Madame Lalaurie, Mistress of the Haunted House Carolyn Morrow Long,2012-03-04 Inside the Most Haunted House in New Orleans The legend of Madame Delphine Lalaurie, a wealthy society matron, has haunted the city of New Orleans for nearly two hundred years. When fire destroyed part of her home in 1834, the public was outraged to learn that behind closed doors Lalaurie routinely bound, starved, and tortured her slaves. Forced to flee the city, her guilt was unquestioned, and tales of her actions have become increasingly fanciful and grotesque over the decades. Even today, the Lalaurie house is described as the city 's most haunted during ghost tours. Carolyn Long, a meticulous researcher of New Orleans history, disentangles the threads of fact and legend that have intertwined over the decades. Was Madame Lalaurie a sadistic abuser? Mentally ill? Or merely the victim of an unfair and sensationalist press? Using carefully documented eyewitness testimony, archival documents, and family letters, Long recounts Lalaurie's life from legal troubles before the fire and scandal through her exile to France and death in Paris in 1849. Themes of mental illness, wealth, power, and questions of morality in a society that condoned the purchase and ownership of other human beings pervade the book, lending it an appeal to anyone interested in antebellum history. Long's ability to tease the truth from the knots of sensationalism is uncanny as she draws the facts from the legend of Madame Lalaurie's haunted house.

Telling an American Horror Story Cameron Williams Crawford,Leverett Butts,2021-03-12 Telling an American Horror Story collects essays from new and established critics looking at the many ways the horror anthology series intersects with and comments on contemporary American social, political and popular culture. Divided into three sections, the chapters apply a cultural criticism framework to examine how the first eight seasons of AHS engage with American history, our contemporary ideologies and social policies. Part I explores the historical context and the uniquely-American folklore that AHS evokes, from the Southern Gothic themes of Coven to connections between Apocalypseand anxieties of modern American youth. Part II contains interpretations of place and setting that mark the various seasons of the anthology. Finally, Part III examines how the series confronts notions of individual and social identity, like the portrayals of destructive leadership in Cult and lesbian representation in Asylum and Hotel.

Mad Madame LaLaurie Victoria Cosner Love,Lorelei Shannon,2011-02-18 The truth behind the legend of New Orleans'

infamous slave owner, madwoman, and murderess, portrayed in the anthology series, American Horror Story. On April 10, 1834, firefighters smashed through a padlocked attic door in the burning Royal Street mansion of Creole society couple Delphine and Louis Lalaurie. In the billowing smoke and flames they made an appalling discovery: the remains of Madame Lalaurie's chained, starved, and mutilated slaves. This house of horrors in the French Quarter spawned a legend that has endured for more than one-hundred-and-fifty years. But what actually happened in the Lalaurie home? Rumors about her atrocities spread as fast as the fire. But verifiable facts were scarce. Lalaurie wouldn't answer questions. She disappeared, leaving behind one of the French Quarter's ghastliest crime scenes, and what is considered to be one of America's most haunted houses. In *Mad Madame Lalaurie*, Victoria Cosner Love and Lorelei Shannon "shed light on what is fact and what is purely fiction in a tale that's still told nightly on the streets of New Orleans" (Deep South Magazine).

Voodoo Killers Joseph Carlson, The art of murder knows many forms, but few more harrowing than murder for reasons of ritual or the supernatural. Supposedly serving a higher cause, they are often little more than acts of self-gratifying blood-lust. *Voodoo Killers* chronicles the disturbing history of ritualistic killing around the world, with shocking examples of human sacrifice from past and present, voodoo hexes, sexual slavery and satanic murder. It is a history that incorporates vampires, serial killers and rapists as well as institutionalized killers such as the Aztec high priests and Spanish Inquisitors whomurdered in the name of religion. Murder does not come much worse than this - premeditated, organized, ritualized and, in the past, accepted as permissible. The *Voodoo Killers* stand alone in the annals of horror.
