**Love in the Time of Ethnography** Lucinda Carspecken, 2017-11-15 *Love in the Time of Ethnography* explores love – variously defined – as an important facet of human life and a worthy focus of study. The authors look at love in association with an Alevi and Sunni couple in Turkey, organizers of Mexican American and immigrant youth movements, Christian missionaries in China, an elderly man with dementia, two women “coming home” to queer identity, a White researcher working with Black women in the US, the common ground between Dogen’s Zen teachings and Habermas’s critical theory, an Albanian Sufi community in Michigan and interactions between humans and the natural world. It also includes theoretical writing on the place of love in social analysis, whether this involves relationships between researchers and participants or the nature of human connection itself. The authors argue that social research is an affective process as well as a cognitive one, and that fellow feeling is an essential component of making sense of the world. Along with more traditional scholarly forms, the contributors to this book use auto-ethnography, life stories, archival research and poetry, noting that style itself conveys information and emotion. Writing is always to some extent partisan. While anthropologists and other social researchers have explored this idea over the last few decades, they have more often explored it with an eye to critique than to the ideals underlying that critique. This is a collection of essays about what ethnographers are aiming for as well as the problems they address, and the authors discuss ethical principles like *agape*, *hizmet* and *cariño* as rationales for ethnography and rationales for social change.

**Melancholy, Love, and Time** Peter G. Toohey, 2010-03-11 Ancient literature features many powerful narratives of madness, depression, melancholy, lovesickness, simple boredom, and the effects of such psychological states upon individual sufferers. Peter Toohey turns his attention to representations of these emotional states in the Classical, Hellenistic, and especially the Roman imperial periods in a study that illuminates the cultural and aesthetic significance of this emotionally charged literature. His probing analysis shows that a shifting representation of these afflicted states, and the concomitant sense of isolation from one’s social affinities and surroundings, manifests a developing sense of the self and self-consciousness in the ancient world. This book makes important contributions to a variety of disciplines including classical studies, comparative literature, literary and art history, history of medicine, history of emotions, psychiatry, and psychology. Peter Toohey is Professor and Department Head of Greek and Roman Studies at the University of Calgary, Canada.

*Time, Love & Dumbshit* Vamshi Chaithanya Vuppala, 2025-05-22 A guy, lost in himself, ready to give up- until someone pulls him back. A girl, a wild ride, and a truth so raw, it's almost sexy af. What are they? Time's about to tell, sometimes false, mostly truth! This isn't just a rom-com love story. This is a story about fate screwing people over, about time bending in ways it shouldn't, about love that's complicated and messy. One second, you're caught in the warmth of romance, and the next, you're knee-deep in scams, gangsters, and betrayals that hit like a sucker punch. There's tragedy. There's mystery. There's the kind of heartbreak that lingers. And through it all, there's the question-can you really change destiny, or does it always come back for you? What if the past isn't as it seems? What if the future is already written? And what if love itself is the biggest lie of all? HALF WAY STOP STORY IT IS' TL;DR: A boy, lost in himself. A love story that shouldn't have happened. This isn't a fairy tale. It's messy, painful, dumb, and real. If you've ever been the one who cared too much — this one's for you. Read *Time, Love & Dumbshit* — Part 1 of a story that'll live in your head rent-free.

*I Had a Nice Time And Other Lies...* Betches, 2017-04-11 The New York Times bestselling authors of *Nice Is Just a Place in France* and *When's Happy Hour?* and creators of the online humor and advice phenomenon Betches.com and Instagram account @Betches explain the brutal truths of how to date like a true betch, with insights from the Head Pro. In the age of Tinder, Hinge, or any other dating app that matches you with randos, the dating game has grown complex and confusing. Cue the Betches—first, we helped you win at basically everything, and now we're going to help you win the most important battle a betch can face: dating. Maybe you're a Delusional Dater who needs to get in touch with reality (seriously, he's just NOT that f\*\*\*ing into you) or perhaps you're a TGF who needs to stop being so desperate and start playing the game. Or maybe you're just tired of swiping left and ready for the pro of your dreams to put a 15-karat diamond ring on it so you can stop pretending to do work. Either way, we've got you covered. So put away the Ben & Jerry's fro-yo (just because it's low fat doesn't mean it's okay to eat the whole tub) and start dating like a winner.

*I Only Have Time to Love You on Sunday* De Hage Minner, 2024-12-04 She's got style, a witty sense of humor, and a winning smile! But of course-she's Angie! Parents all have certain goals in common when it comes to success in parenting-to prepare a child for a loving and fulfilling life of independence and choice. With humor, compassion, and love, De Minner tells the story of raising their son and daughter with her husband Bob, through all the trials and tribulations seen with nearly every child, including some special twists required to navigate unforeseen challenges and overcome the stigmas of raising a child with Down syndrome. The outcome from this connected and caring family environment is by anyone's definition a true success! Angela Marie, an individual born with Down syndrome received all the care and guidance to create that success. She and her younger brother, Joe had a great childhood peppered with the usual rivalries, companionship, and milestones, along with many more adventures and misadventures most of us would never encounter. Angie is an adult with room in her

heart for plenty of love, generosity, and simple pleasures along with an amazing talent for subtle and not-so subtle humor. De quotes her husband Bob, Before she was born, I prayed for a perfect child. It took me a while to realize we got exactly what I asked for.

