Daring Greatly Brené Brown, 2012-09-11 Based on twelve years of research, thought leader Dr. Brené Brown argues that vulnerability is not weakness, but rather our clearest path to courage, engagement, and meaningful connection.

You Are a Sovereign Being Mary Paleologos, 2023-01-03 Through darkness comes light, through fear comes love. and through pain comes the triumph of the human spirit. We are all sovereign beings who possess a powerful source of strength, compassion, kindness, and love gifted to us by God. In an inspiring true story of triumph, Mary Paleologos chronicles her personal journey as she bravely battled three brain hemorrhages and an eating disorder—all while unveiling timeless truths about our true nature and spiritual identity. It was not until she healed, awakened, and transformed her life experiences and embodied the truth of who she really was that Mary truly understood the meaning of sovereignty and how it is given to all of us at birth by God. Through her spiritual wisdom and glimpse into her journey to the truth, Mary gently reminds believers that we are all overcomers with a God-given inner authority and the power to pursue our divine purpose. Included are tools and practices that will help anyone navigate the dawn of a new era as a sovereign being. *You Are a Sovereign Being* is an inspirational story of triumph that offers insight and wisdom about the God-given authority that lies within all of us.

The Gifts of Imperfection by Brene Brown | A 30-minute Summary Instaread Summaries,2014-10-02 PLEASE

NOTE: This is a summary of the book and NOT the original book. The Gifts of Imperfection by Brene Brown | A 30-minute Summary Inside this Instaread Summary: • Overview of the entire book • Introduction to the important people in the book • Summary and analysis of all the chapters in the book • Key Takeaways of the book • A Reader's Perspective Preview of this summary: Chapter 1 It is necessary to practice courage, compassion, and connection on a daily basis in order to develop worthiness. It is a mistake to try and win someone over, because it means trading in the sense of self in search of approval from another. By doing this, people stop believing in their own worth. The first step toward living wholeheartedly is for people to have the courage to reach out to others and to share their own stories of shame. When in need of compassion, people should reach out to the right person, someone who supports them whether they are feeling strong or whether they are struggling. When people are willing to reveal that they are imperfect and real, their relationships are strengthened. They make a connection. This is why courage, compassion, and connection are the gifts of imperfection. Courage is displayed when people are willing to speak honestly and openly about who they are, what they are feeling, and their experiences both good and bad. Courage is about being vulnerable. It takes courage for someone to ask for what he or she needs and to risk disappointment. When one person has courage, it can create a ripple effect, making others around that person a little braver. Compassion is a relationship between two equals. It occurs when people recognize they share humanity with others. The heart of compassion is acceptance by people of themselves and of others. In order for compassion to occur, people need to set boundaries and hold others accountable for their behavior. The key to compassion is being able to separate people from their behaviors. It is necessary to address what people do, not who they are. Connection exists as the energy between people who feel they have been seen, heard, and valued without judgment. People feel strengthened by this relationship and need connection to do well emotionally, physically, spiritually, and intellectually. Connections happen when people both give and receive with an open heart. Chapter 2 Love and belonging are necessary in people's lives. In order for people to experience love and belonging, they must believe they are worthy. People who accept themselves for who they are and who stop worrying about what others think are worthy of love and belonging. At the heart of wholeheartedness is that people have to believe they are worthy now, as they are, not if or when they become or do something in the future....

