

T Kingfisher Paladin Series

Mur Lafferty

Paladin's Grace T. Kingfisher, 2023-09 Stephen's god died on the longest day of the year. Three years later, Stephen is a broken paladin, living only for the chance to be useful before he dies. But all that changes when he encounters a fugitive named Grace in an alley and witnesses an assassination attempt gone wrong. Now the pair must navigate a web of treachery, beset on all sides by spies and poisoners, while a cryptic killer stalks one step behind. From the Hugo and Nebula Award winning author of *Swordheart* and *The Twisted Ones* comes a saga of murder, magic, and love on the far side of despair.

Paladin's Hope T. Kingfisher, 2021-10-09 Piper is a lich-doctor, a physician who works among the dead, determining causes of death for the city guard's investigations. It's a peaceful, if solitary profession...until the day when he's called to the river to examine the latest in a series of mysterious bodies, mangled by some unknown force. Galen is a paladin of a dead god, lost to holiness and no longer entirely sane. He has long since given up on any hope of love. But when the two men and a brave gnomish constable are drawn into the web of the mysterious killer, it's Galen's job to protect Piper from the traps that await them. He's just not sure if he can protect Piper from the most dangerous threat of all...

Paladin's Strength T. Kingfisher, 2021 He's a paladin of a dead god, tracking a supernatural killer across a continent. She's a nun from a secretive order, on the trail of the raiders who burned her convent and kidnapped her sisters. When their paths cross at the point of a sword, Istvhan and Clara will be pitched headlong into each other's quests, facing off against enemies both living and dead. But Clara has a secret that could jeopardize the growing trust between them, a secret that will lead them to the gladiatorial pits of a corrupt city, and beyond...

Paladin's Faith T. Kingfisher, 2025-04-08 'Creepy, funny, heartfelt, and full of fantastic characters I absolutely loved' Melissa Caruso on *Nettle & Bone* Marguerite Florian is a spy with two problems. A former employer wants her dead, and one of her new bodyguards is a far too good-looking paladin with a martyr complex. Shane is a paladin with three problems. His god is dead, his client is much too attractive for his peace of mind, and a powerful organization is trying to have them both killed. Add in a brilliant artificer with a device that may change the world, a glittering and dangerous court, and a demon-led cult, and Shane and Marguerite will be lucky to escape with their souls intact, never mind their hearts. . . Praise for T. Kingfisher: 'T. Kingfisher solidifies her place as natural and inevitable heir to the greats of her genre, while remaining clearly and unquestionably a unique voice in fantasy' Seanan McGuire *Nettle & Bone* brings Kingfisher's signature honesty and

authenticity to a fairy tale setting: the result is refreshing, earnest but not naive, and deeply satisfying. I devoured it. This is one that's going to stay with me for a long time' Sarah Gailey, author of *Magic for Liars* 'A delight throughout' Louisa Morgan, author of *A Secret History of Witches* 'T. Kingfisher uses the bones of fairy tale to create something entirely her own, written in gloriously clear and transparent prose' Emily Tesh, author of *Some Desperate Glory* 'Funny, frightening, and full of heart; I loved it' Alix E. Harrow, author of *The Ten Thousand Doors of January* 'Charming and macabre, often both at the same time' A. K. Larkwood, author of *The Unspoken Name* 'Absolutely delightful and full of charm and truth' Naomi Novik, on *Thornhedge*

Paladin's Grace T. Kingfisher, 2021-03-02 Stephen's god died on the longest day of the year... Three years later, Stephen is a broken paladin, living only for the chance to be useful before he dies. But all that changes when he encounters a fugitive named Grace in an alley and witnesses an assassination attempt gone wrong. Now the pair must navigate a web of treachery, beset on all sides by spies and poisoners, while a cryptic killer stalks one step behind... From the Hugo and Nebula Award winning author of *Swordheart* and *The Twisted Ones* comes a saga of murder, magic, and love on the far side of despair.

Chaos Terminal Mur Lafferty, 2023-11-07 Mallory Viridian would rather not be an amateur detective, and fled to outer space to avoid it...but when one of the new human arrivals on a space shuttle is murdered, she's back in the game. Mallory Viridian would rather not be an amateur detective, thank you very much. But no matter what she does, people persist in dying around her—and only she seems to be able to solve the crime. After fleeing to an alien space station in hopes that the lack of humans would stop the murders, a serial killer had the nerve to follow her to Station Eternity. (Mallory deduced who the true culprit was that time, too.) Now the law enforcement agent who hounded Mallory on Earth has come to Station Eternity, along with her teenage crush and his sister, Mallory's best friend from high school. Mallory doesn't believe in coincidences, and so she's not at all surprised when someone in the latest shuttle from Earth is murdered. It's the story of her life, after all. Only this time she has more than a killer to deal with. Between her fugitive friends, a new threat arising from the Sundry hivemind, and the alarmingly peculiar behavior of the sentient space station they all call home, even Mallory's deductive abilities are strained. If she can't find out what's going on (and fast), a disaster of intergalactic proportions may occur....

Paladin's Faith T. Kingfisher, 2023 From Hugo Award winning author T. Kingfisher: Marguerite Florian is a spy with two problems. A former employer wants her dead, and one of her new bodyguards is a far too good-looking paladin with a martyr complex. Shane is a paladin with three problems. His god is dead, his client is much too attractive for his peace of mind, and a powerful organization is trying to have them both killed. Add in a brilliant artificer with a device that may change the world, a glittering and dangerous court, and a demon-led cult, and Shane and Marguerite will be lucky to escape with their souls intact, never mind their hearts...
