Espíritus inquietos Antonio Molina Andrade,2018-06-11 En el año 1928, Carmencita, una joven de solo quince años, tiene que abandonar su familia y su pequeño pueblo de la Serranía de Ronda, debido a la muerte inesperada de su madre y a los malos tratos que sufre por parte de su madrastra. Desde el momento en que inicia su partida, Carmencita se enfrentará a un mundo totalmente desconocido. El trayecto se convertirá en un viaje del pasado al futuro, a esa otra sociedad tan distinta y desconocida, moderna, bulliciosa, y que acabará por deslumbrarla. En su camino, la joven conocerá a muchos y muy distintos personajes, que la casualidad hará que se conviertan en parte de su vida. De entre ellos, destaca su nueva amiga y compañera, Eulalia, con la que compartirá numerosas situaciones y experiencias, alguna de ellas tan dolorosas que harán que se conviertan en dos mujeres curtidas y valientes. *Espíritus Inquietos* tiene lugar entre 1910 al 1968 y se desarrolla en la Serranía de Ronda, Algeciras, La Línea de la Concepción, Gibraltar, Ceuta, Tánger y el pueblo de Ashbourne en el Reino Unido. El escritor, buen conocedor de estos lugares, consigue que la obra sea muy verosímil y de lo más atractiva. *Espíritus Inquietos* es, al mismo tiempo, un thriller, un drama y una novela romántica e histórica repleta de aventuras que no dejen indiferente al lector.

Los 99 novios de Micah Summers Adam Sass,2023-03-16 Micah es rico, soñador y encantador. También es bastante tímido. En lugar de invitar a salir a un chico de verdad, se dedica a dibujar cada uno de sus crushes y a inventar citas imaginarias en las que él es el príncipe azul. 99 «novios» después, la cuenta de Instagram en la que comparte estos fragmentos se ha vuelto increíblemente popular y todo mundo, al igual que Micah, espera con ansias al Chico 100 y hay algo que tiene claro: todo será diferente con él, su conexión será tan fuerte que borrarán sus miedos y al fin tendrá el coraje para comenzar a vivir su historia de amor. Micah está seguro de haberlo encontrado cuando coquetea con un chico que carga un montón de libros y que, además, es asombrosamente guapo. Pero justo antes de que pueda pedirle su número, el chico baja del tren y olvida algo muy importante: una chamarra de cuero vegana con una calabaza bordada, que guarda pistas sobre su identidad. Así Micah, en compañía de sus amigos, emprende la búsqueda para devolvérsela. En el camino, Micah descubrirá

que las mejores relaciones no son un cuento de hadas y que el verdadero amor puede estar más cerca de lo que él imagina.

Los inquietos ULLMANN LINN,2021-11-09 Él es un prestigioso cineasta sueco, un hombre obsesionado con el orden, la puntualidad y el control de los sentimientos. Ella es su hija, la menor de nueve hermanos. Cada verano, desde que era una niña, ha visitado a su padre en la remota isla de Fårö. Ahora que ella es una joven escritora y él un anciano, proyectan hacer un libro sobre la vejez que se basar. en una serie de conversaciones grabadas. «Envejecer —dice el padre— es un trabajo duro, difícil y muy poco glamuroso.» Y, en efecto, su declive físico y mental, preludio de una muerte cercana, dejará el proyecto a medias. La escritura de Los inquietos da inicio siete años después, cuando Linn Ullmann reúne el valor para escuchar las cintas que habían quedado arrumbadas en una caja. Ante el carácter elíptico y fragmentario de dicho material, acude a sus recuerdos de infancia y juventud para recrear una de las constelaciones familiares más fascinantes del siglo XX, en cuyo origen está el «amor grande y revolucionario» que unió a sus padres. Intercalando el relato autobiográfico con la transcripción de las grabaciones, Ullmann evoca la relación zigzagueante entre dos artistas absorbidos por el trabajo y una niña que tiene prisa por ser adulta, y se asoma a uno de los grandes misterios de la condición humana: «No se puede saber mucho de la vida de otros, especialmente de los propios padres.»

De amores y guerras Jorge Fernández Correa,2024-10-01 El amor y la guerra han sido conceptos que aparentemente están más unidos en su complementariedad que en su diferencia. El presente libro nos invita a ser parte de siete cuentos que hablan de grandes amores, pero también de grandes guerras, en historias que deambulan entre una realidad aparentemente fantasiosa y una fantasía ineludiblemente realista. Es así como el autor nos sitúa en un «viaje con variado itinerario hacia la siempre misterioso e indescifrable alma humana» donde nos hacemos parte de su visión del amor, la libertad, la justicia, el dolor, el compromiso y la frustración, entre otros.

