**The Crescent Moon Tearoom** Stacy Sivinski, 2024-10-01 NATIONAL BESTSELLER An “impossibly endearing” (Sarah Penner, New York Times bestselling author) debut novel about three clairvoyant sisters who face an unexpected twist of Fate at the bottom of their own delicate porcelain cups. That is, until the Council of Witches comes calling with news that the city Diviner has lost her powers, and the sisters suddenly find themselves being pulled in different directions. As Anne’s magic begins to develop beyond that of her sisters’, Beatrix’s writing attracts the attention of a publisher, and Violet is enchanted by the song of the circus—and perhaps a mischievous trapeze artist threatening to sweep her off her feet—it seems a family curse that threatens to separate the sisters is taking effect. With dwindling time to rewrite their future and help three other witches challenge their own destinies, the Quigleys set out to bargain with Fate. But in focusing so closely on saving each other, will they lose sight of themselves?

*Spells, Strings and Forgotten Things* Breanne Randall, 2025-03-06 From the New York Times and USA Today bestselling author of *The Unfortunate Side Effects of Heartbreak and Magic* For as long as history can remember, there have been three Petridi sisters. Three sisters whose legacy is to protect the town from dark magic and other covens of ill-intent. For where magic gathers, there will be those who seek to claim it. It's a thankless task for a town that knows nothing of magic, and the price of the sisters' magic is great: memories. The more powerful the magic, the greater the memory required. Luckily, all Calliope Petridi wants to do is forget. Forget her judgmental oldest sister, Thalia, who refuses to do magic because of the cost. Forget how her other sister Eurydice only uses small magic for small memories, yet her spells are still more powerful. Forget about growing up with a grimoire that was more of a parent than their mother or father. Forget about the very cost of her magic. And most of all, forget the way the love of her life shattered her heart two years ago. But something is coming. Something that is slowly fraying the strings of protections that generations of Petridi sisters have put in place... *Charmed* meets *The Notebook*, *SPELLS, STRINGS, AND FORGOTTEN THINGS* is a thrilling tale of magic, sisterhood, and self-discovery.
