**William James on Democratic Individuality** Stephen S. Bush, 2018-01-11 William James (1842-1910) argued for a philosophy of democracy and pluralism that advocates individual and collective responsibility for our social arrangements, our morality, and our religion. In James' view, democracy resides first and foremost not in governmental institutions or in procedures such as voting, but rather in the characteristics of individuals, and in qualities of mind and conduct. It is a philosophy for social change, counselling action and hope despite the manifold challenges facing democratic politics, and these issues still resonate strongly today. In this book, Stephen Bush explores how these themes connect to James' philosophy of religion, his moral thought, his epistemology, his psychology, and his metaphysics. His fresh and original study highlights the relevance of James' thought to modern debates, and will appeal to scholars and students of moral and political philosophy.

Born Singing Annette Willoughby, 2005 Complete in itself, 'Born Singing' is also a sequel to 'Innocent in Africa'. The two titles are a reflection of those years after the ending of apartheid, when barriers between blacks and whites came down. But were the whites in South Africa ready to cross? The true story of an English woman, wife of an engineer, a grandmother and a teacher, observing events on both sides of the border between Lesotho and the Republic of South Africa during 1996-1998. 'Born Singing' conjures up throbbing images of voices, people and events. A lively and sensitive writer, Annette Willoughby offers the reader a feast of travel and humour.. for her there were no barriers. She writes about the Basotho people, whom she came to love and admire. Skilfully, she transports her readers to the Karoo Desert, Gauteng, Kimberley Diamond City, Cape Town and across Lake Kariba to Victoria Falls in Zimbabwe. Vivid recollections of King Letsie's Coronation in 1997, the news of Princess Diana's death, President Mandela's official opening of Muela Dam in 1998, total immersion baptisms at Teyateyaneng Festival ..and more. Her ex-pat lifestyle as the wife of a professional engineer contrasts strikingly with her involvement with the Basotho family at Ha Simone. She feels pulled apart by the conflict of emotions.
