And the fact that he looks so good in scrubs doesn't hurt either. Lily can't stop thinking about him. Nonetheless, Ryle's utter rejection of partnerships is troubling. From the #1 New York Times bestselling author of *It Starts with Us* and *All Your Perfects*, a “brave and heartbreaking novel that digs its claws into you and doesn’t let go, long after you’ve finished it” (Anna Todd, New York Times

bestselling author) about a young woman in a new relationship who can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is "a glorious and touching read, a forever keeper. How to Sell a Massacre Peter Charley, 2020-08-01 One Nation, the NRA and \$20 million -- inside journalism's most audacious sting By the mastermind who infiltrated the NRA and One Nation and based on the award-winning documentary seen on ABC TV In 2019, the ABC aired an explosive investigative documentary entitled *How to Sell a Massacre*. The result of an audacious three-year infiltration of the US National Rifle Association, the documentary revealed how One Nation solicited donations of up to \$20 million from the NRA, promising in return to use the balance of power to soften gun laws in Australia. Masterminded by veteran Australian journalist Peter Charley, the elaborate sting saw Australian businessman Rodger Muller go undercover as the head of a fake Australian pro-gun advocacy group. But the tactics used by Charley to expose both One Nation and the NRA drew criticism from some. Now in his book *How to Sell a Massacre*, Peter Charley gives an inside account of the sting, drawing on more than 40 years' reporting to explore how journalism has changed and to make sense of why -- in a post-truth environment -- he felt it necessary to set a trap to catch the truth. Charley draws on previously unreleased transcripts of covertly recorded meetings between the NRA and One Nation to give graphic details of the undercover operation. At the same time, he reflects on a long and distinguished career and how the role and methods of journalism have had to change and adapt in a post-truth world. Set during the period of Donald Trump's rise to power and the US's worst mass shootings, including Las Vegas and Orlando, *How to Sell a Massacre* reads like a pacy spy thriller with a deadly truth at its heart: that an Australian political party would seek foreign money in a bid to seize power and destroy the gun laws that keep Australians safe.

Summary of It starts with Us Alexander Cooper,2023-01-03 It starts with Us - A Comprehensive Summary Since January 2012, when we first started, I've been a member. I was a housewife by then in my life and had really rediscovered my companionship for examining. After reading the Beaten article on Amazon, I purchased the book right away. I went completely gaga for her association and starting there on, I was a subsequent fan. I bought the next installments of Pounded, Hopeless, and everything else since I discovered her through virtual amusement. I joined her Facebook fan groups (Individual Accomplice and WEBLICH) because, like many others, I wanted a place to show how much I love her organization and meet others who did the same. I was fortunate enough to meet her at a book signing in 2014; she was unquestionably the person she portrays herself to be, RBF and all. The most remarkable quality of the author is her capacity to flawlessly discover every human trait. I know she says she doesn't keep secrets, so maybe it's normal for her to make herself feel so good.
