Pencil Magic Marie Browning CZT,2014-10-04 Professional artists have magical secrets that you need to know! They use simple but sophisticated techniques like impressed lines, stippling, and subtractive drawing to produce fabulous art. With Pencil Magic, you can master these same methods to create a richer experience whenever you are making a card, embellishing a scrapbook page, or just doodling for fun. Crafting guru Marie Browning show you how to use both graphite and colored pencils to create impressive designs for paper arts, journals, mixed media, Zentangle-inspired pieces, and more. Her simple methods are gratifying to use, require a minimum of supplies, and produce stunning results that will have everyone asking How did you do that? Discover how to turn simple line designs into something fabulous with the impressed technique. Master classic drawing strokes like hatching, cross-hatching, and scrumbling. Use shading to add depth and dimension to your drawings, and give your projects a professional finish. The design possibilities are endless!

Classroom Management Simplified Elizabeth Breaux,2014-05-22 The tips in this book are accompanied by typical classroom scenarios and step-by-step instructions on how to implement them. Also included are actual dialogues to use with your students.
