Home Leila S. Chudori,2015-10-05 A wonderful exercise in humanism . . . [by] a prodigious and impressive storyteller.—Jakarta Globe An epic saga of families and friends entangled in the cruel snare of history (Time magazine), Home combines political repression and exile with a spicy mixture of love, family, and food, alternating between Paris and Jakarta in the time between Suharto's 1965 rise to power and downfall in 1998, further illuminating Indonesia's tragic twentieth-century history popularized by the Oscar-nominated documentary The Act of Killing. Leila S. Chudori is Indonesia's most prominent female journalist. Home is her debut novel and won Indonesia's most important literary prize in 2013.

Feed My Dear Dogs Emma Richler,2010-08-06 In Feed My Dear Dogs, Emma Richler returns to the life of the Weiss family, first introduced to readers in her debut-and much-celebrated-book, Sister Crazy, through a series of interconnected stories narrated by Jemima (Jem) Weiss. The Weisses are a tight unit of seven: father Yaakov, a gruff sportswriter whose love for his children is manifest in his stern instructions and impromptu boxing lessons; mother Frances, a wise and gentle beauty

adored by her family, almost to the point of obsession by her husband; Ben, the most heroic of the siblings, by virtue of birth-order and also for knowing the answer to all questions; Jude, Jem's almost-twin, who is only fifteen months older than she and the most serious of the children, careful to point out the anti-Semitic leanings of Jem's literary heroes; Jem, the narrator, who would prefer to never leave the comforting confines of her family; delicate yet hilarious Harriet, Jem's only sister, who can sound like a little old lady or a sultry vixen, depending on what movie she's quoting; and Gus, the frail little boy who completes the circle at the beginning of the book with his birth and arrival home from the hospital. *Feed My Dear Dogs* beings with the family in London, where eight-year-old Jem and her sister attend a convent school to the consternation of most of the nuns, since not only are the Weiss children not Catholic, but, most perplexingly, they are half-Jewish. Not surprisingly, Jem prefers home to school. At home she is surrounded by the books she loves, (particularly Tintin and *Le Morte d'Arthur*) and the comforts only a big, happy family can provide. Soon, however, the family departs for Canada – "Dad's country," as the children see it-where together they begin a new life, shuttling between a Montreal townhouse and a country home, and adapting to their new land –even creating the "Weiss on Ice" hockey team. No matter where the family is, each member is fiercely loyal to home. From the use of short notes: "Out. Back soon. – Jude" to a simple "I'll be up in my room!" yelled down the stairs, to Yaakov's frantic bellowing of "Frances!" through the house, the family keeps close tabs on its members, which also allows Jem to subconsciously control it: ". . . my universe still the Universe, a place I wander with a slight swagger." But the comfort and security of family can't last forever, Jem learns in high school, as Jude plans an extensive travel itinerary for himself and Ben contemplates moving out on his own. Meanwhile, Jem's burgeoning feminism pits her against her father and brothers while she battles with a burden of guilt over the near-drowning death of her youngest brother. Spiraling into a breakdown by the story's tragically beautiful end, Jem discovers that families simply can not remain fixed, like the stars in the galaxies, unchanged forever. Intermingled through the story of the Weiss family are Jem's (and her siblings') encyclopedic knowledge of history, literature, film, religion and language. Richler also interweaves the almost mythic life story of Frances, the family's matriarch, into the book, and provides glimpses into Jem's troubled mind through a series of present-day conversations with her therapist, all of which serve to create a fully drawn portrait of Jem, her mother and the bond between them and the family as a whole.

The Role of Prosody in Affective Speech Sylvie Hancil,2009 The goal of this volume is to present a collection of papers illustrating state-of-the-art research on prosody and affective speech in French and in English. The volume is divided into two parts. The first part focusses on the sociolinguistic parameters that can influence the manifestation and the interpretation of affective speech in prosody. The second part relies on the way emotion recognition is implemented in

synthesis systems and how machine applications can contribute to a better description of emotion(s).

We Never Swim in the Same River Twice Hassouna Mosbahi, 2024-09-16 During Tunisia's Arab Spring and its tilt toward Islamism, we meet three friends: Saleem, who is about to turn fifty and whose once-blissful marriage teeters on the edge as his mental health deteriorates; Aziz, a homely retired postal clerk who finds solace in literature and international cinema; and Omran, a well-traveled writer and public intellectual navigating a complex relationship with a young Franco-Tunisian woman who lives in Paris. As these men forge an unlikely friendship over drinks at a coastal bar in Bizerte and during walks on the beach, they grapple with the political extremism that dominates Tunisia's social and political life at the time. Repelled by Islamist rhetoric and the brand of masculinity it represents, the three friends recall their lives and question their relationship to their nation. *We Never Swim in the Same River Twice* offers an alternative narrative of the Arab Spring, one that challenges Western media's depiction of a "blessed revolution," and gives readers an intimate and elegiac portrait of a recent period in Tunisian history.

Sidewalk Oracles Robert Moss, 2015-09-15 Synchronicity is when the universe gets personal. Through this book of games and enchanting stories, you'll learn how to monitor the play of coincidence and the symbolic resonance of incidents in daily life in order to tap into the deeper logic of events, receive extraordinary counsel, and have wonderful fun. You will be invited to become a kairomancer: someone who is poised to catch the messages in special moments when synchronicity is in play — and to take action to seize the opportunities those moments present. To be a kairomancer, you need to trust your feelings as you walk the roads of this world, to develop your personal science of shivers, and to recognize in your gut and your skin that you know far more than you hold on the surface of consciousness. This is a way of real magic, which is the art of bringing gifts from a deeper world into this one. Follow it, and you will put a champagne fizz of enchantment into your everyday life.
