Ann Patchett

Run LP Ann Patchett,2007-09-25 Since their mother's death, Tip and Teddy Doyle have been raised by their loving, possessive, and ambitious father. As the former mayor of Boston, Bernard Doyle wants to see his sons in politics, a dream the boys have never shared. But when an argument in a blinding New England snowstorm inadvertently causes an accident that involves a stranger and her child, all Bernard Doyle cares about is his ability to keep his children—all his children—safe. Set over a period of twenty-four hours, Run shows us how worlds of privilege and poverty can coexist only blocks apart from each other, and how family can include people you've never even met. Suspenseful and stunningly executed, Run is ultimately a novel about secrets, duty, responsibility, and the lengths we will go to protect our children.

Run Ann Patchett,2008-06-02 It is just a few weeks after Christmas, and the unforgiving New England weather has taken a turn for the worse. Doyle has dragged his reluctant sons, Tip and Teddy, to a speech by Jesse Jackson. Though his own political career is over, dealt a fatal blow by a family scandal, Doyle is still fired by Jackson's rhetoric and perplexed by his sons' indifference. The two boys, both adopted, are close enough in age to be taken for twins, but in character they couldn't be more different. Teddy - open, affectionate, the gentle dreamer - thinks he has found his calling in the Catholic Church. The elder by a year, Tip is more serious, reserving his own passionate interest for ichthyology- he is happiest alone in the warmth of his lab, labelling and categorising fish specimens. When they are involved in a violent accident on the treacherously icy road, the family are forced for the first time to confront certain truths- about how the death of Bernadette, Doyle's beloved wife, has affected the family, and about the anonymous figure, never discussed, who is the boys' real mother.

Summary of Ann Patchett's This Is the Story of a Happy Marriage Milkyway Media,2022-04-22 Please note: This is a companion version & not the original book. Book Preview: #1 I have never liked Christmas. In my family, there were happy Thanksgivings and tolerable Easters, but Christmas was a holiday we failed at with real vigor. I blame this on my parents' divorce. #2 Christmas was a bad day for expectations and heart's desires. My father's presents were always the saddest because they were so consistently wrong. I never liked the presents, but I loved Christmas. #3 My father wanted me to be a dental hygienist, unlike my sister, who was shooting the lights out in school. He thought I should be realistic about my chances of inheriting Disneyland. #4 I loved the story, and I understood it was fiction. I knew that the narrator was a madeup

person, but I still felt her pain. I understood that writers did not have to be confined by their own dull lives and petty Christmas sadness.
