**Patrick Beason**

**No Good Deed Goes Unpunished** Mike Chase,2013-02-01 Driving home from work on a stormy night in May, contractor Mitch Cones witnesses a passing car plunge into the flooding waters of a Missouri river. His hasty decision to attempt a rescue draws him into an unfamiliar world of misconception, fear and ultimately, pure survival. As a rapidly escalating series of consequences resulting from his good deed unfold, he tries to make sound decisions based on incomplete and sometimes faulty information. With his world crumbling around him, right and wrong, good and evil and even friend and foe become harder to ascertain. Faced with hard choices to enigmatic questions, he is finally forced to dig deep into his spirit to find the resolve required to deal with his situation. The wide ranging character traits exhibited by the people he encounters during his odyssey are testimony to the diversity of human nature. Realizing the power of the forces arrayed against him, he implements an unconventional plan to escape from his dilemma

No Good Deed Goes Unpunished William Brinn,2014-04 Mike Grissom is an easy going fellow, enjoying the sun and laid-back lifestyle of Southern California. His married neighbor, Stephanie, is constantly trying to set him up with her friends, believing that he doesn't get enough opportunities to meet women. Despite her best intentions, they never seem to work out. Veronica Ronnie Lange is an actress whose fiancé gets cold feet two weeks before their big Santa Barbara wedding. Distraught, she inadvertently puts herself in a perilous situation, and it's Mike who saves her from danger. His helpful attitude and good-natured charm appeal to her, but a communication mix up with her best friend Jessica leads her to assume that he's a deceitful liar. Upset at believing that she has been misled, she vows that she never wants to see him again. But a chance meeting with him gives her the opportunity to get revenge through a spiteful deed, leaving Mike downhearted. Upon discovering her mistake, and realizing that she has treated him badly, she is afraid to apologize to him. But she knows that if she doesn't find the courage to make amends, she'll be left with nothing but regrets. Through a good deed that he does for another person, she may discover a way to regain Mike's trust before it's too late, with the hope that he can find it in his heart to forgive her.

*No Good Deed Goes Unpunished* Eli Maxwell,2022-11-03 This journal is a few hundred pages of unpopular opinion, I wrote this ball of rage between 2014-2016 and I planned to give to my gender studies professor after I took her class. When I left her class I noticed that there's a lot of misleading information about people that disagree with feminists and feminism,

and this book will help demystify some of those notions. I may have written this book for her but I believe it can help others as well. The 1st group of people that this book will help are people that don't like feminists and feminism you'll agree with almost everything I have to say, trust me you're not alone. This book is full of red pills you're going to love it. The 2nd group of people are people that are on the fence about feminists. Yeah, feminists may have told you the dictionary definition of feminism, and you might have heard some things about the feminist movement but you're still not quite sure what to make of them. I think you will gain the most from what I went through. I will show you the tactics some feminists use to get what they want. These are all things you should know before you engage with any feminist. The 3rd group of people are the people that don't understand why so many people have such hard opinions on feminism and feminists. Hopefully this book will help you understand where the first group of people are coming from. I use jokes, satire and personal experiences to bring levity to this hot topic issue. I don't want to tell you what to think. I want to show you what I went through so you can make up your own mind, and even if you disagree with me I hope you enjoy the ride. Now onto the 4th group, these are the feminists that are vexed and can't figure out why so many people dislike feminism and why feminists can't crack 18 percent of the population. I think you will benefit the most from what I have to say. I'm not going to berate you or attack you I'm just going to make my claims on why I disagree with your dogmatic ideology and hopefully you can respect that. I really want you to understand where I'm coming from and maybe we can build a bridge from there. Now on to the big mama of them all the 5th group, if you are the type of feminist that believes everything is sexist and everything is racist and every man is a misogynist. Put this book down, you are going to have a bad time. I deconstruct almost everything you believe in with ruthless and logical precision and I know for a fact that this book is going to trigger you into oblivion. Hell, you might even do something crazy, like set this book on fire and I don't want to see my book set a blaze. So save your money save your time and continue to smash the patriarchy. But to the other 4 out of 5 of you crack open a beer or pour a glass of wine and enjoy my descent into madness.

No Good Deed Goes Unpunished Patrick Beason, 2024-06-04 First and maybe last, this book wouldn't have been possible if it was not for the theft of all those whom I had so richly rewarded with hundreds of thousands of dollars in income and several million dollars to the contract vendor. Writing this helps with a little release of pent-up anger but, at the same time, reminds me of all the treacherous and deceptive behaviors of my previous staff, as well as the associates and contract vendors. In this book, I have discussed how these people took advantage of my generosity and made me lose several million dollars in future income. I will no doubt change my practices on hiring individuals and use data available on the web to ensure I don't end up with drug-addled people with criminal backgrounds anymore.

