More Precious Than Gold Nanci J. Gravill, 2022-02-04 Have you ever thought that perhaps God wants to do a greater work in your heart instead of just fixing your problems? Or have you ever wanted to know God in a more meaningful way? Well, you can find both the wisdom and truth that you seek in my new book, *More Precious Than Gold*. Filled with thirty unique essays and devotions, my inspiration to write this book came from hearing a doctor talk about how much our culture has changed and the impact it's had on all of us. We Are Never Alone Diane Whitaker, 2024-11-01 Things I wish someone told me sooner: Parents are human. Most people question what the best way is to read the Bible and understand it. Is there a way to use our knowledge so it isn't wasted? Now is the time to find insight and discover the truth of your existence. God approached someone and proclaimed, I am real. Then said, Write me a book about myself. She rejected the request. After thirty years, God presented her with a final test of her faith through an incurable illness. Her faith stayed intact, yet she suffered brain damage. No memory of words, people, and God. Emotions of a five-year-old. God's plan is unfolding as she embarks on a new life, slate wiped clean. God allowed her to gain faith in him on her own accord. She searched for God, and he revealed himself. God once more said, Write a book about me. She agreed. With God as her foundation, he invested a couple of years in nurturing her heart and teaching how he

thinks. She came out completely changed, settled, and at peace. Living like she was already in paradise. God revealed his fundamental concepts that you will eagerly share with your children throughout their lives. Her entire life was orchestrated by God to give you his message. In *We Are Never Alone*, you'll discover. Why we exist on earth The God Talk How to get God's attention Experience God directly Notice God's presence in the lives of his servants, both past and present. You have come to a crossroad. It is your time. What actions do you plan to take? I know God placed this book before you for a reason!

**The Warrior** Rick Calloway, 2019-08-20 It is with great excitement that we publish this devotional. The focus of this devotional is to proclaim that distinctive Christian living is possible in all areas of our life. The ability to live this way is found in a personal relationship with Jesus Christ and by daily trusting and following Him in all we do. It is my prayer that God will use this devotional to fan the flames of your personal commitment to God so that you might be fully surrendered to Him with your life.

**Our Life: Becoming a Masterpiece in the Potter's Hands** Mary White, 2022-08-05 Our journey through life is filled with many challenges and circumstances that test our faith, joy, and peace. Although God knows our flaws and brokenness, He places His hands around our life, molding and making us into the vessel of His design. Our responsibility in that process rests in our total surrenderaEURsubmitting our life to God and allowing Him to live His life through us. Through His grace, we can be conformed and transformed in becoming a masterpiece in the Potter's Hands.

*Politically Correct Moral Autonomy: Christianity Besieged! Stirring the Melting Pot to a Boil* Ferd Wagner, 2022-06-15 On what basis should we accept or reject political or social philosophies that insist human nature, human wisdom and human cooperation have the potential to resolve our issues and problems if we buy into the morality espoused by liberal politics and liberal resolutions? Should we side with progressives who see most people as good, free to self-determine their own standards and will do the right thing if given the opportunity? Or with the right political and social contracts proposed by the "correct" party who see the morality of the liberal government as our correct way of achieving peace and prosperity? Should Christians have a place at the table? The challenge here and in all such debates is what constitutes acceptable moral standards and practices that accurately represent the will of the majority without denying the legal, social and moral rights of the minority? Then the question becomes how to correctly implement those standards. Here, each side should be challenged to present evidence and facts that either refute or prove the posited solutions or reforms can be validated by an acceptable objective authority or unbiased source. At this point, the debate demands proof or corroboration that the authorities being identified are trustworthy and beyond reproach. Is the authority a person, institution, document or charismatic leader and speaker? What evidence or past experiences corroborate their integrity and wisdom in dealing with the issue at hand? If you combine or spread the authority from the four different entities listed above, are you more likely to

get subjective solutions based on human nature and human experience or divine solutions based on Christian theology and practice? One standard will insist that merit, integrity, honor and personal accountability is the better way to create more ethical and harmonious relationships while the other looks more towards fairness, inclusion and equality as the keys to harmony and prosperity. Here is where the rubber hits the road. Can any human, political party or institution claim superiority over all other authorities? If so, which one? In our system of government, a president and in most situations, his political party rules the roost for four years. Often, they dramatically change the moral and ethical atmosphere, refuting the direction of the preceding administration. Our checks and balances are primarily politically manipulated by the party in power and frequently are more rigged than balanced. Should our system be predicated on scriptural truth whose default is ethical accountability across the board or continue down the path where what is politically pragmatic and pluralistic enough to maintain control and power is the default? Political correctness cannot please all the people all the time. Nothing can. Which groups then should get priority; the ethical, accountable, sacrificial individuals and organizations, or the self-serving, you owe me, I deserve it groups who feel entitled to special privileges or rights? Meritocracy or hypocrisy? God's ethics or man's identity politics' morality?

