The Wife of Martin Guerre Janet Lewis, 1970

*The Return of Martin Guerre* Natalie Zemon Davis, Martin Guerre, Arnault Du Tilh, 1984-10-15 The clever peasant Arnaud du Tilh had almost persuaded the learned judges at the Parlement of Toulouse when, on a summer's day in 1560, a man swaggered into the court on a wooden leg, denounced Arnaud, and reestablished his claim to the identity, property, and wife of Martin Guerre. The astonishing case captured the imagination of the continent. Told and retold over the centuries, the story of Martin Guerre became a legend, still remembered in the Pyrenean village where the impostor was executed more than 400 years ago. Now a noted historian, who served as consultant for a new French film on Martin Guerre, has searched archives and lawbooks to add new dimensions to a tale already abundant in mysteries: we are led to ponder how a common man could become an impostor in the sixteenth century, why Bertrande de Rols, an honorable peasant woman, would accept such a man as her husband, and why lawyers, poets, and men of letters like Montaigne became so fascinated with the episode. Natalie Zemon Davis reconstructs the lives of ordinary people, in a sparkling way that reveals the hidden attachments and sensibilities of nonliterate sixteenth-century villagers. Here we see men and women trying to fashion their identities within a world of traditional ideas about property and family and of changing ideas about religion. We learn what happens when common people get involved in the workings of the criminal courts in the ancien régime, and how judges struggle to decide who a man was in the days before fingerprints and photographs. We sense the secret affinity between the eloquent men of law and the honey-tongued village impostor, a rare identification across class lines. Deftly written to please both the general public and specialists, *The Return of Martin Guerre* will interest those who want to know more about ordinary families and especially women of the past, and about the creation of literary legends. It is also a remarkable psychological narrative about where self-fashioning stops and lying begins.

The Wife of Martin Guerre Janet Lewis, 2013-07-15 In this new edition of Janet Lewis's classic short novel, *The Wife of Martin Guerre*, Swallow Press executive editor Kevin Haworth writes that Lewis's story is "a short novel of astonishing depth and resonance, a sharply drawn historical tale that asks contemporary questions about identity and belonging, about men and women, and about an individual's capacity to act within an inflexible system." Originally published in 1941, *The Wife of*

Martin Guerre has earned the respect and admiration of critics and readers for over sixty years. Based on a notorious trial in sixteenth-century France, this story of Bertrande de Rols is the first of three novels making up Lewis's Cases of Circumstantial Evidence suite (the other two are The Trial of Sören Qvist and The Ghost of Monsieur Scarron). Swallow Press is delighted and honored to offer readers beautiful new editions of all three Cases of Circumstantial Evidence novels, each featuring a new introduction by Kevin Haworth.

**An Analysis of Natalie Zemon Davis's The Return of Martin Guerre** Joseph Tendler,2017-07-05 Few stories are more captivating than the one told by Natalie Zemon Davis in The Return of Martin Guerre. Basing her research on records of a bizarre court case that occurred in 16th-century France, she uses the tale of a missing soldier - whose disappearance threatens the livelihood of his peasant wife - to explore complex social issues. Davis takes rich material - dramatic enough to have been the basis of two major films - and uses it to explore issues of identity, women's role in peasant society, the interior lives of the poor, and the structure of village society, all of them topics that had previously proved difficult for historians to grapple with. Davis displays fine qualities of reasoning throughout - not only in constructing her own narrative, but also in persuading her readers of her point of view. Her work is also a fine example of good interpretation - practically every document in the case needs to be assessed for issues of meaning.

**Erotic Reckonings** Thomas Simmons, 1994 Drawing on classical and feminist psychoanalytic theory, Thomas Simmons argues that mentor-apprentice relationships are inescapably erotic, though not necessarily sexual. Pound and Winters manifest profound conflicts between allegiance to a tradition of knowledge and allegiance to apprentices; both tend to master the apprentice, to bind her to a body of knowledge.

**Equally in God's Image** Julia Bolton Holloway, Constance S. Wright, Joan Bechtold, 1990 Equally in God's Image: Women in the Middle Ages is a volume of essays presenting the argument that with the coming of the universities women were excluded, in an apartheid of gender, from education and power. It discusses the resulting paradigm shift from Romanesque to Gothic, describing the images which women had of themselves and which the dominant male society had of them. We meet, in the pages of this book, medieval women in their roles as writers, pilgrims, wives, anchoresses and nuns, at court, on pilgrimage, in households and convents. The volume, as a «Distant Mirror» for ourselves today, seeks to present ways in which women then fulfilled the roles society expected of them and the ways in which they also subverted - through entering into textuality - the expectations of the dominating culture in order to quest identity and equality.