Life Is in the Transitions Bruce Feiler, 2021-08-10 A New York Times bestseller! A pioneering and timely study of how to navigate life's biggest transitions with meaning, purpose, and skill Bruce Feiler, author of the New York Times bestsellers *The Secrets of Happy Families* and *Council of Dads*, has long explored the stories that give our lives meaning. Galvanized by a personal crisis, he spent the last few years crisscrossing the country, collecting hundreds of life stories in all fifty states from Americans who'd been through major life changes—from losing jobs to losing loved ones; from changing careers to changing relationships; from getting sober to getting healthy to simply looking for a fresh start. He then spent a year coding these stories, identifying patterns and takeaways that can help all of us survive and thrive in times of change. What Feiler discovered was a world in which transitions are becoming more plentiful and mastering the skills to manage them is more urgent for all of us. The idea that we'll have one job, one relationship, one source of happiness is hopelessly outdated. We all feel unnerved by this upheaval. We're concerned that our lives are not what we expected, that we've veered off course, living life out of order. But we're not alone. *Life Is in the Transitions* introduces the fresh, illuminating vision of the nonlinear life, in which each of us faces dozens of disruptors. One in ten of those becomes what Feiler calls a lifequake, a massive change that leads to a life transition. The average length of these transitions is five years. The upshot: We all spend half our lives in this unsettled state. You or someone you know is going through one now. The most exciting thing Feiler identified is a powerful new tool kit for navigating these pivotal times. Drawing on his extraordinary trove of insights, he lays out specific strategies each of us can use to reimagine and rebuild our lives, often stronger than before. From a master storyteller with an essential message, *Life Is in the Transitions* can move readers of any age to think deeply about times of change and how to transform them into periods of creativity and growth.

How to Be Present in an Absent World Daniel Montgomery, 2020-02-25 Experience the fullness of life that Jesus promises by learning how to engage with the present--even in the increasing busyness of work and family life. Do you ever wonder how long can you keep: grinding out eighty-hour work weeks? putting your marriage on the backburner? treating your employees like cogs in a machine? pushing your life aside before you realize your time is all up? At the heart of this collaborative project is the belief that the pain we experience is the result of absence--living disconnected from our authentic selves and lacking deep, meaningful relationships with others and with God. Daniel Montgomery, the founding pastor of Sojourn Community Church; Kenny Silva, a PhD candidate at Trinity International University; and Eboni Webb, who holds a doctorate of Clinical Psychology, pooled their efforts and expertise to focus on the problem of modern absence and the pain it causes us and those around us. This book is a guide for how to cultivate a self-awareness that empowers you to take ownership and engage in every area of influence. It's arranged into five sections, each focusing on one of the major areas of

our lives where many of us struggle with absence: *Time Place Body Others Story How to Be Present in an Absent World* provides biblical, practical ways to handle the daily pressures of life without denying or escaping the present. Its goal is to help you rediscover what it means to show up for your own life. With interludes that offer a deep dive into the neurobiology of presence as well as principles and exercises that Dr. Webb employs in her clinical practice, Montgomery and his coauthors will equip you with the kind of self-understanding that allows you to realize God's design for human flourishing--whether in your church, in your job, or in your family.

The Gift of Perspective Lindsey Roy, 2023-10-17 Lindsey Roy proves beyond a shadow of a doubt that joy and happiness are just on the other side of the mountain you are climbing. —Katherine Wintsch, CEO of The Mom Complex; author of *Slay Like a Mother* A corporate executive, wife, and mother reflects on what she lost, what she didn't see coming, and the power of new vantage points. At age 31, Lindsey Roy was named vice-president at Hallmark Cards — one of the youngest in the company's more-than-100-year history. Her life was abruptly transformed five years later when she was nearly killed in a boating accident. Left with an amputated left leg and severe limb injuries, and facing a long and difficult recovery ahead, she was determined not just to heal, but to emerge stronger. She eventually shared what trauma had taught her about happiness in a TEDx talk that has been viewed nearly 200,000 times. Eight years post-accident, fully adapted to her circumstances and genuinely thriving, Lindsey confronted the unexpected again: she was diagnosed with a rare and progressive disease that destroyed the blood vessels in her lungs, requiring a double-lung transplant. This profound setback challenged her to actively shift her viewpoint in order to discover the hidden advantages of her situation and new depths of resilience in herself. Now a sought-after speaker, she's imparting these hard-won lessons to help you adapt, persevere, and innovate in your own life. Brimming with valuable insights forged in the fire — from Lindsey's journey and from other inspiring individuals she's met along the way — *The Gift of Perspective* is ready to meet you where you are, and no matter where adversity may find you.

