A.R. Dragonfly Vol. 9 Joshua Piedra,2023-05-04 Change is inevitable in all things. When it does happen, you are given two options: either change with it or watch the world change as you get left behind. For Kaito and Amber, change comes to them in the form of an exciting opportunity... an opportunity that also extends itself to Sebastian and Things N' Stuff.

A Prophet with Honor William Martin,2018-02-21 A Prophet with Honor is the biography Billy Graham himself invited and appreciated for its sympathetic but frank approach. Carefully documented, eminently fair, and gracefully written, it raises and answers key questions about Graham's character, contributions, and influence on the world religious scene. In this engaging and comprehensive book, William Martin gives readers a better understanding of the most successful evangelist in modern history, and the movement he led for over fifty years. A Prophet with Honor makes a vital contribution to the Billy Graham legacy and allows us to understand why his words, actions, and personality endeared him to popes and preachers, kings and presidents, and millions of Christians in virtually every nation and culture around the world. Martin draws on extensive conversations with Graham himself nearly two hundred interviews previously untouched resources, including documents from six presidential libraries and the Billy Graham Evangelistic Association archives personal observation of

Graham's crusades and conferences in the United States and Europe decades of research on evangelical Christianity Martin pays particular attention to Graham's controversial relationships with Presidents Lyndon Johnson and Richard Nixon. He also describes how Graham's lifelong determination to do something great for God led him to organize international conferences that spearheaded the worldwide spread of the liberating message of Jesus, and prompted him to help strengthen religious freedom in the Soviet bloc and China. Tracing Graham's life and ministry from his rural and religious roots in North Carolina to his place as the elder statesman of American evangelicalism, examining both his triumphs and his tribulations, Martin shows the multidimensional character of the man who has become one of the most admired persons in the world.

Cage Kings Michael Thomsen,2023-06-20 A “propulsive and wildly engrossing” (Brad Stone, author of *The Everything Store*) account of how the UFC turned mixed martial arts into a multibillion-dollar business and global pop culture phenomenon. Decried as “human cockfighting” by Senator John McCain and dismissed by the *New York Times* as a “pay-per-view prism” onto the decline of Western civilization, the UFC seemed by 2000 to be bleeding out. The cage fighting promotion had been banned in thirty-six states and was struggling to cover production costs for its next event. But three buddies in Las Vegas—an ambitious personal trainer and two young casino heirs—saw something else in the UFC: a vision of the future. Over the next two decades, the trio would transform the company into one of the most valuable sports properties in the world, worth more than the Beatles catalog or the *New York Yankees*. And along the way, they would also transform the lives of some of the sport’s biggest stars, both for better and worse. A “captivating” (Christopher Leonard, author of *The Lords of Easy Money*) behind-the-scenes account of a once-reviled subculture’s strange path to pop legitimacy, *Cage Kings* embeds you in a world of desperate fighters, audacious promoters, fanboy bloggers, fatherly trainers, philosophical announcers, hustling sponsors, and three improbable twentysomething corporate titans on a darkly comic odyssey to normalize a new level of brutality in American pop culture—and make a fortune doing so. For in an era of generational poverty, eroding labor rights, radical media transformations, simmering political grievances, and an obsession with winning at any cost, the spectacle of two people fighting in a cage for another few months’ wages suddenly seemed to make sense. Stylishly written and poignantly observed, this “must-read for fans and the simply curious alike” (Matthew Polly, author of *American Shaolin*) offers a provocative look at how the hollowing out of the American dream and the violence of modern capitalism left us ready to embrace a sport like cage fighting.

Such Good People Amy Blumenfeld, 2025-07-08 An emotionally gripping, character-driven novel about the ripple effect of a split-second decision to protect a friend. A PEOPLE MAGAZINE MOST ANTICIPATED BOOK OF 2025 | A FORBES MAGAZINE PICK OF 2025 “A poignant story of love, loss, loyalty, and being torn between right and wrong. You won’t be able to put this one down.”—Emily Liebert, USA Today best-selling author of *Pretty Revenge* “One of those multi-dimensional must-reads that wins both as a page-turning legal story about social injustice, prejudice and redemption, and an emotional character-driven tale of love, family, and lifelong friendship. Fans of Tayari Jones’s *An American Marriage*, Rebecca Searles’ *In Five Years*, and Allison Larkin’s *The People We Keep* will devour Amy Blumenfeld’s latest triumph. *Such Good People* is Such a Good Book!”—Samantha Greene Woodruff, author of *The Lobotomist’s Wife* and *The Trade Off* It’s 10 p.m. on a Thursday in the spring of her freshman year of college, and April is standing at the back of a crowded Manhattan bar waiting for her friend, Rudy, to arrive. Their eyes lock the moment he enters the room, and in an instant, lives and legacies are altered forever. Within hours, Rudy is arrested. Within days, April is expelled. Within weeks, he’s incarcerated. And within months, she meets Peter, a prodigious young attorney who makes her world recognizable again. Nearly fifteen years later, April is happily living in Chicago married to Peter, a mother of three with a fulfilling career and standing yoga date with her girlfriends. On the eve of Peter’s election for local office, Rudy is up for parole. Headlines explode about April’s past, jeopardizing Peter’s campaign and everything they hold dear. Suddenly, April is faced with an impossible choice: protecting the life she created, or the person who sacrificed everything to make that life a possibility. *Such Good People* is a captivating portrait of blurred lines, divided loyalties, and what it means to love purely, steadfastly, and interminably.
