Annie Tanasugarn

**Wired for Love** Stan Tatkin, 2024-06-01 Invaluable for so many partners looking to reconnect and grow closer together. —Gwyneth Paltrow, founder and CEO of goop Stan Tatkin can be entirely followed into the towering infernos of our most painful relationship challenges. —Alanis Morissette, artist, activist, and wholeness advocate The complete “insider’s guide” to understanding your partner’s brain, sparking lasting connection, and enjoying a romantic relationship built on love and trust—now with more than 170,000 copies sold. “What the heck is my partner thinking?” “Why do they always react like this?” “How can we get back that connection we had in the beginning?” If you’ve ever asked yourself these questions, you aren’t alone, and it doesn’t mean that your relationship is doomed. Every person is wired for love differently—with different habits, needs, and reactions to conflict. The good news is that most people’s minds work in predictable ways and respond well to security, attachment, and routines, making it possible to neurologically prime the brain for greater love and connection and fewer conflicts. This go-to guide will show you how. Drawn from neuroscience, attachment theory, and emotion regulation, this highly anticipated second edition of *Wired for Love* presents cutting-edge research on how and why love lasts, and offers ten guiding principles that can improve any relationship. This fully revised and updated edition also includes new guidance on how to manage disagreements, as well as new exercises to help you create a sense of safety and security, establish healthy conflict ground rules, and deal with the threat of the third—any outside source which threatens the harmony in your relationship, including in-laws, alcohol, children, and affairs. You’ll find proven-effective strategies to help you strengthen your relationship by: Creating and maintaining a safe “couple bubble” Using morning and evening routines to stay connected Learning how to see your partner’s point of view Meeting each other halfway in a fight Becoming the expert on what makes your partner feel loved By using simple gestures and words, you’ll learn to put out emotional fires and help your partner feel appreciated and loved. You’ll also discover how to move past a “warring brain” mentality and toward a more cooperative “loving brain.” Most importantly, you’ll gain a better understanding of the complex dynamics at work behind love and trust in intimate relationships. While there’s no doubt that love is an inexact science, if you understand how you and your partner are wired differently, you can overcome your differences, and create a lasting intimate connection.

Wired for Dating Stan Tatkin, 2016-01-02 Everybody wants someone to love and spend time with, and searching for your ideal mate is a natural and healthy human tendency. Just about everyone dates at some point in their lives, yet few really

understand what they are doing or how to get the best results. In *Wired for Dating*, psychologist and relationship expert Stan Tatkin—author of the best-selling *Wired for Love*—offers readers powerful tips based in neuroscience and attachment theory to help them find a compatible mate and go on to create successful, loving relationships.

*We Do* Stan Tatkin, PsyD, MFT, 2018-12-01 “If you and your prospective partner adopt the principles and skills I describe here, your relationship will be successful—not just for starters, but for the long run.” An indispensable guide for any couple ready to set the foundation for a loving and lasting union Committing fully to a loving partnership—a “we”—can be one of the most beautiful and fulfilling experiences you’ll ever have. Yet as anyone in a long-term relationship will tell you, it can also be one of the most challenging. Almost half of all first marriages end in divorce, and chances go down from there. So how do you beat the odds? “All successful long-term relationships are secure relationships,” writes psychotherapist Stan Tatkin. “You and your partner take care of each other in a way that ensures you both feel safe, protected, accepted, and secure at all times.” In *We Do*, Tatkin provides a groundbreaking guide for couples. You’ll figure out whether you and your partner are right for each other in the long term, and if so, give your relationship a strong foundation so you can enjoy a secure and lasting love. Highlights include: Create a shared vision for your relationship, the key to a strong foundation It’s all about prevention—learn tools and techniques for preventing problems before they occur Understand how to work with the psychological and biological influences in your relationship—neuroscience, arousal regulation, attachment theory, and more Numerous case studies with helpful examples of healthy and unhealthy interactions, sample dialogues, and reflections Dozens of exercises—the newlywed game, reading facial expressions, and many more fun and serious practices to develop intimacy and security Handling conflict—how to broker win-win outcomes Build a loving relationship that helps you thrive and grow as both individuals and a couple Common interests, physical attraction, shared values, and good communication skills are the factors most commonly thought to indicate a good partnership. Yet surprisingly, current research reveals that these are only a small part of what makes for a healthy marriage—much more important are psychological and biological influences. With *We Do*, you’ll learn to navigate these elements and more, giving your relationship the best possible chance to succeed.

**Summary of Stan Tatkin & Harville Hendrix's *Wired for Love*** Everest Media, 2022-03-04T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 The desire for a safe zone is what drives humans to pair up. However, partners often fail to use each other as advocates and allies against all hostile forces. They don’t see the opportunities to make a home for one another or to create a safe place in which to relax and feel accepted, wanted, protected, and cared for. #2 Jenny and Bradley were about to break up. Neither wanted to end the relationship, but bad things kept happening, and each blamed the other. They had started dating as freshmen, and were now about to graduate from college. #3 In relationships, we want to be visible and important to our partner. We want to know that our efforts are appreciated and that our relationship is important to them. #4 The way a couple handles a situation is very important. It is

important to understand why a couple functions the way they do, and how they came to be as they are.

