The Eyes of the World James H. Smith, 2021-12-17 The Eyes of the World focuses on the lives and experiences of Eastern Congolese people involved in extracting and transporting the minerals needed for digital devices. The digital devices that, many would argue, define this era exist not only because of Silicon Valley innovations but also because of a burgeoning trade

in dense, artisanally mined substances like tantalum, tin, and tungsten. In the tentatively postwar Eastern DR Congo, where many lives have been reoriented around artisanal mining, these minerals are socially dense, fueling movement and innovative collaborations that encompass diverse actors, geographies, temporalities, and dimensions. Focusing on the miners and traders of some of these “digital minerals,” *The Eyes of the World* examines how Eastern Congolese understand the work in which they are engaged, the forces pitted against them, and the complicated process through which substances in the earth and forest are converted into commodified resources. Smith shows how violent dispossession has fueled a bottom-up social theory that valorizes movement and collaboration—one that directly confronts both private mining companies and the tracking initiatives implemented by international companies aspiring to ensure that the minerals in digital devices are purified of blood.

4 African Mysteries: Zoraida, The Great White Queen, The Eye of Istar & The Veiled Man William Le Queux, 2017-10-06 *Zoraida* is a tale of a romance in the harem and the adventures in the great Sahara desert. *The Great White Queen - Scars* is a young boy who gets sent to a boy's preparatory school outside London where he befriends Omar, a strange kid from Africa. When Omar is called back home by his mother, Scars decides to join him on what he thought it would be a great adventure. *The Eye of Istar - Zafar-Ben-A'Ziz*, called by some El-Motardjim or the translator, has spent a couple of years in London. Upon his return from the land of infidels, Zafar becomes a dervish in the service of Mahdi. *The Veiled Man* is an account of the adventures and misadventures of Sidi Ahamadou, Sheikh of the Azjar Maraude. William Le Queux (1864-1927) was an Anglo-French writer who mainly wrote in the genres of mystery, thriller, and espionage, particularly in the years leading up to World War I. His best-known works are the anti-French and anti-Russian invasion fantasy *The Great War in England* in 1897 and the anti-German invasion fantasy *The Invasion* of 1910.

The Eye of The Dragon John Stone, 2020-12-19 Upon the vast continent of Canazar, the echoes of the ancient war between dragon and mankind linger in the shadows of a murky past. Join Markus upon his quest as he seeks The Eye—a

mystical artifact forged in a time when dragons and mankind were locked in a fierce battle. After long years of imprisonment and torment, the dragon lord's vengeance knew no bounds, following its catastrophic escape that left the land scarred and desperate for salvation that came as The Eye. A creation of unity among wizards of all races, was the only means to quell the dragon lord's fury, a being of immense power whose wrath once scorched the skies and shattered the peace of Canazar. Now, millennia have passed, and the whispers of the past beckon Markus to a destiny intertwined with the very essence of The Eye. His quest is more than a mere adventure; it is a race against the encroaching shadows that threaten to engulf the land once more. With each step, Markus delves deeper into the mysteries of The Eye, the history of Canazar, and the intricate tapestry of his own lineage. As darkness stirs and old foes rise, Markus must confront the reality of his fate. Guided by the wisdom of his mentor and fuelled by the bonds of friendship, he faces trials that test the limits of his courage and the depth of his resolve.

I AM changes who i am Gregg Matte, 2012-04-05 Living the Christian life is not easy, especially in today's culture. To be who and do what God commands, Christians need to recapture the miraculous. Unfortunately, miracles have been left either with cable TV faith healers or tour guides in the Holy Land. That has to change, because it's by seeing what God does that we discover who he is. And knowing who he is and what he does will change who we are and what we do. Pastor Gregg Matte believes that the seven I AM statements and the seven miracles recorded in the Gospel of John can give believers a framework for living God's will. In I AM Changes Who i Am, readers will explore what Jesus says and does and find out what that means for their walk with him.

The Eye of the Storm Jonathan A. Draper, 2003-04-01 One hundred years ago Bishop Colenso was excommunicated because of his liberal critical views on the inspiration and authority of the Bible. But while in South Africa he worked strenuously for social and political reform. 2003 will mark the revocation of his excommunication in a ceremony in South Africa and this book commemorates that event. It is divided into sections on African Culture, Bible, Theology and Social History and contains contribution from English, Dutch and South African scholars. It will appeal not only to the biblical scholar and Christian theologian but also to anyone interested in the 19th century conflict of theology and reason and the struggle against colonial exploitation.
