

The Dagger And The Coin

Daniel Abraham

The Dragon's Path Daniel Abraham, 2011-04-07 Everything I look for in a fantasy. -- George R. R. Martin All paths lead to war. . . Marcus' hero days are behind him. He knows too well that even the smallest war still means somebody's death. When his men are impressed into a doomed army, staying out of a battle he wants no part of requires some unorthodox steps. Cithrin is an orphan, ward of a banking house. Her job is to smuggle a nation's wealth across a war zone, hiding the gold from both sides. She knows the secret life of commerce like a second language, but the strategies of trade will not defend her from swords. Geder, sole scion of a noble house, has more interest in philosophy than in swordplay. A poor excuse for a soldier, he is a pawn in these games. No one can predict what he will become. Falling pebbles can start a landslide. A spat between the Free Cities and the Severed Throne is spiraling out of control. A new player rises from the depths of history, fanning the flames that will sweep the entire region onto The Dragon's Path -- the path to war. The Dagger and the Coin Daniel Abraham, 2011

The King's Blood Daniel Abraham, 2012-05-22 War and madness cast shadows over the lands dragons once ruled. Geder Palliako's star is rising. He is a hero of Antea, protector to the crown prince, and darling of the court. But storms from his past are gathering, and with them, a war that will change everything. Cithrin bel Sarcour founded a powerful bank on stolen wealth, forged papers, and ready blades. Now every move she makes is observed, recorded, and controlled. Unless Cithrin can free herself from her gilded cage, the life she made will be for naught; war may provide just the opportunity she needs. An apostate priest sees the hidden hand behind all: a long-buried secret of the dragon empire threatens everything humanity has built. An age of madness and death approaches, with only a few doomed heroes to stand in its way. The Spider's War Daniel Abraham, 2016-03-08 The epic conclusion to The Dagger and The Coin series, perfect for fans of George R.R. Martin. Lord Regent Geder Palliako's great war has spilled across the world, nation after nation falling before the ancient priesthood and weapon of dragons. But even as conquest follows conquest, the final victory retreats before him like a mirage. Schism and revolt begin to erode the foundations of the empire, and the great conquest threatens to collapse

into a permanent conflict of all against all. In Carse, with armies on all borders, Cithrin bel Sarcour, Marcus Wester, and Clara Kalliam are faced with the impossible task of bringing a lasting peace to the world. Their tools: traitors high in the imperial army, the last survivor of the dragon empire, and a financial scheme that is either a revolution or the greatest fraud in the history of the world. [The Tyrant's Law](#) Daniel Abraham, 2013-05-14 The great war cannot be stopped. The tyrant Geder Palliako had led his nation to war, but every victory has called forth another conflict. Now the greater war spreads out before him, and he is bent on bringing peace. No matter how many people he has to kill to do it. Cithrin bel Sarcour, rogue banker of the Medean Bank, has returned to the fold. Her apprenticeship has placed her in the path of war, but the greater dangers are the ones in her past and in her soul. Widowed and disgraced at the heart of the Empire, Clara Kalliam has become a loyal traitor, defending her nation against itself. And in the shadows of the world, Captain Marcus Wester tracks an ancient secret that will change the war in ways not even he can foresee. [The Nomad's Path](#) Alistair Carr, 2013-10-24 The Manga is one of Africa's most wild and remote regions: a hostile and unforgiving landscape inhabited by nomads. Situated in south-eastern Niger, in the shadow of the Old Salt Road, it has been mislaid by the modern world; no westerner had been seen there in living memory. [The Nomad's Path](#) is a beautifully-rendered account of a journey across this inhospitable region at a time of Tuareg insurgency in 2004 and 2008. Carr sets out to explore the centuries-old link between the Barbary Coast and the Sahel along the Old Salt Road, while conjuring to life a lost wilderness and those who survive within it. At its heart is the story of a daring journey across the Sahel with the Tubu nomads. With tales of rebellion, lost civilisations, explorers - both intrepid and eccentric - and an epic seventeenth-century odyssey, Carr captures a sense of the intangible nature of the Sahel and delivers an evocative portrait of the Tubu - a people living on the tide-line of the Sahara and the edge of the world.

[Dagger and Coin](#) Kathy MacMillan, 2018-10-09 Rich in politics, intrigue, and betrayal, [Dagger and Coin](#) is a complex feminist fantasy featuring a tough and prickly ex-princess that I couldn't help but adore.—Heidi Heilig, author of [The Girl from Everywhere](#) The sequel to [Sword and Verse](#) follows a familiar face—Soraya—as she attempts to rebuild a nation after the downfall of the monarchy. Readers who love Rae Carson and Kristen Cashore won't be able to put this fantasy down. Soraya Gamo was meant to be queen of Qilara, until an Arnath slave rebellion upended the social order and destroyed the capital city. Now, improbably, she sits on the new ruling council beside Mati, Raisa, and Jonis from Book 1, and must work with her former enemies. She finally holds the political power she always wanted—but over a nation in ruins. As she helps to

rebuild Qilara, she can, at last, use what everyone once told her to hide: her brain. But not everyone is ready to accept that the Arnathim are no longer enslaved to the Qilarites. So when a slave ship arrives in the city, full of Arnathim captured before Qilara fell, the civil unrest that has been bubbling since the rebellion erupts. Forced to confront her own prejudices, Soraya struggles to gain the trust of the Arnath people she once disregarded and establish peace in what has become chaos. With the threat of attacks high, Gelti, a former guard captain, trains Soraya in self-defense. As the two grow close, tension within the city ramps up, with danger, betrayal, and deception meeting Soraya everywhere she turns. Friends become foes, adversaries become companions, and the clashing of classes threatens to unravel all the good Soraya has been trying to do. Can Soraya, raised to be a submissive Qilarite lady, learn to be a true leader? Or will the sins of her past forever haunt the footsteps of her future?