Redefining Financial Literacy Cindy Couyoumjian, 2021-04-06 *Redefining and Reclaiming Financial Literacy* With over thirty-six years of industry experience, Cindy Couyoumjian is committed to filling the financial literacy void for many Americans. In her timely and thought-provoking book, Cindy gives a unique macro perspective of what she calls “the hidden forces behind your money,” which are the unseen political and economic forces that may influence your investment decisions. Through meticulous research, Cindy shows how these hidden forces have contributed to a complex retirement system, which includes pensions, social security, and what she believes is the outdated 60/40 investment model. To address this issue, Cindy spent endless hours developing a new multi-asset class investment methodology, known as the REALM model, that may offer broader investment strategies aimed to mitigate risk from the hidden forces that may negatively impact your goals. *Redefining Financial Literacy* can help you • Understand the complex macro forces that you cannot control, yet could determine your financial future, • Take actionable steps to regain command of your retirement strategy, • Build a retirement

with potential durable income strategies, lesser volatility, and risk-adjusted returns. Redefining Financial Literacy and Cindy's innovative REALM model can open your eyes to investment possibilities while helping you regain confidence in the American dream. Diversification does not guarantee profit nor is it guaranteed to protect assets. There is no assurance that any strategy/model will achieve its objectives. Dreaming Through Darkness Charlie Morley, 2021-09-21 The shadow is made up of all that we hide from others: our shame, our fears and our wounds, but also our divine light, our blinding beauty and our hidden talents. The shadow is a huge source of benevolent power and creativity, but until we bring it into the light this power will remain untapped and our full potential unreached. In this transformative book, lucid dreaming teacher Charlie Morley guides you into the dazzling darkness of the shadow and shows you how to unlock the inner gold within. Using ancient methods from Tibetan Buddhism alongside contemporary techniques and Western psychology, he reveals how to use lucid dreaming, meditation, shamanic mask work, creative writing and spiritual practice to help you to befriend your shadow with loving kindness, heal your mind and open your heart to your highest potential. This book reveals: •What the shadow is, and how we create and project it •The different types of shadow, including the golden shadow, the ancestral shadow and the sexual shadow •Exercises, visualizations and meditations to connect deeply with and transform your shadows •The life-changing benefits of shadow integration, including increased energy, authenticity and spiritual growth •How to lucid dream and lucidly call forth your

golden shadow and embrace it with love. Through over 30 practical exercises, this book will take you on a life-changing journey into the heart of spiritual transformation. The light you'll find there is brighter than you could ever imagine.

Rising Strong Brené Brown, 2015-08-25 #1 NEW YORK TIMES BESTSELLER • When we deny our stories, they define us. When we own our stories, we get to write the ending. Don't miss the five-part Max docuseries Brené Brown: Atlas of the Heart! Social scientist Brené Brown has ignited a global conversation on courage, vulnerability, shame, and worthiness. Her pioneering work uncovered a profound truth: Vulnerability—the willingness to show up and be seen with no guarantee of outcome—is the only path to more love, belonging, creativity, and joy. But living a brave life is not always easy: We are, inevitably, going to stumble and fall. It is the rise from falling that Brown takes as her subject in *Rising Strong*. As a grounded theory researcher, Brown has listened as a range of people—from leaders in Fortune 500 companies and the military to artists, couples in long-term relationships, teachers, and parents—shared their stories of being brave, falling, and getting back up. She asked herself, What do these people with strong and loving relationships, leaders nurturing creativity, artists pushing innovation, and clergy walking with people through faith and mystery have in common? The answer was clear: They recognize the power of emotion and they're not afraid to lean in to discomfort. Walking into our stories of hurt can feel dangerous. But the process of regaining our footing in the midst of struggle is where our courage is tested and our values are forged. Our stories of struggle can be big ones, like the loss of a job or the end of a relationship, or smaller ones, like a conflict with a friend or colleague. Regardless of magnitude or circumstance, the rising strong process is the same: We reckon with our emotions and get curious about what we're feeling; we rumble with our stories until we get to a place of truth; and we live this process, every day, until it becomes a practice and creates nothing short of a revolution in our lives. Rising strong after a fall is how we cultivate wholeheartedness. It's the process, Brown writes, that teaches us the most about who we are. ONE OF GREATER GOOD'S FAVORITE BOOKS OF THE YEAR "[Brené Brown's] research and work have given us a new vocabulary, a way to talk with each other about the ideas and feelings and fears we've all had but haven't quite known how to articulate. . . . Brené empowers us each to be a little more courageous."—The Huffington Post
