Step Back and LEAP Patrick Mork, 2023-08-15 Have you ever woken up in the middle of the night and thought, “Where the hell is my life going?” All of us have been there and most of us struggle to find the answer to simple but difficult questions like “What do I really want?” and “How do I actually make it happen?” Patrick Mork, a former Google exec and serial tech marketer, hit that wall in 2017. After being fired twice in the span of 18 months at two different startups, he woke up one day terrified by the realization that what he had spent the past 20 years doing no longer excited him and that his passion for it was gone. Divorced, nearly bankrupt and teetering on the edge of depression, his life and career were in ruins. Fast forward 5 years. Patrick has become a highly sought after CEO coach and motivational speaker, built one of the fastest growing leadership development startups in South America, and moved to Santiago, Chile. He and his team have impacted 1,000’s of people and developed leaders and high performance teams for clients including Walmart, Liberty Media and regional unicorns like Xepelin and Betterfly. *Step Back and Leap!* Is an authentic, personal and raw series of stories that trace the author's life and challenges. From being bullied as a kid in Mexico, to flaming out in a startup destined for stardom in Silicon Valley. From starting a company at age 47 in a foreign country to surviving a near-revolution in the streets of Santiago, Chile. Each chapter recounts dramatic, real-life challenges Patrick faced and the 9 indispensable “keys” he used to systematically overcome each challenge. But it doesn’t require a fortune, an MBA from a top school or having worked at Google to make radical, profound changes in your life. Anyone can do it. With the right tools, support, perspective and hard work. *Step Back and LEAP* details 9 powerful keys to help you unlock your true self and live a life of purpose and meaning that is in line with your values. Each key is supported by a series of proven, practical exercises which will help move you from inspiration to action as you start to become the person you really want to be. “What might be possible if you could live a life of purpose and meaning?” Imagine the possibilities.... What readers are saying: “A powerful book to find courage to live life intentionally and with meaning. Patrick's life story is inspiring and his learnings can be applied to everyone. Through humanity, vulnerability and charisma, Patrick helps us reflect and find ways to face challenges and reinvent oneself. Worth reading!” Barbara Martin Coppola, CEO of Decathlon “An inspiring life story of making difficult professional and life changes. Patrick has assembled a worthy collection of life and career lessons, with plenty of humor, humility and vulnerability, and turned this into a practical set of insights and exercises that are really helpful for startups and larger company CEOs and

executives alike.” Matthijs Glastra, CEO of Novanta (NASD: NOVT) I’ve known and worked closely with Patrick for over a decade and know that many would benefit from this book which is a result of his deep self reflections and focus on constant, transformational change. Congratulations Patrick! Thank you for letting me be a small part of this amazing journey. Brad Bao, Founder and Chairman at LIME Part-autobiography, part self-help manual, Step Back and Leap is a captivating read from the get go. Patrick Mork has lived a rich, varied life and he's a strong storyteller, which might be why I found myself racing through this book in a single day. Mork is both open and unapologetic about his failures and successes alike, which makes the book refreshing and insightful. He articulates the classic problems of Marketing in Silicon Valley (and more broadly in tech), drives home the importance of purpose, and layers in a series of useful tips and exercises he's developed in his latest career as an executive/ corporate team coach. And when he takes you on the white knuckle ride of the Sequoia Century, you'll be hanging on the edge of your seat. As a three-time CMO on the cusp of (exciting) career change, I found myself scribbling down some of the bolder pieces of advice to take on my next journey. In the end, you may not agree with every square inch of Mork's approaches and philosophy, but you will exit the book entertained and inspired to be bolder in seeking your own truth. Leela Srinivasan, CEO at Parity, Board Member Upwork I can't recommend this book enough. From career to personal advice, this book taught me so much. I'm going through a pivotable time in my career as well as ending my 19 year marriage. I really took a lot of the advice to heart, especially around my values (and not deviating from them!), as well as learning from step backs in my career. Thank you Patrick for such sound advice! Erica M. Larsen - Gaming & CG&E Sales Coach at Google “I found it a fascinating (and unexpected) marriage of memoir and business. Sometimes I was so absorbed in the narrative that I forgot the book had business purpose, and then you would insert a pithy quote, an apropos reference, or an on-point exercise that grounded me in the lesson! “ David M.M. Taffet (serial entrepreneur and CEO) “The sustained narrative, of both your life and your career, moved me to tears on several occasions. If this book does not inspire others to live better, be better, lead better and just generally work harder on themselves, then nothing else will. You have created a treasure! Claire Harbour (Executive coach, Insead MBA, Former GM at LVMH)