La señora del dolor Carlos Tromben,2017-10-01 Una reedición imperdible publicada originalmente en 2006 bajo el título Karma Satochi Kunasagi desembarca en Valparaíso pensando que su estadía en Chile será cuestión de días. No sabe que tardará años en regresar a Japón, que hará una vida en este fin del mundo y que verá transcurrir la historia de un país y la de tres generaciones de inmigrantes japoneses. Es la trama troncal de la novela que Carlos Tromben teje magistralmente y en

la que enlaza a los Kunasagi con Martín Concha, un exitoso hombre de negocios que huye de la desgracia, y con Soffia Ström, medio chilena, medio sueca, que retorna a Chile -el eterno retorno al dolor- para descifrar las incógnitas de su pasado. Pocos autores se atreven a revisitar sus textos luego de que estos han sido publicados. A partir de su novela Karma (2006), Carlos Tromben da vida a La señora del dolor, una ficción que nos recuerda la historia reciente de un país que mantiene sus heridas abiertas. Un imperdible para los lectores de Carlos Tromben lo conozcan en todos sus registros literarios

El vagón de las mujeres Anita Nair, 2013-06-06 Seis mujeres. Seis destinos En la estación de Bangalore, en la India, Akhila, una mujer soltera de cuarenta y tantos años está a punto de realizar su gran sueño: subirse sola a un tren hacia un lugar lejano. Con ella viajan cinco mujeres con quienes comparte pronto intimidad: una madre confundida, una profesora de química casada con un hombre tiránico, una perfecta ama de casa que busca su identidad, una mujer cuyos sueños e inocencia se rompieron y una adolescente que parece comprender mejor que nadie lo que ellas buscan. Al calor de las confidencias susurradas durante la noche, Akhila intenta encontrar respuesta a lo que le ha preocupado desde siempre, los mismos dilemas que definen el viaje que cada mujer emprende en la vida.

Jarrapellejos Felipe Trigo, 2019-04-21 Jarrapellejos, que su autor tituló con terrible mordacidad Vida arcádica, feliz e independiente de un español representativo, ha pasado a la historia de nuestras letras como el más consagrado retrato del caciquismo rampante en España en la primera mitad del siglo XX, persistente en la segunda y quién sabe si aún existente bajo renovadas formas y modos. Desgarrada, brutal, impresionante en su veracidad, la obra del autor atormentado y contradictorio que fue Felipe Trigo ha sido objeto de tantos desdenes como aprecio, pero sigue perviviendo como producto singular de una época aún desconocida, raras veces objeto de atención, en la que sin embargo se encuentran las raíces del presente.

De brujas caprichosas y hadas desencantadas Josefina Hepp, 12-12-15 De brujas caprichosas y hadas desencantadas presenta dos historias: la de una bruja caprichosa, a quien su vida cambiará para siempre luego de recibir una inesperada invitación a un matrimonio, y la de un hada, que por no haber usado su magia en un máximo de tiempo, está pronta a desaparecer. Ambos arquetipos están contextualizados en el mundo contemporáneo y representan de manera entretenida y con humor problemas e inquietudes que también atañen a los seres humanos del mundo de hoy.

La guerra de las palabras Antonino Martínez Cantos,2017-03-13 La guerra de las palabras es un cuento para niños grandes y pequeños. Con un lenguaje cercano y culto a la vez, con referencias a libros, obras de arte y personajes históricos. El hilo conductor es un supuesto curso de Lengua en que las palabras luchan entre sí por la primacía y descubren que unidas dicen más y mejor...mismamente los seres humanos. El lenguaje es como la metáfora humana por excelencia. Tanto las vivencias en clase como las historietas biográficas que se cuentan, ponen un gracejo escolar, no exento de ternura. Es un libro encantador. El lector, poco a poco, se irá identificando con situaciones iguales o semejantes a las vividas en propia carne y tarde o temprano, la imaginación lo sentará en un pupitre de la clase de don Antonino.

El amante sin domicilio fijo Carlo Fruttero,Franco Lucentini,2024-11-20 Un clásico moderno de las letras italianas Una de las grandes historias de amor de la literatura europea del siglo XX Esta es una historia de amor, una historia veneciana, una historia de tres días acotada por la llegada de un avión y la partida de un barco. En ella, la sombra del equívoco y la resplandeciente mundanidad se dan la mano, la pasión y la sospecha se entrecruzan de continuo. Alrededor de los dos amantes se despliega el laberíntico plano de la ciudad, el juego de los canales, la vaporosa ambigüedad de la laguna. Ella es una noble romana experta en arte antiguo; él, un encantador guía turístico, un misterioso conocedor de todas las lenguas y los secretos de todas las cosas, supremamente irónico y a menudo reticente, alguien que ha visto mucho porque ha vivido mucho... Indagando en la condición errante del hombre, siempre en perfecto equilibrio entre la tragedia y la comedia, Fruttero & Lucentini —desprejuiciados, visionarios, «dos Watson sin Sherlock Holmes», como gustaban definirse, y una de las voces más originales de la literatura italiana del siglo XX— lograron en este clásico indiscutible de la literatura italiana un brillante ejemplo de narración noblemente legible, que disimula su complejidad, pero no oculta su fina ironía, la elegancia de la trama y su sabiduría psicológica. «Esa mezcla de atención, escrupulosidad, precisión y desenfado es quizá lo que más me gusta de esta novela, lo que me ha brindado una alegría tan viva y misteriosa».Natalia Ginzburg «Fruttero & Lucentini abrieron para el público italiano una ventana que daba a lo mejor de la literatura fantástica mundial».El País