**No Good Deed** Victor Gischler, 2018-09-04 From Victor Gischler, the author behind the high-octane, action-packed thriller *Stay*, comes *No Good Deed*, a suspenseful novel about how an ordinary man--trying to do the right thing--finds himself

in an extraordinary situation. Francis was running late for work when he found the suitcase and the odd card with an email on it. He knew he shouldn't bother but he couldn't resist. Now Francis is dodging bullets and doing his best to stay alive, wishing he had never bothered with that suitcase full of clothes. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

*The Quote Verifier* Ralph Keyes, 2007-04-01 Our language is full of hundreds of quotations that are often cited but seldom confirmed. Ralph Keyes's *The Quote Verifier* considers not only classic misquotes such as Nice guys finish last, and Play it again, Sam, but more surprising ones such as Ain't I a woman? and Golf is a good walk spoiled, as well as the origins of popular sayings such as The opera ain't over till the fat lady sings, No one washes a rented car, and Make my day. Keyes's in-depth research routinely confounds widespread assumptions about who said what, where, and when. Organized in easy-to-access dictionary form, *The Quote Verifier* also contains special sections highlighting commonly misquoted people and genres, such as Yogi Berra and Oscar Wilde, famous last words, and misremembered movie lines. An invaluable resource for not just those with a professional need to quote accurately, but anyone at all who is interested in the roots of words and phrases, *The Quote Verifier* is not only a fascinating piece of literary sleuthing, but also a great read.

**Redecision Therapy** Carolyn E. Lennox, 1997-03-01 Editor Carolyn Lennox characterizes the redecision therapist as a director in an improvisational theater. Guided by the client's personal contract for change, the therapist helps the client select and rewrite old scripts in which he or she was cast as victim. By keeping the dialogue moving and assisting the client in confronting negative messages, the therapist supports revision of the last act so that the self can be experienced as triumphant protagonist and the victory can be carried over into everyday life. This compendium of contributions from twenty-two experienced redecision therapists first addresses issues of theory-how to negotiate a clear contract for change, how to identify client impasses, how to access the client's potential for creativity (what transactional analysis calls the natural child)-and then illustrates applications of the theory in the treatment of depression, anxiety, bulimia, PTSD, and so forth in individuals and groups and in private, HMO, and hospital settings. Closing chapters discuss redecision therapy training and supervision. The book's thoroughly accessible approach to brief, action-oriented therapy will be welcomed by students and practitioners alike as what Dr. Lennox gracefully terms teachable and learnable magic.

**The Scarpetta Factor** Patricia Cornwell, 2009-10-20 Scarpetta, an all-new Original Series, is coming soon to Prime Video! Enter the chilling and captivating world of Dr. Kay Scarpetta before Nicole Kidman and Jamie Lee Curtis bring the mystery to life onscreen. "The new audience will be compelled by the characters, crimes, and mysteries that are the trifecta of Patricia's masterful storytelling... and a warning.....there WILL be BLOOD." - Jamie Lee Curtis In this "insistent and gripping thriller" (The Star-Ledger) from #1 New York Times bestselling author Patricia Cornwell, forensic expert Kay Scarpetta is surrounded by familiar faces, yet travels down the unfamiliar road of fame. . . . It is the week before Christmas. A tanking economy has prompted Dr. Kay Scarpetta—despite her busy schedule and her continuing work as the senior forensic analyst for CNN—to offer her services pro bono to New York City's Office of the Chief Medical Examiner. In no time at all, her increased visibility seems to precipitate a string of unexpected and unsettling events, culminating in an ominous package—possibly a bomb—showing up at the front desk of the apartment building where she and her husband, Benton, live. Soon the apparent threat on Scarpetta's life finds her embroiled in a surreal plot that includes a famous actor accused of an unthinkable sex crime and the disappearance of a beautiful millionaire with whom her niece, Lucy, seems to have shared a secret past. Scarpetta's CNN producer wants her to launch a TV show called The Scarpetta Factor. Given the bizarre events already in play, she fears that her growing fame will generate the illusion that she has a "special factor," a mythical ability to solve all her cases. She wonders if she will end up like other TV personalities: her own stereotype.

**JUST IN CASE** Elizabeth Marx,2015-06-02 Work hard. Play hard. Love hard. That's the Southern way. Revell Marshall has built a life and career working with objects as fragile and damaged as Scarlett while reassembling the delicate stained glass windows that saved the small town of Crossroads, Alabama from ruin. He's determined to do whatever it takes to lure the one girl he's always loved back to Alabama, even if he has to rid the town of someone keeping her away. Once Scarlett returns, he'll do anything to win her heart. Even if he has to help her piece together the facts of her mother's past and expose old secrets he'd rather leave buried. Stay clear of the past to protect the future. That's the survivor's way. Scarlett Marbry a child prodigy, and an acclaimed Sacred Harp singer until the day her mother committed suicide knows she's never been good enough for Revell. In the aftermath of tragedy, she refused to sing another note, running away from Crossroads and whatever pushed her mother over the edge. Seven years later family obligations and a long lost letter lure her back, but she'll have to face the one she left behind and a horrible truth she never intended to encounter. What if the love you thought would always be yours turns out to be forbidden? You better hold tight to your heart... Just in case.