Rethink...For a Change Rick Roepke D. Min, 2019-10-29 Where does anxiety come from? Where do bad behaviors start? Why does fear take over? We might say these things come from our jobs, financial circumstances, or challenging people. All these things can be stressful, but they are not the cause of stress, anxiety, and fear. So, what is? Our thoughts are the cause. When we encounter a situation, our initial thought drives everything. That thought leads to an emotion. The emotion leads to a behavior or action. The behavior or action affects relationships. Then we have the result. The result stems from that first thought. Attempting to change your behavior would be impossible without changing your thoughts. You might change for a week or two, but if you don't change your thought processes, that behavior will come back. In my years as a therapist, I have walked many people through this transformational process into real life-change. Romans 12:2 says, "Do not conform to the pattern of this world, but be transformed by the renewing of your mind." Rethink focuses on replacing harmful mindsets that promote negative emotions like depression, anxiety, fear, and self-loathing with God's truth. Toxic mindsets fuel negative emotions and produce destructive behaviors. We cannot be truly free of toxicity until we transform our thinking.

*A Life God Rewards* Bruce Wilkinson, 2012-04-04 In this book, you're going to discover that God's son Jesus revealed a direct link between what you do today and what you will experience after you die. Astoundingly, the majority of spiritual seekers around the world -- including millions who follow Jesus -- seem to have missed what He said. Could you be one? If so, your picture of the future is missing about a billion stars. Author Bruce Wilkinson shows you what Jesus said about God's plan to reward you in eternity for what you do for Him today. What you'll discover will unlock the mystery of God's power, plan and will for your life. And you'll begin to live with the unshakable certainty that what you do today matters ... forever!

**God, Me and the Enemy (Journey to Freedom Book #2)** Peter Horrobin,2020-02-18 Spiritual warfare--the battle in the unseen realm--affects believers more than we realize. The enemy works relentlessly to undermine our faith and discourage us from advancing. Ellet Ministries founder Peter Horrobin teaches principles that have helped believers all over the world walk in the freedom they long for. And it begins with knowing all three players in this contest of wills: God, me, and the enemy. In this essential book, Horrobin lays a foundation for victorious spiritual warfare through an exploration of God, mankind, and the unseen realm. He equips the saints for battle, helping us accomplish mighty works for the kingdom of God.

*Undivided* Rick Calloway,2015-07-17 *Undivided* is a book specifically written for Christians who desire to live for Christ without any reservation. The book details a biblical plan for what God intended the Christian life to truly be about. When we became Christians, we made the conscious choice to follow God with every aspect of our lives. That decision to follow Christ should be nurtured and protected to keep the world from drawing our hearts away from God. Author Rick Calloway challenges Christians to live with an undivided heart and loyalty toward God. *Undivided* gives clear biblical principles and a road map for keeping our hearts pure toward God. The book is detailed and specific regarding Gods desire that we live with undivided hearts toward him. It also provides a look at how we are to approach our faith, our family, our finances, and the entirety of our lives in relation to Gods plan for our life. *Undivided* will inspire you to raise the standard of what your Christian life should be about. The book also will give you insight and hope into a better way to live our lives. The book establishes that the main desire of every Christian should be, as Matthew 22:37 says, to love the LORD your God with all your heart, all your soul, and all your mind. More than anything, Follow the Leader provides great hope and encouragement for Christians to know that God has great plans in store for them if they will be intentional in committing their lives to him.

*It's Only by the Exhibition of His Grace...* Adrienne Aristil, 2012-05-22 It is not only your efforts that can take you where you want to be. Even though we do our best, we won't be able to meet the requirements of this demanding society. But God can take our incapacity and our humbling efforts and use them for His glory. We just have to trust the Master Architects plan. Sometimes we wrestle with life by trying to do it on our own way, but the real problem is our unwillingness to surrender to God for His plan for our lives. Again, throughout this book, you will read testimonies about different situations of what God can do through His children's lives when they surrender.
