8 Days for Salvation Yolanda Olson, 2016-08-31 Content Advisory: The following story contains moments that may make readers uncomfortable and is for mature audiences only. Scenes of violence, gore, forced cannibalism, and explicit sexual acts are described in detail, and may lead moments of intense anxiety for those sensitive to these subjects. For these reasons, reader discretion is highly advised. I don't know where I am. I'm the last of nine. He calls me Faith, because he said that faith is blind. That's how he justified taking my eyes. See No Evil. That's the role I play here. If you can hear me. If you can see me. My name is Ione Winslow. PLEASE HELP.

Psalm CXXV to CL Charles Haddon Spurgeon, 1886

The Bible and Science Eddie D. Leach, Ph. D, 2014-10-02 The author has been a Christian since his youth. Upon discovering a love for science in grade school, he pursued that interest throughout his entire life. Sadly, he found disagreement and conflict between the Christian only and Science only viewpoints. Since he was both a Christian and a scientist, he had to resolve in his mind these differences for his own spiritual and scientific well being. For more than sixty years, he has carefully formulated the words and concepts in this book that he hopes and prays will help others reach an understanding that both the Bible and the discoveries in science are true and reconcilable. God does not lie to us or mislead us. God is responsible for both His Bible and His Creation. Thus, any conflicts we find in the study of these two revelations from God result from our inability to interpret and understand properly either one or the other, or some of each. To more fully understand God, one must study both God's words (the Bible) and the scientific discoveries of the footprints and fingerprints He left during the creation process that we are now able to find and interpret. We must correlate His words and His works to more fully understand Him. We must always be aware that our first impressions may not be entirely correct and that we must always continue to compare all our findings and interpretations with each other in an effort to seek and achieve the greater truth.

My Road to Redemption Jonathan, 2014 This book is more than just a reflection on my life, I recognized that many people are struggling with the same burning questions and are making the same mistakes in their lives as what I did. I needed to find out what my purpose on earth was, why I have been unhappy for many years, The idea came to write this

book, maybe, I could help somebody discover themselves the way I have and understand that I have already paid for my mistakes, no need to make the same mistakes again, If this book can help to turn just one to God with love, then all was worth it for me. I truly discovered what I have been missing all my life and the fool I have become. I discovered happiness, acceptance and true peace and attempts to show the way here. This is not a quick fix it book, however, if my words resonates in your heart, you will follow the word of God because you want to and come to understand your purpose on this earth. The story includes the future of South Africa, although Britain and America is just mentioned in passing, their respective futures are the same.

The Mark of the Beast; Coming Soon to a Church Near You Martin Miranda,2016-07-08 Since the book of Revelation was written, millions of sincere Christians have shown great interest in knowing the true interpretation of the passage registered in verses 16 to 18 of the 13th chapter of Revelation. It is said in that passage that a mark will be placed on the right hand or forehead of the inhabitants of the world. Due to erroneous interpretations, there are millions of people today that are very worried because they would not be able, according to the Scripture, to buy or sell unless they submit themselves to the authority inspired and directed by Satan.

The King in His Beauty Thomas R. Schreiner,2013-07-15 Thomas Schreiner, a respected scholar and a trusted voice for many students and pastors, offers a substantial and accessibly written overview of the whole Bible. He traces the storyline of the scriptures from the standpoint of biblical theology, examining the overarching message that is conveyed throughout. Schreiner emphasizes three interrelated and unified themes that stand out in the biblical narrative: God as Lord, human beings as those who are made in God's image, and the land or place in which God's rule is exercised. The goal of God's kingdom is to see the king in his beauty and to be enraptured in his glory.