The Destruction of the Books Mel Odom,2005-06-13 One hundred years after the events of The Rover, master librarian Edgewick Lamplighter sends his bored halfling apprentice, Jugh, to retrieve an enchanted rare book that sets fire to the Great Library Vault's priceless collection.

The Quest Matthew Chapdelaine,

The Tainted Coin Mel Starr,2013-09-20 'Fans of medieval mysteries will revel in Starr's lively blending of intriguing suspense and telling historical detail.' - Library Journal It is the autumn of 1367. Master Hugh is enjoying the peaceful life of Bampton, when a badly beaten man is found under the porch of St. Andrew's Chapel. The dying man is a chapman - a traveling merchant. Before he is buried in the chapel grounds, an ancient, corroded coin is found in the man's mouth. Master Hugh's quest for the chapman's assailants, and his search for the origin of the coin, makes steady progress - but there are men of wealth and power who wish to halt his search, and an old nemesis, Sir Simon Trillowe, is in league with them. But Master Hugh, and his assistant, the groom Arthur, are determined to uncover the thieves and murderers, and the source of the chapman's coin. They do, but not before they become involved with a kidnapped maiden, a tyrannical abbot, and a suffering monk - who needs Master Hugh's surgical skills and in return provides clues which assist Hugh in solving the mystery of the tainted coin.

The King's Blood Daniel Abraham,2012 War casts its shadow over the lands that the dragons once ruled. Only the courage of a young woman with the mind of a gambler and loyalty to no one stands between hope and universal darkness. The high and powerful will fall, the despised and broken shall rise up and everything will be remade. And an old, broken-hearted warrior and an apostate priest will begin a terrible journey with an impossible goal: destroy a Goddess before she eats the world.

Grab your adventure today with The Complete Golden Threads Trilogy, an essential piece to your fantasy and science fiction collection! Interview with the Author Q - So, what makes the Golden Threads Trilogy special? A - A handful of readers noticed the science fiction elements very early and speculated that my fantasy elements were stealthy science fiction. I did my job if you have to consider 'is that possible for science?' I made this complete series a solid mix of genres. Starting with fantasy and slowly adding in hidden science fiction elements. By the mid-point of the series, the readers enjoy a clear view of both sides of the battle. In this war of wizards and warriors, there are equal elements of fantasy sword & sorcery and science fiction action & adventure. This world has the expected mythical creatures like elves, dragons, orcs and ninjas but with unique twists you will enjoy. I won't spoil the story for you. I designed this complete series to keep building and compelling you to turn the page. I've made sure there's never a dull moment. Q - Are these books safe for teens and tweens? A - Absolutely, there is no explicit details or bad words. Adult subjects are there but dealt with in a tween safe way. I made this complete series a fast, fun-ride for adults and teens to live with wizards and warriors! Each of the books has hit the top ten bestsellers list on Kindle for Fantasy and Science Fiction, which isn't easy. Q - What order should I read the books in? A - Good question. I do not mean these books to be read out of order. I'd recommend the following sequence: Thread Slivers Thread Strands Thread Skein Q - So, why should readers give these books a try? A - Because the Golden Threads Trilogy is a fast, fun-ride that takes you to a wondrous world of wizards and warriors! Each of the books has hit the top ten bestsellers list on Kindle for Fantasy and Science Fiction, which isn't easy. Readers who enjoy epic fantasies with fast-paced fighting,

mysteries, and twisty plots will get a thrill out of this complete series. And thanks for reading! A History of Ancient Rome in Twelve Coins Gareth Harney, 2025-01-14 Hold the glory—and infamy—of ancient Rome in the palm of your hand in this extraordinary and accessible story of history's greatest superpower, as told through humanity's most universal object: the coin. When Gareth Harney was first handed a Roman coin by his father as a child, he became entranced by its beauty, and its unique ability to connect us with the distant past. He soon learned that the Romans saw coins as far more than just currency—these were metal canvases on which they immortalized their sacred gods, mighty emperors, towering monuments, and brutal battles of conquest. Revealed in those intricate designs struck in gold, silver, and bronze was the epic story of the Roman Empire. Now, with his “novel and highly readable” (Philip Matyszak, author of *The Blood-Red Sunset*) voice and engaging research, Harney traces ancient Rome's rise, from a few huts on an Italian hilltop to an all-conquering empire spanning three continents, through the fascinating lives of twelve remarkable coins. A unique and enthralling work of history for experts and casual history buffs.

Cathexis: Conspirator's Coin Philip Blood, 2011-04-17 Cathexis is a four book epic fantasy series. It is high fantasy, based on true good and evil. In the second book, *Conspirator's Coin*, the epic saga of the Ardellen family continues. Much of the world is aligned against them, and they must go through the darkness before reaching the epic conclusion in the fourth and final novel of the Cathexis Series. This second book begins with the forging of a young boy learning to tap the power of his aura, but as the story continues through the series more and more is revealed until everything is wrapped up into a Gordian knot that will all be resolved in the grand climax. Join the Ardellen family on this exciting action packed adventure. Wars, magic battles, ancient evil, alternate planes of existence, horrid creatures and dark plots all tangled in a battle for control of the world. This is high fantasy with the darkest of evil against the purest of good. Love, sacrifice, friendship, revenge, betrayal, and triumph all wrapped up in one massive tale. Come join the Ardellens and experience the world of Cathexis as the story continues to unfold in book two, *Conspirator's Coin*.
