Open Water Caleb Azumah Nelson, 2021-04-13 WINNER OF THE COSTA FIRST NOVEL AWARD A NATIONAL BOOK FOUNDATION 5 UNDER 35 WINNER OF THE BRITISH BOOK AWARD FOR DEBUT FICTION "Open Water is tender poetry, a love song to Black art and thought, an exploration of intimacy and vulnerability between two young artists learning to be soft with each other in a world that hardens against Black people."—Yaa Gyasi, author of *Homegoing* In a crowded London pub, two young people meet. Both are Black British, both won scholarships to private schools where they struggled to belong, both are now artists—he a photographer, she a dancer—and both are trying to make their mark in a world that by turns celebrates and rejects them. Tentatively, tenderly, they fall in love. But two people who seem destined to be together can still be torn apart by fear and violence, and over the course of a year they find their relationship tested by forces beyond their control. Narrated with deep intimacy, *Open Water* is at once an achingly beautiful love story and a potent insight into race and masculinity that asks what it means to be a person in a world that sees you only as a Black body; to be vulnerable when you are only respected for strength; to find safety in love, only to lose it. With gorgeous, soulful intensity, and blistering emotional intelligence, Caleb Azumah Nelson gives a profoundly sensitive portrait of romantic love in all its feverish waves and comforting beauty. This is one of the most essential debut novels of recent years, heralding the arrival of a stellar and prodigious young talent.

The town of Bliss, Colorado, offered Hope McLean a second chance at life, a gift she cherishes every day. Everything to Nothing Mark Henthorne, 2012-01-26 A contemporary novel charting the rise and decline of relationships set in a modern Britain; relationships set against the lives and privilege of the mega rich to the despair of down and outs. As

the relationships develop between Sally and David, Michelle and Simon, contrasted with Sarah's destructive drug fuelled affair with Peter, Sally's privileged upbringing and relationship with her father is scrutinised. The power of great wealth is set against the ordinariness of the other characters' backgrounds. The heart of the book however highlights the ongoing and unstoppable repercussions of Peter's actions. He is a hard, greedy and unfeeling man. As a direct result of Peter's actions and manipulation of a vulnerable Sarah, there is a later breakdown of David and Sally's relationship and the disintegration of the friendship between Sally and Michelle. The book boldly ends with a series of tragedies. This novel certainly engages with the reader and leaves us wanting more.

It's The End of the World and I'm In My Bathing Suit Justin A. Reynolds, 2022-04-05 A hilarious new middle-grade from Justin A. Reynolds that asks: What happens when five unsupervised kids face the apocalypse under outrageously silly circumstances? Twelve-year-old Eddie Gordon Holloway has concocted his most genius plan ever to avoid chores... especially the dreaded L-A-U-N-D-R-Y. If he can wear all the clothes he owns, he'll only have to do the laundry once during his school break. On the day of the highly anticipated Beach Bash, Eddie's monstrous pile of dirty laundry is found by his mom. And Eddie's day has just taken a turn for the worst. Now he's stuck at home by himself, missing the bash, and doing his whole pile of laundry. But mid-cycle, the power goes out! With his first load of laundry wet and the rest of his stuff still filthy, he sets out to explore the seemingly empty neighborhood in his glow-in-the-dark swim trunks, flip-flops, and a beach towel. He soon meets up with other neighborhood kids: newcomer Xavier (who was mid-haircut and has half his head shaved), Eddie's former friend Sonia (who has spent her entire break trying to beat a video game and was mid-battle with the final boss), and siblings Trey and Sage (who are dealing with major sibling drama). As they group up to cover more ground and find out what

happened, they realize that their families aren't coming back anytime soon. And as night falls, the crew realizes that they aren't just the only people left in the neighborhood, they might be the only people left... anywhere.

The Dark Hours of the Night Salma ., 2025-08-08 Rabia is growing up in a conservative family in Tamil Nadu. She is subject to all the restrictions that young girls in conservative families experience, and looking forward, with some nervous excitement, to all the changes that puberty may bring to her life. She does what all teens do—sneaks off to see a movie with friends, plays till the cows come home, and shares everything with her best friend, Mathina. Except the news of her Firdaus Chitti's failed marriage. But the family is already gearing up for another wedding. Rabia doesn't like the man chosen for Wahida Akka, though she dares not say a word. When people talk to her about one of the boys, Ahmad, as her chosen one, she is overcome by confusion. Does this mean she'll have to confine herself to her home now? Amid all this, a family secret is unearthed, threatening to undo them all. Will Rabia be able to complete her education? Will the joint family survive the pressures of the world? Will patriarchy be unyielding even when men going out of town and country change their lifestyles and partners with ease? In this masterful translation of Salma's first novel, *Irandaam Jaamangalin Kathai* (2004) the author weaves together the story of Rabia, her friends, and her cousin, Wahida, in a world dominated by men, fighting their rebellions, making compromises, finding friendships and love, and living with the dull ache of desire.

Swan Quarter Milton Smith, 2022-11-03 Matthew was eight when the murder occurred, and although he did not witness it, he did believe he knew who the murderer was. So began a saga that would lead him into depression, memory loss, and an inability to cope with others. With only a few of his childhood friends still with him, Matthew and they ventured through puberty, World War II, and all the adventures that came with living in a small fishing village on the North Carolina coast. As the war years drew to a close, Matthew's mother decided it was time to put him in new surroundings, and with his depression and memory loss in tow, they moved to a new small town sixty miles inland from the coast. After entering manhood, Matthew's depression seemed to subside, but it left a mark that he could never quite overcome. Eventually, the memory of what happened in Swan Quarter came roaring back, eating away at him, demanding an answer, an answer that may or may

not exist.

Immortal Dark Tigist Girma, 2024-09-03 The Cruel Prince meets Ninth House in this dangerously romantic dark academia fantasy, where a lost heiress must infiltrate an arcane society and live with the vampire she suspects killed her family and kidnapped her sister. It began long before my time, but something has always hunted our family. Orphaned heiress Kidan Adane grew up far from the elusive society of vampires she was born into, where human bloodlines gain power through vampire companionship. She is obsessively protective, mildly nihilistic, and willing to do anything to save her loved ones. When her sister, June, disappears, Kidan is convinced a vampire stole her—the same vampire bound to her family bloodline, the cruel yet captivating Susenyos Sagad. To find June, Kidan must infiltrate the elite Uxlay University—where students study to inherit their family fortune and select vampire companions. Kidan must study an arcane philosophy, work with four enigmatic students, and survive living with Susenyos—even as he does everything to drive her away. It doesn't matter that Susenyos's wickedness speaks to Kidan's own violent nature and tempts her to surrender to a life of darkness. She must find her sister and kill Susenyos at all costs. When a murder mirroring June's disappearance shakes Uxlay, Kidan sinks further into the ruthless underworld of vampires, risking her very soul. There she discovers a centuries-old threat. And June could be at the center of it. To save her sister, Kidan must bring Uxlay to its knees and either break free from the horrors of her own actions or embrace the dark entanglements of love—and the blood it requires.