Second Chances J. Kenner,2017-09-12

Around The World in 80 Years Jack Nedell,2012-08-30 JACK NEDELL knew early in life that he wanted to break away from home and go out into the world to travel, explore foreign lands and, eventually, pursue a career abroad. In "Around the World in 80 Years" Jack relates his lifelong journey as a global businessman traveling, living and managing overseas operations in countries throughout the world. From his long career as an executive in Procter & Gamble's international business, Jack provides behind-the-scenes stories of how P&G evolved from essentially a U.S. business in the 1950's into the global powerhouse it is today.

**Fake It, It Will Come** Kathy Gotz,2016-12-13 The dark night of the soul is a very humbling experience. You feel less than abandoned and cast away from everyone, even God. You are torn down to the depths of hell; you think light is impossible and that you are not worthy of God's graces. Sleep deprivation goes on for what seems forever. During the void, all your senses are taken away. You also think that whatever was causing your difficulty has ended at least a million times or so. Life becomes so difficult that you want to die just to be put out of your own misery. In my particular case, I had so much pressure and pain that my survival did not seem to be an option. I believe all this happened because I asked to awaken and remember who I really am. I also did this in the emotion. I was crying. The dark night of the soul is emptying your sorrow cup so that it can be filled with joy. Most of the beginning of my book was journalized, and I just copied it from my journals. But it helped set the stage for what was to come. In the rest of my book, I just told my story from my past or the present. To protect the innocent, I used first names or changed them. Until I asked to awaken and remember who I really am, almost nothing paranormal happened to me, and then it became a common occurrence. I do consider it a privilege to have gone through this experience, but you might not think so during the worst. All men die, but only a few men really learn how to live. The old

fear-based Kathy did die; now I am walking in faith with Jesus at my side with his rod and staff that give me courage. You might even want to sit back and enjoy your misery; your experiences will be unique. I am also excited about extending joy and ecstasy to all I meet. This is a new time for a new millennium on a new earth to orchestrate it on. Just how much serendipity can the planet earth and universe hold? There is no limit! Fake your dream; it will come. Imagine your dream; it will come.

**JOURNALS OF A FRAGILE MIND** James C Price, 2024-10-15 This book is a compilation of journey-oriented journal entries that tell the story of the journey of the mind out of a trauma-ridden life, mostly out of childhood abuse that continues through most of James's life. This journal is a collection of thoughts that a person with similar experiences can understand, where he comes to conclusions about life and God for himself and others in his life. This book is not just a personal journal but an in-depth look at the mind of a recovering human being and a microscope into mankind's struggle with reasoning and its relationship with God every day. It is also a good look at the mind of a person who struggles with schizophrenia, trying to come to terms with an alternative reality and a reality created for him through the shame that trauma automatically carries with it to the people he is supposed to love but who have been shamed by the trauma evoked by his recognition of it. Gone is the reinforcement of that shame. After reading this book, you may have a better understanding of people who experienced childhood trauma. The insight gained will help humanity to dream and to achieve the unachievable by understanding the steps out of adversity. This is to the effect of implementing some stoicism and tools that help to overcome huge hurdles. For anyone who struggles with disabilities, this book will instill hope that their stories are important and that overcoming them is just one step after another, but it is also called living.

The Fallen Warrior R.P. Sofianiuc, Master Jin was on the brink of death, but he survived, losing almost everything except his sanity. Having a nurse wasn't something he wanted. He tried to get rid of her in every possible way... But Saori was by far the most annoying little bug that got under his skin. Too bad her past would come to hunt them down.

*Searching for the String of God* Dr. Sunil Srinivasan,

**Tippling Point** Dave Hart, 2021-04-12 McKenzie Cole is a former insurance claims investigator-turned PI with a Jersey attitude. When a delivery boy is found dead and his troubled sister comes seeking revenge, Mac's gut tells him to walk away. But, like a drunk who can't turn down a drink, Mac can't resist a good challenge. Meeting their provocative mother only complicates matters as mother and daughter combine forces to string Mac along. As his frustration mounts, so does the body count. The more Mac digs, the more deeply he finds himself immersed in a family full of secrets. With the sounds of reggae music wafting along the Delaware, Mac revisits a cherished childhood haunt turned "Twilight Zone," filled with barking dogs, baked goods, illicit drugs and a rampaging former pro wrestler. At the end of the day, he'll learn forgiveness isn't everyone's cup of tea—and only Lady Justice can balance the scales.
