

Libro De Antonio Blanco

Luis Martínez-Fernández

Química biológica Antonio Blanco, Gustavo Blanco, 2023-08-17 El máximo referente de la química biológica, íntegramente actualizado y reorganizado. • Incluye los avances más recientes en todas las áreas de la disciplina. • Nuevas figuras a todo color y tablas que resumen la información para facilitar el aprendizaje. • Más correlaciones clínicas que derivan de alteraciones bioquímicas. • Obra respaldada por más de 30 años de experiencia docente e investigación continua. Una lectura imprescindible para estudiantes de grado, así como una referencia y texto de consulta para quienes están en etapas más avanzadas de la carrera de Medicina y afines. Una herramienta esencial para el aprendizaje de la bioquímica del cuerpo humano en condiciones de salud y enfermedad.

El contorno del abismo J. Benito Fernández, 2023-03-22 La edición definitiva de la biografía de Leopoldo María Panero, poeta maldito. Leopoldo María Panero ocupa un espacio singular en la poesía española contemporánea, entre otras cosas porque fue, además de poeta, un personaje con notable proyección pública. Esta minuciosa biografía reconstruye su vida y su

leyenda, que él mismo cultivó y que dio pie a innumerables anécdotas, algunas ciertas y otras apócrifas. Este libro apareció por primera vez en 1999, y esta nueva edición ampliada y revisada recorre toda la vida del poeta hasta su fallecimiento en 2014. Por sus páginas desfilan la infancia entre Madrid y Astorga; el padre Leopoldo Panero, laureado poeta e intelectual afecto al régimen franquista, cuya temprana muerte marcó a la familia; las complejas relaciones de Leopoldo María con su madre —Felicidad Blanc— y sus dos hermanos —Juan Luis y Michi—, todos ellos protagonistas de la mítica película de Jaime Chávarri *El desencanto*. Se muestra también la condición de miembro de la generación de los llamados «novísimos» y su inclusión en la antología de Castellet *Nueve novísimos*; la repercusión del potente poemario *Así se fundó Carnaby Street* y el desarrollo posterior de su obra; su adicción a las drogas y el alcohol; su vivencia de la sexualidad; sus escarceos políticos y su relación con la locura, que lo llevó a pasar buena parte de su vida en sanatorios mentales; los amigos que lo apoyaron y los aprovechados que merodeaban a su alrededor; su vocación transgresora, sus iluminaciones visionarias y su personalidad siempre en conflicto, al borde del abismo. Este espléndido libro explora y explica al personaje en toda su complejidad. Es, sin duda, la biografía definitiva de Leopoldo María Panero, el gran poeta maldito de la literatura española contemporánea.

Eso no estaba en mi libro de Historia de la Empresa Luis Ronda Zuloaga, 2020-09-24 ¿Cuándo se creó la primera empresa? ¿Sabías que la primera huelga documentada de la historia la protagonizaron los trabajadores egipcios del Valle de los Reyes por la falta de pan? ¿O que el primer paraíso fiscal lo estableció el Imperio Romano? ¿Conoces qué la empresa activa más antigua de España fue fundada en Zaragoza hace más de ochocientos años? ¿O que la producción de seda en China fue durante siglos uno de los secretos industriales más celosamente guardados por los emperadores? ¿O que las grandes estrellas del mundo del espectáculo ya eran millonarias hace más de dos mil años? ¿Cuándo comenzaron a surcar los océanos o a operar con contratos de futuros las empresas comerciales? ¿Cómo han influido las grandes quiebras, los fraudes y las crisis financieras en la organización y el funcionamiento de las empresas del Siglo XXI? La empresa es una parte esencial de la sociedad. Desde sus inicios los seres humanos han desarrollado actividades económicas e intercambios comerciales. No podríamos comprender la evolución del ser humano y el nacimiento de las primeras civilizaciones sin considerar el comercio y la actividad económica. Además de disfrutar con las fascinantes y sorprendentes historias de este libro, el lector podrá ser testigo de cómo el progreso de la humanidad se ha articulado fundamentalmente a lo largo de la historia mediante una estrecha relación entre los estados y las empresas. Un ensayo ameno y riguroso con contenidos de rabiosa actualidad que le sorprenderán. De su obra se ha dicho: «Luis Ronda Zuloaga se zambulle en la Historia con mayúsculas para, combinando hechos históricos con el estudio de la gestión empresarial, ofrecer a directivos y empresarios conocimientos y consejos útiles.» El Correo «Luis Ronda asegura que la historia nos revela los principios de la estrategia y gestión empresarial, y aporta valiosos conocimientos y consejos para cualquiera que desee tomar una decisión empresarial acertada.» Todo Literatura

