The Chönyi Bardo James Qualls, G.A. Sarna, 2026-01-20 The Chönyi Bardo The Chönyi Bardo is from an ancient text called the 'Tibetan Book of the Dead.' It's a guidebook to the afterlife and what happens. 'It is within this Bardo that visions and auditory phenomena occur.' Synchronicities occur more frequently, and your soul starts prepping to leave. A change happens when we begin to recognize the truth behind rebirth. We gear up to leave, and the universe guides us onto the next phase. We're going to spend the next thirty years discovering why it chose us to make the jump back to forever. The Chönyi Bardo is the third book in the 'Soulmate Discovery Series.' I close my eyes, imagine you, and write. I have lived my whole love life that way. I have only known passion like this with you. So yes, I have lived the entirety of this love life that way. I rise every morning and stare readily upon Venus. She sits directly outside my window. Between the streetlights and the flat Florida landscape, she is almost the only thing in the sky I can see. It seems appropriate that it be her. You have been, and continue to be, the brightest part of my life. I know things are tough, and they are going to get tougher; that's why we were offered to leave this existence for paradise. But I am going to kiss you first if I have to crawl through Hell. Good morning, my beautiful better half. How was your night? Smile and accept that I love you more than you will ever know. ~ Excerpt from 'A Wish Fulfilled'

Consolation Prize Linda Kage, 2019-12-17 Don't you just hate it when someone destroys all your carefully made plans? I mean, I had goals: college to graduate in one semester, a future I was working hard to reach, and an image of myself I wanted the world to see. My life was stacked into these precisely placed blocks. But then Colton Gamble came along and

knocked them all askew. I hated how he messed everything up, how he could hog all my attention whenever he was around, how he made my pulse quicken—but only because he ticked me off...not because I was attracted to him. Oh! And I hated how he knew how attractive he was too, the shallow, full of himself, doesn't take no for an answer, too flirty, too cocky, extremely irritating jerk. The boy had all the qualities that turned me off. Or so I thought. One night he wasn't quite the brainless, overconfident jerk I assumed he always was. One night, he took care of me when I was at my lowest. He opened up to me and made me open up to him. Now I'm learning maybe he's not what I first thought he was. And maybe I'M not what I first thought I was. Maybe it's okay to rearrange a couple of my perfectly set blocks. Maybe, just maybe, I'll stop worrying about what I'm afraid everyone else will think and finally reach for something I really want. It's possible some of my plans need to be destroyed, and Colton Gamble is exactly the kind of mess I need in my life. What do you think? Should I give him a try? Desperately seeking your advice, Julianna Radcliffe

Passport to Fame Huw Prall, 2024-05-28 Britain's answer to Marilyn Monroe. This tag was to hang around Diana Dors' neck during the 1950s. As Diana would often point out she had been working professionally a lot longer than Monroe. Her first appearance was in 1946 in *The Shop at Sly Corner*, while still a student at the London Academy of Music and Dramatic Art. Diana, like Marilyn, was blonde, curvy and sexy, but that's where the comparison ended. Her range as an actress encompassed everything from comedy to Greek tragedy. She was a real person – a quality that endeared her to the public, but above all, she was a survivor. Diana was also a talented writer compiling two autobiographies of herself, as well as her three A - Z books. Diana had a prolific career covering every facet of the entertainment industry - theatre, cabaret, film and TV. *Passport to Fame* is a comprehensive study of Diana's work across her 40 years of filmmaking. The book is also an invaluable source of reference to the film-buff interested in the changing face of the film industry.

Kool-Aid and Cariboo Stew Verena Berger, 2011-10-27 Verena Berger lives the typical European twentieth century immigrant dream. In 1979, she and her husband, Willy, moved - speaking little to no English - from a densely populated Switzerland to Central British Columbia. Verena's collection of creative non-fiction writings include their experiences as new Canadians living on a remote rural property - where they accumulated a yard full of goats and pigs before building a fence, and had children before running water - and other comical ESL (English as a second language) situations. Immigrants as well as second or third-generation Canadians will relate to these humorous and heartwarming recollections.

