If I Can't Have You Shamar Phillips, 2024-06-06 In the heart of New York City, billionaire architect Jaxon Jax Porter returns to the place that nearly ruined him—Brooklyn. Haunted by a dark past and the woman who once dragged him down, Jax swore he'd never look back. But fate has other plans. When he crosses paths with Naomi Knight, the fiery lawyer with a dangerous allure, and Kendra, the down-to-earth single mom who captured his heart, Jax finds himself entangled in a life he thought he'd left behind. As passions ignite and old wounds reopen, Jax must navigate a web of temptation, betrayal, and loyalty. But with Naomi desperate to rekindle what they lost and Kendra offering him a shot at true love, Jax's choices could cost him everything—his empire, his freedom, and his heart. If I Can't Have You is a gripping tale of love, lust, and the choices that define us.

If I Can't Have You, No One Can Don Lasseter, 2014-08-26 Lady Killer Richard Namey, 26, drug abuser and woman-beater, had already threatened a previous girlfriend with a gun, but she'd gotten away. Sarah Rodriguez, 21, wasn't so lucky. On April 16, 2002, in Orange County, California, she and her true love, Matt Corbett, 20, were forced off the road by Namey, who shot them both at point-blank range with a .357. Sarah was killed. Corbett was paralyzed for life. Real Hero After a 42-mile chase, Namey was finally cornered in a drainage tunnel by a police dog. He pleaded manslaughter, claiming he'd really meant to kill himself in front of Sarah. No deal. The man he faced was not your average deputy district attorney: Dennis Conway had pulled himself out of a wayward life torn by seemingly insurmountable tragedy and into law school. He knew all about guys like Namey--and exactly where to find the holes in his story. The verdict: first-degree murder, life sentence. Score

one for the good guys. Includes 16 pages of shocking photos.

Setting Your Heart on Fire Raphael Cushnir,2007-12-18 “To live in accord with love is to set your heart on fire. In the crucible of such an inferno all convention burns away. What’s left is an entirely new kind of existence, one full of passion, presence, and infinite possibility.” This book is a wake-up call from your own heart. It is a roadmap to love--not the romantic, familial or platonic kind, but a love that most of us have rarely tasted. This love exists prior to and apart from any specific type of expression. It is a dynamic, primal force that connects us with the surrounding universe, and provides the key to our deepest and most lasting fulfillment if we can learn to tap into its awesome power. Raphael Cushnir’s own experience has taught him that we often close ourselves to love—that life’s challenges, losses, and disappointments can shut us down emotionally and physically, leaving us stagnant in our work and relationships, and feeling empty and alone. *Setting Your Heart on Fire* presents his invigorating, step-by-step process for reopening and reawakening your heart and spirit, and for learning to use this ever-present love to blaze through any obstacle you may face. The Seven Invitations in this book will guide you through a courageous assessment of your choices, emotions, behaviors, and beliefs, revolutionizing your approach to stress and adversity, and revealing a brand new way of thinking and being. In accepting the Invitations, you will learn how to let go of harmful thoughts and heal deeply rooted emotional wounds. You will begin to open yourself to love’s creativity and wisdom, struggling less yet achieving more. You will discover how to infuse everyday experiences with a breathtaking sense of joy and wonder. And your relationships - with family, friends, co-workers and romantic partners - will become a vehicle for profound and thrilling change. Each Invitation provides practical, easy-to-grasp examples that allow you to put its teachings immediately into practice. Over time, you will learn to access love in even the most difficult situations, unlocking the door to a fearless, authentic life. When your heart is on fire, the whole world is transformed by its light.

Don't Make Me Wait Shana Burton,2015-06-01 Amari Christopher stopped searching for her one true love after her heart was broken five years ago. Her chronically single status is no problem, though, since her job as an entertainment reporter affords her the opportunity to meet plenty of truly great lovers in the music industry. When her ex-boyfriend is tragically

killed in an accident, Amari starts to rethink her party-girl lifestyle. Facing forty and determined not to be the old chick in the club, she trades in her little black book for a leather-bound Bible and starts attending church. That's where she meets Mandrel Ingram, a stable, God-fearing man who shows her that real love trumps meaningless romps. Mandrel Ingram retired his player card when he found the Lord. After two years of celibacy and praying for God to send him his mate, he thinks he may have found her when he meets fiery, beautiful, smart Amari. While he's attracted to her free-spirited nature and charm, he wonders if this wild-child can ever be turned into a suitable housewife. He might have cause to wonder, as Amari becomes bored with their G-rated dates and starts to miss the thrill of romance in her life. When Amari interviews up-and-coming singer Apollo Rison for an article, his no-strings, live-for-moment attitude intrigues her. Already sexually frustrated and desperate for a new adventure, Amari propositions him for a one night stand. What starts as a casual fling morphs into a complicated situation, as Amari's rendezvous with Apollo become more frequent and her feelings for him intensify. Before long, she is burdened with guilt and torn between Mandrel, who nurtures her spiritual side and makes her a better woman, and Apollo, who feeds her creative side and provides the passion she craves. Caught between the man she wants and the man she needs, will Amari turn to God for guidance?