*Love in a Time of Fear* Cassie J. E. H. Trentaz, 2018-08-29 How do we love people who we are afraid of? The political climate of the US in recent years has revealed significant divisions in our nation and our neighborhoods, divisions often fueled by fear. For those who follow a call and commitment to love our neighbors, how do we love in the midst of this fear? In this book, Cassie Trentaz looks that question in the eyes and asks her friends and neighbors in four communities currently facing pressure and often viewed with suspicion—immigrants, Muslim Americans, LGBTQ+ people, and young African American men—what feels like love to them and, alternatively, what does not. Trentaz brings their honest, heartfelt responses in their own words, helping us to know people we might not know and bringing us powerful stories of offerings of love that were received as love as well as stories of good intentions that missed their mark. She then offers us tools to help us act on what we hear. This book is both an invitation and a toolbox for listening. It takes love from a good idea to a concrete force that can speak to our fears, reach across divisions, and just might heal our world. **Love in a Dark Time** Colm Toibin, 2004-06-02 Colm Tóibín knows the languages of the outsider, the secret keeper, the gay man or woman. He knows the covert and overt language of homosexuality in literature. In *Love in a Dark Time*, he also describes the solace of finding like-minded companions through reading. Colm Tóibín examines the life and work of some of the greatest and most influential writers of the past two centuries, figures whose homosexuality remained hidden or oblique for much of their lives, either by choice or necessity. The larger world couldn't know about their sexuality, but in their private lives, and in the spirit of their work, the laws of desire defined their expression. This is an intimate encounter with Mann, Baldwin, Bishop, and with the contemporary poets Thom Gunn and Mark Doty. Through their work, Tóibín is able to come to terms with his own inner desires—his interest in secret erotic energy, his admiration for courageous figures, and his abiding fascination with sadness and tragedy. Tóibín looks both at writers forced to disguise their true experience on the page and at readers who find solace and sexual identity by reading between the lines.

**Love in a Time of War** Lara Marlowe, 2021-10-28 The Irish Times bestseller 'A gripping tale of savagery and courage' Noam Chomsky 'Fascinating and captivating' Irish Times 'A beautiful book... Full of pain and longing but also joy, adventure, and excitement' Janine di Giovanni 'A superb account of the life and work of the best reporter I have ever known' Patrick Cockburn When Lara Marlowe met Robert Fisk in 1983 in Damascus, he was already a famous war correspondent. She was a young American reporter who would become a renowned journalist in her own right. For the next twenty years, they were lovers, husband and wife and friends, occasionally angry and estranged from one another, but ultimately reconciled. They learned from each other and from the people in the ruined world they reported from: Lebanon, torn apart by a vicious civil war as well as Israeli and Syrian occupations; Iran, where they were the only journalists to interview the Middle East's chief hostage-taker and dispatcher of suicide bombers; the Islamist revolt that claimed up to 200,000 lives in Algeria; the disintegration of former Yugoslavia and two US-led wars on Iraq. This is at once a portrait of a remarkable man, the story of a Middle East broken by its own divisions and outside powers, and a moving account of a relationship in dark times.

**Love in the Time of Contagion** Laura Kipnis, 2022-02-08 In this timely, insightful, and darkly funny investigation, the acclaimed author of *Against Love* asks: what does living in dystopic times do to our ability to love each other and the world? COVID-19 has produced new taxonomies of love, intimacy, and vulnerability. Will its cultural afterlife be as lasting as that of HIV, which reshaped consciousness about sex and love even after AIDS itself had been beaten back by medical science? Will COVID end up making us more relationally conservative, as some think HIV did within gay culture? Will it send us fleeing into emotional silos or coupled cocoons, despite the fact that, pre-COVID, domestic coupledness had been steadily losing fans? Just as COVID revealed our nation to itself, so did it hold a mirror up to our relationships. In *Love in the Time of Contagion*, Laura Kipnis weaves (often hilariously) her own (ambivalent) coupled lockdown experiences together with those of others and sets them against a larger backdrop: the politics of the virus, economic disparities, changing gender relations, and the ongoing institutional crack-ups prompted by #MeToo and Black Lives Matter, mapping their effects on the everyday routines and occasional solaces of love and sex.

Time to Let Go, My Love Nagi, This is the book 2 of *Time to Let Go, My Love*. When Madora comes back after a decade, she doesn't expect to find her old group of friends in such a state. She also doesn't expect the mixed reactions she and her child receive. But she's here now after ten long years and it's finally time to heal. For all of them. It's finally time to let go, even if it means they have to go through hell to get there. Can they? Are they going to build a bridge over ten years of radio

silence? Will, they re-open the old wounds together in order to help each other heal, rightly this time? Only time can tell.
