Michael Connelly Schatt, Stan,2015-03-12 Michael Connelly: A Reader's Guide: covers everything about Connelly including his novels, his short stories, the articles he published as a crime reporter, and even movie treatments of his novels. Over 40 million fans have purchased books by Michael Connelly. His fans storm his website to discuss his characters and plots. Their passion for his characters is obvious. It's the same kind of enthusiasm now found among fans of the Harry Potter and Hunger Games series. Yet, while both those series have companion books that serve as readers' guides, no such book exists on Connelly. What is unique about this book is that it shows how Connelly shaped his actual experiences as a crime reporter into his fiction. You will also find explanations of how Connelly fits into the mystery landscape.

The Harry Bosch Novels Michael Connelly,2001-10-22 For the first time in one volume, the three novels that introduced Michael Connelly's great LAPD homicide detective, maverick Hieronymous (Harry) Bosch. The Black Echo (Winner of the Edgar Award for Best First Novel) For Harry Bosch-hero, loner, nighthawk-the body stuffed in a drainpipe off Mulholland Drive isn't just another statistic. This one is personal. Billy Meadows was a fellow Vietnam tunnel rat, fighting the VC and the fear they used to call the Black Echo. Harry let Meadows down once. He won't do it again. The Black Ice The corpse in the hotel room seems to be that of a missing LAPD narcotics officer. Rumors abound that the cop had crossed over-selling a new drug called Black Ice. Now Harry's making some dangerous connections, leading from the cop to a string of bloody murders, and from Hollywood Boulevard's drug bazaar to Mexico's dusty back alleys. In this lethal game, Harry is likely to be the next victim. The Concrete Blonde When Harry Bosch shot and killed Norman Church, the police were convinced it marked the end of the hunt for the Dollmaker-L.A.'s most bizarre serial killer. But now Church's widow is accusing Harry of killing the wrong man-a charge that rings terrifyingly true when a new victim is discovered with the Dollmaker's macabre signature. For the second time, Harry must hunt the murderer down, before he strikes again. Together, these three novels are the perfect way to discover, or rediscover, the sleuth the New York Times Book Review called a wonderful, old-fashioned hero who isn't afraid to walk through the flames.

Subversive Elements Lee Bond, 2015-01-16 "It was the most goddamn fun I've had in thirty thousand years." Garth Nickels regrets a lot of things he's said in his life, but those twelve words rank highest on his list. He said them, though, and there's nothing he can do except change. Warned that his actions since coming to Hospitalis have been driven by the very thing he seeks, Garth resolves to undertake a new, less violent approach to his goals ... a worthy plan given his newest ... 'problem': He's become a celebrity. Surviving the Port Disaster, defeating an augmented soldier in hand-to-hand combat in The Game, donating billions of dollars to the relief effort and offering to essentially build a new spaceport for Hospitalis ... all this has transformed him into something of a systemic hero. How in the hell can he get into The Box if every camera, every reporter, every man, woman, child and avatar in Latelyspace is looking for an autograph or an interview? Still as desperate as ever to get into The Box, Garth begins laying down roots in his adopted city, preparing for the future, preparing to one day -hopefully soon- discover the truth behind his existence, the reasons he slept for thirty thousand years ... everything. First, though, he has to survive a date with Naoko Kamagana. The two lovebirds decide to take a day off so he can get a better view of just how very important The Museum, The Box and The Game are to Latelians. When The Museum becomes the scene of a terrorist action that pushes the Chairwoman and the OverCommander into revealing the true military might of the Latelian Regime, when Chadsik al-Taryin decides to 'protect' the man he's been hired to kill, when Trinity begins to unveil It's manipulations... It becomes exceptionally difficult for Garth to take the high road.

[A COMPENDIUM OF CLASSIC AND POSTMODERN NOVEL SUMMARIES](#) Vivian Siahaan, 2019-08-03 This book is comprised of a compendium of summaries from all novels that I have read for almost twelve years. Obviously, the summaries have been documented on my blog since 2016, and seemingly, in my opinion, it is better bundled in a book form since the statistic views show that the classic fictions are those among most read, so I rose to comply with that demand. The purpose

for which I devote myself to compose 85 summaries is to provide quick reading for novel readers and students. Numerous genres are presented because I am quite conscious those will bequeath you an imaginative horizon. As a work of art, many of them transcend their expiatory aspects. And still more important to us than scientific significance and literary worth is the inspirational impact those novels have on serious readers. Finally, happy reading and I hope you will find this book useful.

