**The Ultimate Gift** Jim Stovall,2010-01-01 What would you do to inherit a million dollars? Would you be willing to change your life? Jason Stevens is about to find out. Red Stevens has died, and the older members of his family receive their millions with greedy anticipation. But a different fate awaits young Jason, whom his great-uncle Stevens believed might be the last vestige of hope in the family. Although to date your life seems to be a sorry excuse for anything I would call promising, there does seem to be a spark of something in you that I hope we can fan into a flame. For that reason, I am not making you an instant millionaire. What Stevens does give Jason leads to The Ultimate Gift. Young and old will take this timeless tale to heart.

**The Ultimate Gift** Rene Gutteridge,2007-03-18 Jason Stephens lives a life of wealth. A life of privilege. A life that's about to take a radical turn. Jason always had a straightforward relationship with his billionaire grandfather, Howard Red Stevens. He shunned him but welcomed his money. So he figured when Red died, his part of the inheritance would be a simple cash transaction that would fund his extravagant lifestyle. Instead, for Jason to receive his inheritance, he's given an ultimatum...a series of twelve tests or gifts as Red calls them. If he fails at any one of them, he loses everything. If he completes them all, the ultimate gift will be his. One of those gifts involves finding a friend...something Jason has never experienced before. Yet this unlikely friendship and an unexpected romance may just open his eyes to what he's been missing all along. You don't begin to live until you've lost everything.

Joey, however, has little interest in his great-grandmother's final wishes after she dies--until he learns that she's left him Anderson House, her successful bed-and-breakfast. But he will only inherit it if he lives at Anderson House and follows Sally Mae's instructions. How can Joey ever meet her challenge? Jason Stevens knows how Joey is feeling. By the time he'd finished learning the lessons, he'd become a different man. Ready to tackle the duties of running a multibillion-dollar trust, he is once again derailed, this time by his pugnacious family. Not content with their cattle ranches and oil fields, his aunts, uncles, and even his parents are determined to see every last dime entrusted to their own self-serving pockets. With none of the reluctance he initially showed for the gift, he eagerly accepts the challenge and pushes himself to prove, not only to his family and the court but also to the world, that with determination and the simple tenets of the gift, anyone can lead the ultimate life.

Jason had a very simple relationship with his impossibly wealthy Grandfather, Howard Red Stevens. He hated him. No heart-to-heart talks, no warm fuzzies, just cold hard cash. So of course he figured that when Red died, the whole reading of the will thing would be another simple cash transaction, that his Grandfather's money would allow him to continue living in the lifestyle to which he had become accustomed. But what Red left him was anything but simple. Red instead devised a plan for Jason to experience a crash course on life. Twelve tasks, which Red calls gifts, each challenging Jason in an improbable way, the accumulation of which would change him forever.
