Broadway Musicals Stanley Green, Cary Ginell, 2019-12-15 This updated edition of one of the bestselling and comprehensive Broadway reference books, first published in 1985, has been expanded to include many of the most important and memorable productions of American musical theater, including revivals. Arranged chronologically, beginning with musicals from just after the Civil War, each successive edition of the book has added valuable updates about trends in musical theater as well as capsule features on the most significant musicals of the day. The ninth edition documents important musicals produced since the end of the 2012-2013 season through spring 2019. Broadway Musicals, Show by Show features a wealth of statistics and inside information, plus critical reception, cast lists, pithy commentary about each show, and numerous detailed indexes that no Broadway fan will want to be without. Since its original publication, Broadway Musicals has proved to be an indispensable addition to any Broadway aficionado's library.
