Ultimate Guide to YouTube for Business Jason R. Rich, 2013-09-17 490 million people log on to YouTube each month-and business owners need to know how to capture them or better yet, be the initial reason for their visit. Jason Rich shares the expertise of practicing entrepreneurs, delivering a step-by-step strategy supported by valuable insights, tips, and resources. From video production to promotion, author Jason R. Rich details how to use the power of YouTube to promote business brands, products, or services, ultimately attracting new customers. Unfamiliar entrepreneurs receive a full tutorial on pre-production and production essentials, from developing video ideas that attract attention to overcoming lighting and sound challenges. Amateur producers receive a full list of equipment needed, and they gain tips from well-known YouTube users on how to produce quality spots without breaking the bank. After covering the basics, Rich - joined by YouTube-savvy entrepreneurs - reveals how small business owners can drive viewers to contact their business. Rich also shows entrepreneurs how they can make money, while promoting themselves.

Library Marketing Basics Mark Aaron Polger,2019-03-26 Here is an accessible, step-by-step, easy to understand, and hands-on resource for any librarian who is interested in learning basic marketing tips to raise the profile of their library. While other books on library marketing are dense and assume that the library has a full-time marketing staff person, a publicist, a graphic designer, and a big fat budget., this book offers tips and tricks (often free) that any librarian can do to market the library. It will focus on the small changes to the services a library provides to raise its profile. Library Marketing Basics is designed for beginners who are new to library marketing. Any librarian can market their library, but they must understand what true marketing is all about, and how to do it right. In this guide, you'll: Learn what true library marketing is, and what it's not Plan a large scale marketing campaign / awareness campaign on a shoestring budget Learn how to market yourselves as librarians! Develop your own professional identity and brand Learn tips and tricks on obtaining buy-in from your colleagues and the entire organization, even if they are resistant! Learn how to develop relationships with stakeholders in order to raise the profile of your library You'll also find practical examples from the non-library /corporate sector on how to use currently existing marketing tools and apply them to your library. The book focuses on developing a "library" brand, in addition to creating an effective marketing plan, social media guidelines, identifying assessment tools, and providing best practices when developing signage, writing website vocabulary, and designing promotional materials. Library Marketing Basics will show that you don't need a big budget to market the library. You just need a small team of like-minded colleagues to brainstorm creative ways to raise awareness with your audience. Marketing is all about the valuable intangible and tangible aspects (of your library) and how you connect them with your users.

Ultrasound Program Management Vivek S. Tayal, Michael Blaivas, Troy R Foster, 2018-02-01 This book addresses the wide range of issues that face the program leader – from how to choose a site and how to negotiate for equipment, to how to determine staffing requirements and how to anticipate and defuse possible turf issues with other programs and services in the hospital or healthcare facility. The early chapters of this book focus on the leadership of your program whether in your department or institution. The second section centers on education at all levels recognizing that smaller machines have made ultrasound available for medical students to advanced practitioners. The third section provides detailed logistics on equipment, maintenance, and safety. The fourth section focuses on a quality improvement program and includes a chapter on the workflow process. For those with limited budgets we also offer a section on practical operating and educational solutions. The fifth section offers insight into hospital level credentialing, quality assurance, national politics, and recent issues with accreditation. This is followed by reimbursement and coding. The last section covers topics in specialized communities. Chapters focus on ultrasound in global health, emergency medical services, pediatrics, critical care, community and office based practices. Multiple US working documents including checklists, graphs, spreadsheets, tables, and policy appendices are included.