The Five Keys to Continuous Improvement McNeil David, McNeil Jim, 2024-04-05 This book is tailored for the countless individuals entrusted with driving improvement initiatives within their businesses or organizations. This diverse group includes leaders spanning from CEOs to front-line employees. Their responsibilities include a wide spectrum, from formulating and executing strategic plans to seizing incremental improvement opportunities. Within these pages, you will uncover the essential elements necessary for effectively implementing and sustaining improvement efforts across any organizational context. The authors distill years of experience, research, and analysis into five key concepts. These Five Keys empower practitioners to lead with confidence, bridging the gap between common sense and practical application.

Unlock Your Greatness Zig Ziglar, 2024-04-16 In this life-changing book, Zig will show you how to unleash your own hidden potential. By working methodically through the 6 steps that are outlined in each of the book's 6 chapters, you will have the perfect combination to unlock your greatness, and firmly establish your lasting imprint on the world. You'll be using the power of your mind to achieve a level of self-confidence and success that you previously thought were out of reach. The core idea that Zig will present to achieve this, is one that Zig learned from the classic researcher Maxwell Maltz---and that's the idea of self-image. While the term "self-image" is rarely used today, this breakthrough idea is at the core of much modern thinking in psychology and neuroscience. Until you change the "image" you have of yourself in your brain, you'll never achieve the goals you have for yourself, due to self-sabotage and other neural factors that keep you locked safely in your comfort zone. Another way of thinking of the concept of "self-image" and how to program one's self-image for positive results is what Zig considers the preferred outcome---which is "self-transformation." So when Zig discusses "self-image" let it trigger the idea of self-transformation. If you follow the steps that follow, and unleash the power of your mind to develop a positive self-image, you will unlock your greatness.....and Zig will see YOU at the top! You will learn how to: Acquire a healthy self-image Find success Become more positive Cultivate great relationships

Don't Call Me Christina Kringle Chris Grabenstein, 2013-12-17 This December, a girl who hates Christmas is in for the surprise of her life Ten-year-old Christina Lucci absolutely despises everything about Christmas. The carols, the eggnog, the decorations—and most of all, Santa Claus. And for good reason: It all reminds her of her firefighter father, who loved the holiday season but died on the job last Christmas. For Christina, no Christmas will ever be merry again. To make things worse, this year, her grandfather's shoe repair shop is failing. Bills keep piling up and the bank is ready to seize the shop. What Christina needs is a Christmas miracle. With the holidays fast approaching, Christina's miracle comes in the form of magical brownies, spunky little creatures who just happen to be great at repairing shoes. These tiny helpers have the power to turn Christina's whole life around—and maybe even get her back in the Christmas spirit.

Blown to Bits R. M. Ballantyne, 2022-04-06 First published just 6 years after the eruption of Krakatoa, 'Blown to Bits' by Scottish author R.M. Ballantyne is set against the backdrop of this seismic environmental event. Nigel Roy is first mate aboard his father's ship the 'Sunshine' when they feel an ominous change in the weather. In the storm that ensues their ship is badly damaged, and they are forced ashore on the Cocos Islands. While exploring this new and unfamiliar place, Nigel has all kinds of escapades - and makes plenty of new friends along the way. Based on real events 'Blown to Bits' is a fascinating adventure story by the popular author R.M. Ballantyne. R.M. Ballantyne (1825-1894) was a Scottish artist and prolific author of mostly children's fiction. Born in Edinburgh, Ballantyne was the ninth of ten children. At the age of 16 Ballantyne moved to

Canada, where he worked for the Hudson's Bay Company, travelling all over the country to trade for fur. He returned to Scotland in 1847 following the death of his father, and it was then that he began his literary career in earnest, writing over 100 children's adventure books over the course of his life. Stories such as 'The Coral Island' and 'The Young Fur Traders' were hugely popular, and many of them drew on his own experiences of travelling throughout Canada. A stickler for detail, Ballantyne continued to travel widely to research the backgrounds and settings for his exciting stories. His tales became an inspiration for authors of the future, including 'Treasure Island' novelist Robert Louis Stevenson. Ballantyne spent the latter period of his life living in London and Italy for the sake of his health. He died in Rome in 1894 at the age of 68.

