*Understanding Genesis* Dr. Jason Lisle, 2015-07-20 There are many opinions and subsequent interpretations on the Book of Genesis. What did the author of Genesis intend and how can we possibly know, or is the important thing only what the Bible “means to you”? In this book, Dr. Jason Lisle answers questions such as: What are the most common mistakes people make in trying to understand Genesis? What are the necessary rules of biblical interpretation, and what is the proper role of science in understanding the Bible? How does one identify the various types of biblical literature, and how do the rules of interpretation handle each type – poetic, prophetic, historical, etc.? Is there one correct interpretation of the Bible, or are there many? Discover why alternative positions are rationally impossible. Unlock a powerful understanding of God’s Word and equip yourself with a reasoned defense against those who distort the Word of God.

**Mirror of Eternity** Hawley Wolfe, 2020-06-18 What happens when a long-dead uncle gets permission to visit his family on earth as an instructing angel? The Portman family is about to find out! Overwhelmed by the death of a beloved grandfather, the Portmans escape to the wilderness to grieve on an extended camping trip. There, they come face-to-face

with their own inner wilderness of anger, pain, and despair. Their angel, Michael, helps them see what is at stake in their spiritual crisis. The father, Steve, is forced to make painful confessions to his family, connected to his brother Michael's mysterious death in a boating accident at Cape Desperate some twenty years earlier. His wife Abby is able to pour out her anxieties about motherhood and marriage. Son Jake needs dating advice, and daughter Becca is a victim of cyberbullying and needs lessons in forgiveness. The angel patiently counsels them all, answering their questions about the meaning of suffering, the realities of heaven and hell, the existence of Satan, the hidden secrets of Armageddon, the authority of the Bible, the role of non-Christian religions, the seeker's pathway to inner peace, and how to discover God's will for their lives. Then, a terrible accident brings their journey to an abrupt climax!

*Bible* S. Royle, 2016-05-31 Welcome to As Told in the Bible - a collection of Bibles translated into clear, understandable, simple, modern English. Our mission is to help people to read, understand, and apply the Word of God to their lives by providing a Bible in easy to read - simple modern English. These easy to read bibles are suitable for all ages and can be read with your traditional bible. As told is the Bible is a collection of easy-to-read Bibles which aims to give today's reader's maximum understanding of the original bible text. They do not follow the traditional vocabulary and style found in the historic English Bible versions. Instead they attempt to present the biblical content and message of the bible in everyday, simple, modern English. These easy to read bibles are suitable for all ages and can be read with your traditional bible. Our mission is to help people to read, understand, and apply the Word of God to their lives by providing Bible Translations, Bible Commentaries, and Bible Studies in simple modern English. This Bible edition concentrates on the translation of all chapters and verses of both the Old and New Testaments. Sample chapter: Book of John. About this book: John's Gospel is one of the four Gospels. 'Gospel' means 'good news'. The Gospels are the books that tell us about Jesus' life on earth. John was one of the three disciples who knew the Lord Jesus Christ best. John called himself 'the disciple that Jesus loved'. We think that John wrote his Gospel in the city called Ephesus. He wrote it some years after Matthew, Mark and Luke wrote their Gospels. He wrote it about 70 years after Christ's birth. John's Gospel is different from the other three Gospels. It does not describe many things that the Gospels of Matthew, Mark and Luke do describe. But it does include many things that are not in the other Gospels. John tells us much more about who Jesus was. John shows us Jesus as the Son of God - the only person who can cause us to live. John teaches us more about God's Spirit, too. At the beginning of his Gospel, John calls Jesus 'the Word'. Chapter 1 The Word became human. 1 In the beginning, the Word was already there. The Word was with God. The Word

was God. 2 He was with God in the beginning. 3 God made all things by the Word. God did not make anything without him. 4 It is the Word who causes us to live. And because of this, he was the light to all people. 5 The light shines in the dark, and the dark cannot put out the light.

**Raw Material** LaRosa M. Johnson, Jr.,2015-06-02 Raw materials. Things that aren't of much use without some tooling & processing. That's a lot like the Christian life. Before salvation we weren't much to look at, but God has left us with the necessary tools to transform our lives into something glorious: the image of his Son. Raw Material was written to show you what these tools are and how to use them so that you can glorify God with your life. Along with the indwelling Holy Spirit, the tools we have been given include Bible study, prayer, and worship. Each is vital for spiritual growth. When refined through practice and used in conjunction with one another, they transform the Christian into something far removed from their former life of sin. Raw Material is a resource for all Christians. This book can be used to train new Christians in the basics of the Faith. It can also refresh mature Christians in those same essentials. Raw Material is perfect for one-on-one discipleship, small groups, or Bible studies. Over the course of four chapters you will learn: why Bible study is important, how to pray, what it means to worship, and ultimately how to live daily as a Christian. Take up & read this book and transform your life.

