever take the field--with ambushes, setbacks, minimum wage one year contracts and changes beyond his control. But he makes his Top-10 list, encounters the Eternal and realizes he has his place on the team and in history. Through it all, he discovered his God given significance and found it was not only the best way to play in the Big Leagues; it was the way to live a Big League life. *Welcome to the Big Leagues* tells the baseball story, and at the same time it helps every man learn the same lessons. He needs to make his Top-10 list, encounter the Eternal and know his place on the team and in history. Every man can experience his God given significance. Many men are changed by the world, but the man who knows his significance, that his life matters, is a man who will change the world. He is in the Big Leagues.

Brothers, Rivals, Victors Jonathan W. Jordan, 2012-04-03 NATIONAL BESTSELLER • The intimate true story of three of the greatest American generals of World War II, and how their intense blend of comradeship and competition spurred Allied forces to victory. "One of the great stories of the American military."—Thomas E. Ricks • "Full of fresh insight and compelling drama."—John C. McManus • "This is an exceptional book... A must-have for any shelf of serious leadership texts."—Naval War College Review • "A rollicking good read."—Alex Kershaw Dwight Eisenhower, George Patton and Omar Bradley shared bonds going back decades. All three were West Pointers who pursued their army careers with a remarkable zeal, even as their paths diverged. Bradley was a standout infantry instructor, while Eisenhower displayed an unusual ability for organization and diplomacy. Patton, who had chased Pancho Villa in Mexico and led troops in the First World War, seemed destined for high command and outranked his two friends for years. But with the arrival of World War II, it was Eisenhower who attained the role of Supreme Commander, with Patton and Bradley as his subordinates. Jonathan W. Jordan's New York Times bestselling *Brothers Rivals Victors* explores this friendship that waxed and waned over three decades and two world wars, a union complicated by rank, ambition, jealousy, backbiting and the enormous stresses of command. In a story that unfolds across the deserts of North Africa to the beaches of Sicily, from D-Day to the Battle of the Bulge and beyond, readers are offered revealing new portraits of these iconic generals.

Mysticism in Newburyport Peter James Ford, 2022-10-05 "SHADOW RIDERS" is the third book in this seven-book series under the title "MYSTICISM IN NEWBURYPORT." It is the continuing unfolding story of just another soul's re-awakening in this lifetime to the truth of his divinity. After Peter's younger wild years growing up in Lynn, Massachusetts with heavy alcohol use and abusing all the drugs of the sixties, along with his love of riding motorcycles and physical training, he found himself crawling into the 12-step recovery program for alcoholics. Peter abused alcohol for seven years and he drank alcoholically right from his first drink. He used all the drugs of the sixties and combined both alcohol and drugs, which brought him to his knees at a very young age. He was to be involved in endless trouble with police, car and motorcycle crashes, high speed chases, arrests, and many broken bones. Peter's journey in the recovery program began with a spiritual awakening and he began his education about the spiritual principles and the ancient wisdom from the past. While Peter was living in the Newburyport area and reading ancient writings from meditation masters, Peter was to have a profound spiritual experience and his journey back to his true self really began. Through the grace of a mediation master, Peter's own inner spiritual energy (called kundalini) burst wide open and this energy flowed up his spine and chakras and caused incredible insights and experiences. It was later that Peter learned about 'Kundalini Yoga' and what had happened to him. Peter was to have profound experiences in long nights of meditation down by the Merrimac River and to have numerous past life experiences. To honor his spiritual awakening while in this historic seaport, he decided to use the name "MYSTICISM IN NEWBURYPORT" for the title. Peter's first book was introduced at the Miami International Book Fair as a modern-day version of the Herman Hesse classic novel "SIDDHARTHA." These tales are about all the great people from this time in Peter's life and all the gifts and blessings that have flowed and continue to flow to this silly, Irish seeker. Peter hopes that his writings will be of some use to others or at least bring a smile to the reader's face, about the unique life of just another seeker. This book is dedicated to Barbara Eleanor Parton. She is in the below pictures on our bikes...

George Best: pocket GIANTS Jim White, 2017-04-17 On Sunday 5 October 2014, the 75,000 strong crowd at Old Trafford for Manchester United's game against Everton joined in with an extended version of a chant which echoed around the stadium. 'We all live in a Georgie Best world,' it went. Eleven years after his death, forty years after he walked out of the club for the last time as a player, Best remains a Giant - extraordinary given that his star shone for such a brief time. He was at the top of the game for no more than half a dozen years. How did he do it?

That They Lived Rochelle Riley, Cristi Smith-Jones, 2021-02-02 Biographies on African Americans who will inspire today's youth. In February 2017, Rochelle Riley was reading Twitter posts and came across a series of black-and-white photos of four-year-old Lola dressed up as different African American women who had made history. Rochelle was immediately smitten. She was so proud to see this little girl so powerfully honor the struggle and achievement of women several decades her senior. Rochelle reached out to Lola's mom, Cristi Smith-Jones, and asked to pair her writing with Smith-Jones's incredible photographs for a book. The goal? To teach children on the cusp of puberty that they could be anything they aspired to be, that every famous person was once a child who, in some cases, overcame great obstacles to achieve. *That They Lived: African Americans Who Changed the World* features Riley's grandson, Caleb, and Lola photographed in timeless black and white, dressed as important individuals such as business owners, educators, civil rights leaders, and artists, alongside detailed biographies that begin with the figures as young children who had the same ambitions, fears, strengths, and obstacles facing them that readers today may still experience. Muhammad Ali's bike was stolen when he was twelve years old and the police officer he reported the crime to suggested he learn how to fight before he caught up with the thief. Bessie Coleman, the first African American female aviator, collected and washed her neighbors' dirty laundry so she could raise enough money for college. When Duke Ellington was seven years old, he preferred playing baseball to attending the piano lessons his mom had arranged. *That They Lived* fills in gaps in the history that American children have been taught for generations. For African American children, it will prove that they are more than descendants of the enslaved. For all children, it will show that every child can achieve great things and work together to make the world a better place for all. *That They Lived* was made possible through a grant provided by the Community Foundation for Southeast Michigan.