Level Up Your Life Steve Kamb,2016-01-12 For the past 5 years, Steve Kamb has transformed himself from wanna-be daydreamer into a real-life superhero and actually turned his life into a gigantic video game: flying stunt planes in New Zealand, gambling in a tuxedo at the Casino de Monte-Carlo, and even finding Nemo on the Great Barrier Reef. To help him accomplish all of these goals, he built a system that allowed him to complete quests, take on boss battles, earn experience points, and literally level up his life. If you have always dreamed of adventure and growth but can't seem to leave your hobbit-hole, Steve's book, Level Up Your Life, is for you. He will teach you exactly how to use your favorite video games, books, and movies as inspiration for adventure rather than an escape from the grind of everyday life. Hundreds of thousands of everyday Joes and Jills have joined Steve's Rebellion through his popular website, NerdFitness.com, and leveled up their lives--losing weight, getting stronger, and living better. In Level Up Your Life, you'll meet more than a dozen of these

members of The Rebellion: men and women, young and old, single and married, from all walks of life who have created superhero versions of themselves to live adventurously and happily. Within this guide, you'll follow in their footsteps and learn exactly how to:

- Create your own "Alter Ego" with real-life super powers
- Build your own Epic Quest List, broken into categories and difficulty levels
- Hack your productivity habits to start making progress
- Train your body for any adventure
- Build in rewards and accountability that will actually motivate you to succeed
- Travel the world freely (and cheaply)

Recruit the right allies to your side and find powerful mentors for guidance Adventure is out there, and the world needs more heroes. Will you heed the call?

The Digital Party Paolo Gerbaudo, 2018-12-14 From the Five Star Movement to Podemos, from the Pirate Parties to La

France Insoumise, from the movements behind Bernie Sanders to those backing Jeremy Corbyn, the last decade has witnessed the rise of a new blueprint for political organisation: the digital party. Paolo Gerbaudo addresses the organisational revolution that is transforming political parties in the time of Facebook, Twitter, Instagram, and Cambridge Analytica. Drawing on interviews with political leaders and organisers, Gerbaudo demonstrates that besides rapidly growing in votes, these formations have also revitalised party democracy, involving hundreds of thousands in discussions carried out on online decision-making platforms. Participatory, yet plebiscitarian, open and democratic, yet dominated by charismatic 'hyperleaders', digital parties display both great potentials and risks for the development of new forms of mass participation in an era of growing inequality. All political parties will have to reckon with the lessons of the digital party.

No Cape Required Bob Hughes,Helen Caton Hughes,2019-04-15 No Cape Required sets out a vision for a new approach to leadership and emphasizes the need to develop both the individual and the organizational environment within which people are expected to lead and succeed. This book illumines the path toward taking charge of leadership development and influencing the organization to be well prepared for the abundant leadership revolution. Readers will learn how costly the dominant hero-leader paradigm is and why it's vital, in today's "VUCA World" of volatility, uncertainty, complexity, and ambiguity, to develop a new and more relevant approach to leadership and leadership development. This book offers managers insight into the behaviors and skills needed to deliver, along with the engaging styles available to build more successful teams and experience better relationships with colleagues. This book addresses equality through its message of abundant leadership; not emphasizing one group over another, but pointing out the need to unlock the talents and potential of everyone in the organization.

What Every Singer Needs to Know About the Body, Fourth Edition Melissa Malde,MaryJean Allen,Kurt-Alexander Zeller,2020-06-05 What Every Singer Needs to Know About the Body, Fourth Edition gives singers and teachers a Body Mapping resource—from anatomy and physiology to body awareness—that helps them discover and correct misconceptions about how their bodies are designed and how they function. This book provides detailed descriptions of the structures and movements necessary for healthy and efficient body awareness, balance, breathing, phonation, resonance, articulation, and gesture. Many voice books focus on the anatomical facts, but leave singers asking, How can I apply this to my singing? What Every Singer Needs to Know About the Body helps to answer that question, providing practical exercises and detailed illustrations. New to This Edition: * Updated and revised content throughout the text * Bulleted review sections for each

chapter * New and updated links to recommended videos * Information on Biotensegrity and how it pertains to Body Mapping, along with helpful links to resources on the subject * An expanded glossary What Every Singer Needs to Know About the Body includes audio and video recordings of the exploratory exercises. This book provides the technical foundation for singers of all styles. The authors do not espouse a single method or attempt to teach singing techniques or styles. Rather, they describe the movements of singing with accuracy and detail so that singers may experiment on their own and communicate with each other in a common language.