**The Anxious-Avoidant Trap** Annie Tanasugarn, 2025-08-01 When one partner anxiously seeks reassurance and intimacy in a romantic relationship and the other avoids intimacy to maintain autonomy and space, it can create a toxic push-pull dynamic that can lead to resentment, frustration, and dissatisfaction in your relationship. Written by a relationship expert, this book offers powerful strategies to help couples break free from this destructive dynamic and build trust, security, and deeper connection.

**Love in America** Lawrence R. Samuel, 2019-11-29 Widely considered the most complex of human emotions, romantic love both shapes and reflects core societal values, its expression offering a window into the cultural zeitgeist. In popular culture, romantic love has long been a mainstay of film, television and music. The gap between fictitious narratives of love and real-life ones is, however, usually wide--American's expectations of romance and affection often transcend reality. Tracing the history of love in American culture, this book offers insight into both the national character and emotional nature.

**The Science of Stuck** Britt Frank, LCSW, 2023-07-11 A research-based tool kit for moving past what's holding you back—in life, in love, and in work. We all experience stuckness in our lives. We feel stuck in our relationships, career paths, body struggles, addiction issues, and more. Many of us know what we need to do to move forward—but find ourselves unable to take the leap to make it happen. And then we blame and shame ourselves, and stay in a loop of self-doubt that goes nowhere. The good news is you're not lazy, crazy, or unmotivated. In this empowering and action-oriented guide, you'll discover why we can't think our way forward—and how to break through what's holding us back. Using an eclectic approach and a customizable plan that's as direct or as deep as you want, this life-changing guide empowers you to: break old habits and patterns gain perspective on pain and trauma from the past free yourself from the torturous “why” questions take control of your choices to create the life you want Bringing together research-backed solutions that range from shadow work to reparenting, embodied healing, and other clinical practices, along with empowering personal stories, this book is a hands-on road map for moving forward with purpose, confidence, and the freedom to become who you're truly meant to be.

**More Than Words** John Howard, 2023-02-07 Increase intimacy, connection, and love with this “critical” (Vanessa Van Edwards, bestselling author of *Captivate: The Science of Succeeding with People*), science-based guide to creating meaningful and lasting relationships. When it comes to building a better relationship with your partner, touch and connection matter so much more than the words that you say. And author and therapist John Howard is here to tell us why. *More Than Words* shows you how to deepen love and connection in any relationship based on the latest cutting-edge research in interpersonal neurobiology, trauma-informed healing, attachment theory, and many more scientific fields. This “brilliant guide” (Diane Poole-Heller, PhD, author of *The Power of Attachment*) explains why verbal communication may not elicit the

connection you seek and offers ways to practice and form new habits that can nurture love, care, safety, comfort, and passion in relationships. Science shows that these techniques work, but most people don't know them yet. You can start using these techniques today to increase intimacy and emotional connection in your closest relationships. Mindful of all the needs of the modern individual, *More Than Words* is inclusive of LGBTQ+, polyamorous, and other nontraditional committed relationships and ultimately looks to elevate the way we strengthen the most important bonds in our lives.

**The Lies Couples Believe** Chris Thurman, 2015-10-01 Are faulty beliefs damaging your marriage? If you are experiencing conflict, anger, or hurt in your marriage, you don't need positive thinking or an escape clause—you need to replace the lies you believe with God's transforming truths for your relationship to become all that it was meant to be. According to Dr. Chris Thurman, everyone enters marriage with misguided attitudes and expectations such as: "My spouse is a bigger mess than me." "The purpose of marriage is to be happy." "My spouse should meet all my needs." This practical book dismantles the ten most common lies couples believe and helps you renew your mind with God's truths for a more caring, close, and connected marriage.

**The psychology of love** Alice Iron, 2023-06-06 *The Psychology of Love: How to Build Healthy and Fulfilling Relationships* is a book that focuses on the importance of healthy and positive relationships in people's lives and the dynamics that govern them. The author begins by analyzing different theories that have attempted to explain love, from attachment theory to rational choice theory. She explains how each theory has its own perspective and that there is no definitive explanation of love, but rather different angles that can help understand it. The book then focuses on building healthy and fulfilling relationships, starting with the importance of communication and empathy. The author explains how it is crucial to be able to listen to and understand others, as well as express one's needs and desires clearly and non-aggressively. Another central theme of the book is conflict management. The author provides tools and suggestions for constructively addressing differences and tensions, avoiding destructive arguments. She also explains how it is important to learn how to apologize and forgive in order to overcome difficulties and strengthen the relationship. Furthermore, the book addresses the topics of sexuality and passion, explaining how it is essential to keep them alive and how challenges in this area can be overcome. Finally, the author devotes a chapter to the importance of having realistic expectations in a relationship and learning to manage disappointments. She explains how it is possible to confront difficulties and sometimes, it may be necessary to end a relationship that no longer works. In summary, *The Psychology of Love* is a book that provides tools and suggestions for building healthy, fulfilling, and lasting relationships. It is an invitation to learn to understand and manage emotions, communicate effectively, and develop the capacity to forgive and be empathetic. It is a book that helps understand love in all its facets and live happier and more satisfying relationships.