Alone In The Dark Bob Rockwell, 2012-01-18 Alone in the Dark was how I wrote all of these stories. I won't tell you that I was in my pajamas and drinking beer in the early hours of the morning, because you'd think even less of me. The hardest part of writing is that I become so engrossed in the story I'm trying to tell that I let my beer get warm and go flat. I can't even begin to count all of the beer I've wasted. I've got to develop a type - type - type - swig - type - type - type - swig writing technique. In the meantime here's what I've warmed my beer over during the past five years.

Echo Park Michael Connelly, 2006-10-09 Just as he's on the verge of cracking an unsolved case, Detective Harry Bosch discovers an old clue that could have saved lives -- and the guilt begins to haunt him. In 1995, Marie Gesto disappeared after walking out of a supermarket in Hollywood. Harry Bosch worked the case but couldn't crack it, and the 22-year-old woman

never turned up, dead or alive. Now Bosch is in the Open-Unsolved Unit, where he still keeps the Gesto file on his desk, when he gets a call from the DA. A man accused of two heinous killings is willing to come clean about several other murders, including the killing of Marie Gesto. Bosch must now take Raynard Waits's confession and get close to the man he has sought -- and hated -- for eleven years. But when Bosch learns that he and his partner missed a clue back in 1995 that could have led them to Gesto's killer -- and that would have stopped nine murders that followed -- he begins to crack. Michael Connelly's suspenseful new novel pits the detective People magazine calls one of the most complex crime fighters around against one of the most sadistic killers he has ever confronted. It confirms that Michael Connelly is the best writer of suspense fiction working today (Richmond Times-Dispatch).

The Crime World of Michael Connelly David Geherin, 2022-10-27 Since his first novel in 1992, Michael Connelly has become one of America's most popular and critically acclaimed crime writers. He is best known as the author of a long-running series featuring LAPD homicide detective Harry Bosch, a compelling figure in contemporary crime fiction. He also created several additional series featuring a criminal defense attorney (Mickey Haller, known as the Lincoln Lawyer), an FBI profiler (Terry McCaleb), a newspaper reporter (Jack McEvoy), and an LAPD policewoman (Renee Ballard) who works the night shift. When he began incorporating all his characters into the Bosch megaseries, he expanded the notion of what a crime series can accomplish. This work takes an in-depth look at all of Connelly's work, including the 34 novels that comprise the Bosch megaseries, the film adaptations of his books, the popular Bosch TV series, and his standalone novels, short stories and podcasts. It includes chapters on his novelistic artistry and his portraits of Los Angeles and its police department.

The Lincoln Lawyer Novels Michael Connelly, 2011-07-12 For the first time in one volume, the three novels that introduced the Lincoln Lawyer, Mickey Haller, who learns that There is no client as scary as an innocent man. The Lincoln Lawyer For Mickey Haller, the law is rarely about guilt or innocence, it's about negotiation and manipulation. When he gets hired by a Beverly Hills rich boy arrested for assault, Mickey sees a franchise case: a long, expensive trial with maximum billable hours-until it puts him face-to-face with pure evil and with a man who may truly be innocent. For a lawyer who has always gone for the easy score, getting justice means risking everything. The Brass Verdict When a former colleague is murdered, Mickey inherits his biggest case yet: defending a Hollywood producer accused of killing his wife and her lover. Haller scrambles to prepare for trial, and learns that the killer may be coming for him next. Enter LAPD Detective Harry Bosch, who will do whatever it takes to crack the case, including using Mickey as bait. As danger quickly mounts, these two loners realize that their only chance is to work together. The Reversal Mickey is recruited to prosecute the high-profile retrial

of Jason Jessup, a convicted child killer, exonerated after twenty-four years by new DNA evidence. Convinced Jessup is guilty, Haller brings in Harry Bosch as his investigator.