Las víctimas militares de ETA Luis Miguel Sordo Estella,2022-04-14 Durante los años de actividad terrorista de ETA un centenar de militares españoles fueron asesinados entre los años 1973 y 2008. Algunos de ellos eran altos mandos de las Fuerzas Armadas y ocupaban puestos relevantes pero la mayoría de las víctimas fueron oficiales, suboficiales y tropa o marinería. Otros militares, incluso ya retirados de la milicia o en su ancianidad, después de ser tiroteados gravemente fueron rematados en el suelo por los terroristas con la misma sangre fría de un vulgar asesino a sueldo. ETA no pretendía solamente asesinar a un militar por el simple hecho de llevar un uniforme y servir a un Estado al que ella consideraba opresor. Las Fuerzas Armadas estuvieron en el punto de mira de ETA de forma permanente con el objetivo último de esta organización terrorista de provocar en sus componentes una continua situación de alta crispación que les condujera a enfrentarse al Gobierno del momento y dar lugar así a una situación de grave inestabilidad política. ETA nunca logró su objetivo. En Las víctimas militares de ETA se describen cronológicamente los atentados sufridos por ese centenar de militares españoles, algunos verdaderamente espeluznantes, así como una breve biografía personal de cada uno. Estas biografías contienen una vida profesional entregada al servicio de su país con testimonios desgarradores en los que fluye el sufrimiento, la desesperanza y el dolor-físico y psicológico-de familias destrozadas por la sinrazón de la violencia terrorista. Esta obra pretende ser un recuerdo perenne de aquellos hombres que, en el estricto cumplimiento de su deber, fueron asesinados por el terrorismo etarra. Asimismo, constituye también un magnífico medio para que las nuevas generaciones conozcan un periodo significativo de la historia de España marcado por la violencia y el terror. Un relato real que nunca debemos olvidar.

Revolutionary Cuba Luis Martínez-Fernández,2014-09-16 This is the first book in more than three decades to offer a complete and chronological history of revolutionary Cuba, including the years of rebellion that led to the revolution. Beginning with Batista's coup in 1952, which catalyzed the rebels, and bringing the reader to the present-day transformations initiated by Raúl Castro, Luis Martínez-Fernández provides a balanced interpretive synthesis of the major topics of contemporary Cuban history. Expertly weaving the myriad historic, social, and political forces that shaped the island nation during this period, Martínez-Fernández examines the circumstances that allowed the revolution to consolidate in the early 1960s, the Soviet influence throughout the latter part of the Cold War, and the struggle to survive the catastrophic Special Period of the 1990s after the collapse of the U.S.S.R. He tackles the island's chronic dependence on sugar production, which started with the plantations centuries ago and continues to shape culture and society. He analyzes the revolutionary pendulum that continues to swing between idealism and pragmatism, focusing on its effects on the everyday lives of the Cuban people, and—bucking established trends in Cuban scholarship—Martínez-Fernández systematically

integrates the Cuban diaspora into the larger discourse of the revolution. Concise, well written, and accessible, this book is an indispensable survey of the history and themes of the socialist revolution that forever changed Cuba and the world.