I Love You More Than You Know Jonathan Ames,2007-12-01 “Utterly delightful” essays from the creator of the HBO’s *Bored to Death* reveal intimate details of his life as a famously neurotic New York writer (Brendan Halpin, Los Angeles Times). Jonathan Ames has drawn comparisons across the literary spectrum, from David Sedaris to F. Scott Fitzgerald to P.G. Wodehouse, and his books, as well as his abilities as a performer, have made him a favorite on the Late Show with David Letterman. Whether he’s chasing deranged cockroaches around his apartment, kissing a beautiful actress on the set of an avant-garde film, finding himself stuck perilously on top of a fence in the middle of the night in Memphis, or provoking fights with huge German men, Jonathan Ames has an uncanny knack for getting himself into outlandish situations. In *I Love You More Than You Know*, Ames once again turns his own adventures, neuroses, joys, heartaches, and insights into profound and hilarious tales. Alive with love and tenderness for his son, his parents, his great-aunt—and even strangers in bars—Ames looks beneath the surface of our world to find the beauty in the perverse, the sweetness in loneliness, and the humor in pain in essays that are “both poignant and silly—an irresistible mix” (John Dicker, Philadelphia Weekly).

Standing in the Sun Nancy Brown Perrini,2005 In the context of one’s lifetime, the journey was a momentary fragment, but the experience was all-consuming. Then suddenly, I was catapulted from a life of great joy into the depths of despair. The pain, the loss, and the grief were incomprehensible. Acceptance and transformation emerged slowly. Beautiful memories and my faith in God and the human spirit gave me the courage to pull myself together, explore new opportunities, and begin again. These pages recall the journey, with all the joys, the sorrows, and the dreams coming full circle. *Standing in the Sun* recounts how I survived loss, transcended grief, and learned to embrace life once again. It is written with the hope of helping families cope through critical illness and loss of a loved one, and for those who are struggling to get their life back on track. I wish readers the faith, the love, and the audacity to envelope the mystery of life. And, may you enjoy the reading as much as I have savored the writing of these words.

Letters to and from a Christian Mother and More Silas Dobbs McCaslin,2011-10 Ethics, morals, and society in general have been spiraling downward for more than 50 years. Life simply was different up through the 1940s and the decade that followed. Christian thought today is discredited on the university campus, and traditional Christian piety now is viewed by the majority of the public as old fashioned. Postmodernism has become entrenched. In Christian circles, the question often is asked: How does the unbeliever cope? As believing Christians, we know that the Word of God provides all of the answers. Perhaps *LETTERS TO AND FROM A CHRISTIAN MOTHER AND MORE* will be of some assistance to both the

believer and the unbeliever, who as the parent of a young child or children, or of young adult children, must advise and counsel that child as they navigate through their religious, social, and academic decisions. Dr. Terry L. Johnson stated that the letters are remarkable and show clearly what a devout and accomplished woman your mother was...They are wise and devotionally rich, and may deserve a wider readership. (From the Preface). Dr. Johnson continued: Their literary quality was outstanding. More importantly, they were filled with sound, shrewd, bold, Biblical counsel for her boys, particularly in the years between the beginning of college and the birth of Si and Suzanne's first child, Carey. I wanted to read more and became convinced that others, particularly parents, could benefit from hearing the strong counsel of a Christian mother to her beloved sons. (From the Foreword).

Just Jen Jen Powley, 2017-05-04T00:00:00Z Jen Powley was diagnosed with multiple sclerosis at fifteen. By thirty-five, she had lost the use of her arms and legs. Just Jen is a powerful memoir that tells the story of Powley's life at the time of her diagnosis, and the infinite, irrevocable ways it has changed since. Powley's writing pulls no punches. She is lively, bold and unapologetic, answering questions people are often afraid to ask about living with a progressive disease. And yet, these snapshots from Powley's life are not tinged with anger or despair. Just Jen is a powerful, uplifting and unforgettable work by an author who has laid her life — and her body — bare in order to survive.
