Monster High: Pride 2025 Jacque Aye, Megan Brown, 2025-05-28 Pride Month is upon us once again! As monsters gear up to skelebrate their LGBTQIA+ fiends, I have two defrightfully adorable pieces of gossip about two of Monster High's favorite couples... First, we all know and love the fiercest and most fashionable ghoulfriends: Clawdeen Wolf and Toralei Stripe, A.K.A. Toradeen. But how did they go from hisses to kisses? It's simple math, really. Clawculus + a common enemy + forced proximity = the perfect love story. Nothing screams romance quite like math camp. Then, Spellдон Cauldronello and Kieran Valentine are feariously couple goals. But my Criers tell me that dating as an emotional vampire can make things a bit awkward. Valentine's powers are totally out of control, and he worries he might have accidentally hypnotized Spellдон to fall in love with him. That's the only logical explanation for why he feels all warm and fuzzy inside...right? —XOXO CryptCrier

Monster High Diaries: Frankie Stein and the New Ghoul at School Nessi Monstrata, 2015-11-03 There's a new ghoul in school named Isi Dawndancer and Frankie has volunteered to show her all around Monster High--after all, she knows what it's like to be the new ghoul! Isi is scary-sweet so Frankie is thrilled to help her out.... even though Frankie's new pet seems to prefer the new ghoul to her. But when it starts to seem like maybe Frankie's BFFs prefer the new ghoul too, Frankie starts to feel really lonely and confused. What's a ghoul to do? © 2015 Mattel. All Rights Reserved.

Internet Children's Television Series, 1997-2015 Vincent Terrace, 2016-08-22 Created around the world and available only on the web, internet television series are independently produced, mostly low budget shows that often feature talented but unknown performers. Typically financed through crowd-funding, they are filmed with borrowed equipment and volunteer casts and crews, and viewers find them through word of mouth or by chance. The fifth in a series focusing on the largely undocumented world of internet TV, this book covers 573 children's series created for viewers 3 to 14. The genre includes a broad range of cartoons, CGI, live-action comedies and puppetry. Alphabetical entries provide websites, dates, casts, credits, episode lists and storylines.

Girls' Series Fiction and American Popular Culture LuElla D'Amico, 2016-03-01 Girls' Series Fiction and American Popular Culture examines the ways in which young female heroines in American series fiction have undergone dramatic changes in the past 150 years, changes which have both reflected and modeled standards of behavior for America's tweens and teen girls. Though series books are often derided for lacking in imagination and literary potency, that the majority of

American girls have been exposed to girls' series in some form, whether through books, television, or other media, suggests that this genre needs to be studied further and that the development of the heroines that girls read about have created an impact that is worthy of a fresh critical lens. Thus, this collection explores how series books have influenced and shaped popular American culture and, in doing so, girls' everyday experiences from the mid nineteenth century until now. The collection interrogates the cultural work that is performed through the series genre, contemplating the messages these books relay about subjects including race, class, gender, education, family, romance, and friendship, and it examines the trajectory of girl fiction within such contexts as material culture, geopolitics, socioeconomics, and feminism.

THE Revenge of the Wannabes Lisi Harrison, 2008-08-01 Weeks before Christmas. Alicia and Olivia are on their way to Manhattan so the Teen People editors can do a story on them about winning the Octavian Country Day uniform design contest. When Massie finally processes that the girls who hijacked her victory are also modeling for Teen People, she is livid. It should have been her. 'Ehmagod, what will everyone think when they find out it wasn't me who was asked to model? I will be SO over.' Massie decides it's time to get revenge. This snake can not lay idle in the weeds for one more second. Kristen and Dylan throw out terrible 'revenge' suggestions and Massie vetoes them all. She will think of something! But first she has to go home and exfoliate. The social minefields of Westchester County's most privileged middle school girls drive the page-turning action of this addictive series, set in New York City's most elite suburban county. The Clique . . . the only thing harder than getting in is staying in.

Heroes, Heroines, and Everything in Between Christopher J. Olson, CarrieLynn D. Reinhard, 2017-09-20 Current characters in children's entertainment media illustrate a growing trend of representations that challenge or subvert traditional notions of gender and sexuality. From films to picture books to animated television series, children's entertainment media around the world has consistently depicted stereotypically traditional gender roles and heterosexual relationships as the normal way that people act and engage with one another. *Heroes, Heroines, and Everything in Between: Challenging Gender and Sexuality Stereotypes in Children's Entertainment Media* examines how this media ecology now includes a presence for nonheteronormative genders and sexualities. It considers representations of such identities in various media products (e.g., comic books, television shows, animated films, films, children's literature) meant for children (e.g., toddlers to teenagers). The contributors seek to identify and understand characterizations that go beyond these traditional understandings of gender and sexuality. By doing so, they explore these nontraditional representations and consider what they say about the current state of children's entertainment media, popular culture, and global acceptance of these gender identities and sexualities.

Monster High Diaries: Clawdeen Wolf and the Freaky-Fabulous Fashion Show Nessi Monstrata, 2016-05-03 The fourth chapter book in the popular Monster High Diaries series, featuring Clawdeen Wolf! Dear Diary, Everyone knows that I am a

no-nonsense werewolf--I never back down from a challenge, and I run right over any obstacle that get in my way! But lately I'm having a hard time dealing with my pack...there are SO MANY of them, and they are always in my hear. I have a creeperific fashion show coming up, and the fam is causing so much drama that I've barely had time to work on my designs. I feel like I'm being pulled in so many different directions. What's a ghoul to do? Clawdeen ©2016 Mattel. All Rights Reserved.

Children's and Young Adult Literature and Culture Amie A. Doughty, 2016-08-17 This collection of essays explores a wealth of topics in children's and young adult literature and culture. Contributions about picture-books include analyses of variants of the folktale "The Little Red Hen" and bullying. Race and gender are explored in essays about picture-books featuring children as consumable objects, about books focused on African American female athletes, and about young adult dystopian fiction. Gender itself is further explored in articles about Monster High, Joyce Carol Oates's *Beasts*, and *The Hunger Games* and *Divergent*. Essays about fantasy literature include an exploration of environmentalism in Rick Riordan's *The Heroes of Olympus*, a discussion of Severus Snape as a Judas figure, an explication of Chapter 5 of *The Hobbit*, and an analysis of ghosts and nationalism in Eva Ibbotson's *The Haunting of Granite Falls*. An essay about *Horrible Histories* explores television, genre, and the way history is coded. Other contributions explore how teaching literature to reluctant readers can be effective through multimodal texts and how Harry Potter has played a role in the popularity of young adult literature for adult readers.