*Scripture Frames and Framing* Ernst Wendland,Timothy Wilt,2008-09-01 Scripture Frames & Framing: A Workbook for Bible Translators illustrates and further develops some of the key ideas presented in the influential text Bible Translation: Frames of Reference (T. Wilt, ed., St Jerome, 2003). This workbook offers numerous exercises for analysing biblical texts and communicating them to contemporary audiences. The workbook proceeds by briefly introducing a key aspect of translation, giving exercises that will help clarify understanding of that aspect and of how it relates to translators? particular communication situations, and then moving on to a related aspect.

**Revelation** M.R. DeHaan,2015-05-07 Blessed is he that readeth, and they that hear the words of this prophecy, and keep those things which are written therein: for the time is at hand. (Rev. 1:3). Behold, I come quickly: blessed is he that keepeth the sayings of the prophecy of this book. (Rev. 22:7). The author of the book of the revelation is Jesus Christ (Rev. 22:16). The Lord intended that this book should be read and studied especially by His people (Rev. 1:3). It is not a sealed book, as many suppose, but one which is open and easy to understand (Rev. 22:10). Bearing these facts in mind, we find the study of Revelation to be fascinating, illuminating and deeply profitable, instead of difficult and confusing. The messages in this volume constitute thirty-five radio sermons which were preached first over the Mutual Network and by foreign and short-wave stations around the world, from August, 1945, to April, 1946. The response to these radio messages was so enthusiastic and the evident desire for light on the book of the Revelation so general that we soon decided to print these studies on one volume. Hence this book. No attempt has been made to present an exhaustive verse-by-verse exposition of the book, but,

rather, we have tried to present the general outline, the basic structure and the framework. We have dwelt at length on certain passages because they constitute the pillars of the book. Our purpose is to present clearly the general outline and structure, and then the details will fall naturally into their proper places. If certain simple rules are followed in reading and studying it, the book of the Revelation becomes clear, logical and easily understood. We present here a few rules which should be observed before studying the book: 1. Revelation is not a dark book. It is a revelation. 2. It is not necessary for one to understand all the symbols and details if he is to gain a deeper knowledge of the book as a whole. One need not be able to identify every tree in the forest to appreciate the beauty of the forest as a whole. 3. Observe the rule of literal interpretation. The greatest curse of the Christian Church is the evil of spiritualizing the Bible. Although there are many symbols and signs in the book, as in every other book and in our daily conversation, the context indicates whether a passage is to be interpreted literally or symbolically. Interpret literally, except where the context or grammatical structure clearly indicates that the reference is a symbol or a sign. 4. Approach the Book with a “fresh” mind. Try to forget the views you have held concerning the Book because others have declared it to be mysterious and beyond our understanding. Thousands of believers never read Revelation, but carefully avoid it simply because someone told them it is a dark book and impossible to understand. Study the book for yourself. 5. Read the book prayerfully, realizing that the Holy Spirit who infallibly inspired the book is also the person Who must illuminate the book. Never read a portion of scripture without first asking Him for light and guidance. We submit for your help the following simple outline of Revelation. Remember these five rules as you study it. If you will memorize the outline thoroughly, and keep it clearly before your mind, you will have no trouble filling in the details. Grand Rapids, Michigan M. R. DeHaan

**The Case Against Moral Atheism** Ken Wheeler, 2014-09-26 What if you decided, today, that God did not exist? Would that change your morality? Would you still turn in an honest tax return? Why? If you are a single mother having a difficult time making ends meet, would you steal from the cash drawer at work to buy food for your baby? Why not? If an adult decided to prey on young children, why would that be morally different than a crocodile feasting on a baby monkey at the watering hole in the jungle? Why has the law of the jungle changed just because the jungle is now Wall Street and the Internet? If humanity evolved from primordial slime pools, who gets to declare that the pedophile is a criminal and the croc is just functioning according to his evolved DNA? Why should a person adopt moral values if he believes a Creator God does not exist? Does the Chaos Theory provide an answer to that question or is it just an attempt by the Atheist to fill in the blank with anything but God while avoiding the obvious and logical challenges produced by the concept of a Godless morality? The Case Against Moral Atheism challenges anyone who does not believe in a moral law-giver above mankind to consider why they should live moral lives if this life is all there is.
