Réfléchissez et devenez riche Napoleon Hill,2014-02-05T00:00:00-05:00 «Les principes contenus dans ce livre ont été réunis à partir de l'expérience de plus de 500 hommes qui ont réellement accumulé de grandes richesses. Des gens qui ont d'abord été pauvres, qui n'avaient reçu que peu d'éducation et qui n'ont bénéficié d'aucune relation influente. Ces principes ont bien servi ces hommes. Vous pouvez les mettre à profit vous-même. Et vous trouverez que c'est beaucoup plus facile que difficile.» L'ouvrage Réfléchissez et devenez riche de Napoleon Hill est devenu la bible de la prospérité et du succès pour des millions de lecteurs depuis sa publication initiale en 1937. Les 13 «étapes vers la richesse» que Hill met en lumière sont devenues un tremplin vers une meilleure vie pour des gens de tous les horizons: des gens d'affaires aux étudiants, en passant par tous ceux qui veulent atteindre leur but dans la vie et vivre leurs passions. Remaniée dans ce nouveau format interactif et facile à utiliser, avec plus d'une douzaine d'éléments exclusifs, cette édition sera la seule édition que tout étudiant sérieux de Réfléchissez et devenez riche voudra utiliser, non seulement pour lire le texte, mais aussi pour le comprendre, le maîtriser et le mettre en action dans sa vie.

Dictionary of Louisiana French Albert Valdman,Kevin J. Rottet,2010 The Dictionary of Louisiana French (DLF) provides the richest inventory of French vocabulary in Louisiana and reflects precisely the speech of the period from 1930 to the present. This dictionary describes the current usage of French-speaking peoples in the five broad regions of South Louisiana: the coastal marshes, the banks of the Mississippi River, the central area, the north, and the western prairie. Data were collected during interviews from at least five persons in each of twenty-four areas in these regions. In addition to the data collected from fieldwork, the dictionary contains material compiled from existing lexical inventories, from texts published after 1930, and from archival recordings. The new authoritative resource, the DLF not only contains the largest number of words and expressions but also provides the most complete information available for each entry. Entries include the word in the conventional French spelling, the pronunciation (including attested variants), the part of speech classification, the English equivalent, and the word's use in common phrases. The DLF features a wealth of illustrative examples derived from fieldwork and textual sources and identification of the parish where the entry was collected or the source from which it was compiled. An English-to-Louisiana French index enables readers to find out how particular notions would be expressed in la Louisiane .
