Colleen Hoover

It Ends with Us Colleen Hoover, 2016-08-02 NOW A MAJOR MOTION PICTURE STARRING BLAKE LIVELY AND JUSTIN BALDONI! From the #1 New York Times bestselling author of *It Starts with Us* and *All Your Perfects*, a “brave and heartbreaking novel that digs its claws into you and doesn’t let go, long after you’ve finished it” (Anna Todd, New York Times bestselling author) about a young woman in a new relationship who can’t stop thinking about her first love. Lily hasn’t always had it easy, but that’s never stopped her from working hard for the life she wants. She’s come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily’s life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He’s also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn’t hurt. Lily can’t get him out of her head. But Ryle’s complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his “no dating” rule, she can’t help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is “a glorious and touching read, a forever keeper. The kind of book that gets handed down” (USA TODAY).

It Starts with Us Colleen Hoover, 2020

Feminist Perspectives on Law and Literature Laura Schmitz-Justen, Laura A. Zander, Hanna Luise Kroll, Laura Wittmann, 2025-04-21 The interdisciplinary study of law and literature can help us better understand intersectionality, and vice versa: intersectional feminist perspectives are extremely valuable in the study of law and literature. Of course, neither feminist nor intersectional approaches are new in and of themselves: for decades, literary scholarship has studied the impact of particular constellations of gender, race, and class when it comes to representations of women in literary texts and has succeeded in shaking monolithic and stereotypical notions of womanhood. However, research at the intersection of law, literature and feminism has so far been limited and insular. Bringing together more than twenty international researchers from related disciplines, this volume is the first to bring questions of intersectional feminism to the forefront of law and literature scholarship. From reproductive and (trans-)gender justice in law and literature to feminist practices that intervene

in judicial discourse, this volume brings into focus a wide range of cultural and legal phenomena in which gender and the law intersect in literary texts. The volume's commitment to intersectionality fittingly extends to its very make up: the contributors were selected to represent a diverse range of positions in terms of their gender, career stage and nationality.
