LIFE Willy Wonka & the Chocolate Factory LIFE Magazine, 2021-08-06 LIFE celebrates the 50th anniversary of the beloved family classic Willy Wonka & the Chocolate Factory with a veritable chocolate river of stories and photos. The book features a collection of gorgeous behind-the-scenes photographs that reveal the merriment and mayhem of the original movie set. It also tells the improbable story of how Roald Dahl's book was ever filmed in the first place, and tracks how the movie went from being an opening-day dud to a staple of American childhood, as well as the inspiration for a Tim Burton & Johnny Depp remake and a popular Broadway musical. The issue includes tributes to star Gene Wilder and explains why he was the perfect Wonka, and shares what became of the movie's child stars. From Golden Tickets to Oompa Loompas to Everlasting Gobstoppers, LIFE captures everything that made Willy Wonka & the Chocolate Factory a work of pure imagination.

The Demon Cycle 5-Book Bundle Peter V. Brett, 2020-03-17 One of the most exciting new sagas in epic fantasy, *The Demon Cycle* became a phenomenon with readers and launched the brilliant career of New York Times bestselling author Peter V. Brett. Now start from the beginning with all five novels in one convenient ebook bundle: *THE WARDED MAN* *THE DESERT SPEAR* *THE DAYLIGHT WAR* *THE SKULL THRONE* *THE CORE* As darkness falls after sunset, the corelings rise—demons who possess supernatural powers and burn with a consuming hatred of humanity. For hundreds of years the demons have terrorized the night, slowly culling the human herd that shelters behind magical wards—symbols of power whose origins are lost in myth and whose protection is terrifyingly fragile. It was not always this way. Once, men and women battled the corelings on equal terms, but those days are gone. Night by night the demons grow stronger, while human numbers dwindle under their relentless assault. Now, with hope for the future fading, three young survivors of vicious demon

attacks will do the unthinkable, stepping beyond the crumbling safety of the wards to risk everything in a desperate quest to regain the secrets of the past. Arlen Bales will pay any price, embrace any sacrifice, for freedom, and his grim journey will take him beyond the bounds of human power. Crippled by the demons that killed his parents, Rojer Inn seeks solace in music, only to discover that his instrument can be a weapon as well as a refuge. Wanting to cure the sick and injured, Leesha Paper overcomes great hardship to become a guardian of old world science, learning that what heals can also harm. Together, they will stand against the night. “Inspired, compelling, [The Demon Cycle is] the most significant and cinematic fantasy epic since The Lord of the Rings.”—Paul W. S. Anderson, director of Alien vs. Predator

The Faygo Book Joe Grimm,2018-10-01 The story behind Faygo, a Detroit soft drink company since 1907. The Faygo Book is the social history of a company that has forged a bond with a city and its residents for more than a century. The story of Faygo, Detroit's beloved soda pop, begins over a hundred years ago with two Russian immigrant brothers who were looking to get out of the baking business. Starting with little more than pots, pails, hoses, and a one-horse wagon, Ben and Perry Feigenson reformulated cake frosting recipes into carbonated beverage recipes and launched their business in the middle of the 1907 global financial meltdown. It was an improbable idea. Through recessions and the Great Depression, wartime politics, the rise and fall of Detroit's population, and the neverending challenges to the industry, the Feigensons persisted. Out of more than forty bottlers in Detroit's pop alley, Faygo remained the last one standing. Within the pages of The Faygo Book, author Joe Grimm carefully measures out the ingredients of a successful beverage company in spite of dicey economic times in a boom-and-bust town. Take a large cup of family—when the second generation of Feigensons gambled with the chance at national distribution while the odds were stacked against them—and add a pinch of innovation—not just with their

rambunctious rainbow of flavors but with packaging and television advertising that infused Faygo with nostalgia. Mix in a quality product—award-winning classics (and some flops) that they insisted on calling pop, despite the industry's plea for a more grown-up name. Stir in a splash of loyalty to its locally hired employees, many of whom would stay with Faygo for decades. These are the values on which Faygo has hung its hat for generations, making it an integral part of communities across the country. The Faygo Book is the story of a pop, a people, and a place. These stories and facts will tickle the taste buds and memories of Detroiters and Faygo lovers everywhere.

30 Fun Words and More Hans Lael Laar, 2023-07-12 This book is about my Summer. My 2022 Summer was amazing. Scholarly Resources for Children and Childhood Studies Vibiana Bowman, 2007-02-08 Editor Vibiana Bowman has drawn together contributions from some of the leading scholars in the interdisciplinary field of children and childhood studies (CCS) in this guided approach to literature searching in CCS. The contributors to this book are both faculty currently teaching in the area of CCS and academic librarians. The charge given to each contributor was to write a chapter that explained the process of scholarly research in his or her own particular area of expertise to a student unfamiliar with that discipline. Towards this end, the book provides background information about interdisciplinary study in general, and children and childhood studies in particular, as well as an outline of basic research practices. Each contributor serves as a mentor and suggests a search strategy, discusses significant concepts and vocabulary, and lists the major resources that scholars in that area would be expected to use. Not intended as an exhaustive list of in-print research resources, rather the emphasis throughout this guide is on useful resources and effective research methodologies. As the field of CCS continues to evolve in

the upcoming years, Scholarly Resources for Children and Childhood Studies will serve as an excellent stepping stone for those just entering the area.

The Big Bad Book of Bill Murray Robert Schnakenberg, 2015-09-15 New York Times bestseller! This fun-loving celebration of Bill Murray offers a behind-the-scenes peek into the actor's life and career—from films like Groundhog Day to his serial “photobombing”—with over 75 photos. Part biography, part critical appreciation, part love letter—and all fun—this enormous full-color volume, packed with color film stills and behind-the-scenes photography, chronicles every Murray performance in loving detail, recounting all the milestones, legendary “Murray stories,” and controversies in the life of this enigmatic performer. He's played a deranged groundskeeper, a bellowing lounge singer, a paranormal exterminator, and a grouchy weatherman. He is William James “Bill” Murray, America's greatest national treasure. From his childhood lugging golf bags at a country club to his first taste of success on Saturday Night Live, from his starring roles in Hollywood blockbusters to his reinvention as a hipster icon for the twenty-first century, *The Big Bad Book of Bill Murray* chronicles every aspect of his extraordinary life and career. He's the sort of actor who can do Hamlet and Charlie's Angels in the same year. He shuns managers and agents, and he once agreed to voice the lead in Garfield because he mistakenly believed it was a Coen Brothers film. He's famous for crashing house parties all over New York City—and if he keeps photobombing random strangers, he might just break the Internet.

The Winter of the Cartoonist Paco Roca, 2020-08-04 A graphic nonfiction story of the five extraordinary cartoonists who decided to rebel in the aftermath of the Spanish Civil War and WWII. In 1957, Editorial Bruguera was one of Spain's largest publishing houses, putting out hugely popular weekly magazines and comics for young and old — while retaining all rights and creative control of their artists' work. Spanish comics superstar Paco Roca investigates the true story of five cartoonists who, spurred by poor working conditions, arbitrary editorial edicts, and nationwide dictatorial rule, went on a quest for creative freedom. Little did they know that the corporation had begun actively trying to thwart their distribution and publishing efforts, turning their battle into a real-life David and Goliath tale. *The Winter of the Cartoonist* provides historical context and short profiles of these artists as they serve as everyday heroes for all of those who have chased a dream, no matter how high the obstacles that stand in front of them.