**When Trauma Wounds** Karen A. McClintock, 2019-02-01 How to heal from trauma and restore laughter, love, and faith

When trauma wounds, victims are thrown into unexpected darkness and experience unfamiliar symptoms. Some trauma survivors draw upon a lifelong faith in God; others find themselves in a wilderness devoid of spiritual grounding. The recovery stories in this book offer diverse pathways to faith and hope. In *When Trauma Wounds*, psychologist Karen A. McClintock combines psychological approaches with faith resources to improve trauma recovery. Whether you are a trauma survivor, a caregiving pastor or church member, or friend to a survivor, this book will familiarize you with trauma symptoms and healing strategies. Secure and trusting relationships heal many wounds. If you care for a trauma survivor, McClintock will help you create a sanctuary to shelter this wounded soul, to help them bear their pain and hold out hope for recovery--to offer victims of trauma the compassion they so badly need. Each trauma victim has a story to tell. If you are a trauma survivor, healing from that trauma or working through repeated traumatic experiences may take days or years. But no matter how long your healing journey might take, it can begin right now.

**It's Your Attitude** Chris Thurman, 2021-06-07 Your attitude makes or breaks you in life. We all have attitudes that are toxic and damaging to our lives, and we all have healthy attitudes that help us to experience life in full. Have you ever wondered what the worst, most toxic attitudes are? Have you ever wondered what the best, most life-enhancing attitudes are? Wonder no more. This book will help you better understand the good and the bad when it comes to the attitude you carry into each day. Far too often, we focus on changing our circumstances as the best way to improve our lives. While that's all well and good, changing your attitude for the better is far more important than changing your circumstance in life. We don't need an attitude adjustment, we need an attitude overhaul. Read this book--it will help you do just that.

52 Weeks to a Sweeter Life for Caregivers, Activists and Helping Professionals Farzana Doctor, 2024-03-23 A practical guide to self-care and community care, written for helpers—the caregivers, activists, community leaders, mental health and medical professionals who are the first to help others, but the last to seek help themselves. As an activist, community organizer and social worker, Farzana Doctor has preached self-care to hundreds of people struggling with burnout and exhaustion. But for years she couldn't manage to take her own advice. Many other helpers she knew were the same: they knew the signs of burnout, and they understood the science of self-care. Maybe they'd taken workshops on vicarious trauma; maybe they'd even taught them. But still they struggled to escape the cycle of overwork, overwhelm and recovery. *52 Weeks to a Sweeter Life* is a workbook that speaks directly to these people—and anyone who struggles to pause, set boundaries and centre their own needs.. The workbook contains fifty-two lessons, one for each week of the year. Each week, readers will find a simple new idea and an experiment for trying it out, with deeper dives into the material provided, but every level of participation celebrated. Throughout, Doctor embraces both community care and self-care at the same time, showing readers the overlap between the two. Beautifully written, direct and insightful, this workbook is a gentle and practical guide to a more balanced life, written for those who need it most.

**The Relationship Fix** Jenn Mann, 2016-10-13 Can your relationship be saved? The star of the hit VH1 show Couples Therapy with Dr. Jenn looks at what can be fixed, what can't, and what can take your relationship to new heights. In The Relationship Fix, Dr. Jenn Mann, the host and psychotherapist from VH1 Couples Therapy with Dr. Jenn, helps couples master must-have skills for sustaining a healthy, long-lasting relationship. Supported by the most up-to-date research, Dr. Jenn shares real-life stories from Couples Therapy cast members, clients in her private practice, and her own personal experiences. Dr. Jenn debunks common myths about what makes a relationship "good" or "bad," and gives couples tools to communicate more effectively, work through conflicts, resolve issues that are damaging the relationship, and feel more connected. The last step in Dr. Jenn's six-step guide gives couples tried-and-true advice about improving their sex life—the perfect finale to a book that helps couples fix their relationships and ultimately take them to a new level.

**Two Equals One** Jimmy Rollins, Irene Rollins, 2024-10-29 Uncover the secrets to a thriving marriage. Focusing on reconciling differences and forging true intimacy, Two Equals One emphasizes the crucial roles of communication, understanding, and concerted team effort. 100% of marriages that end in divorce are cited for irreconcilable differences. Things that brought couples together are now tearing them apart. Simple occasional frustrations have morphed into everyday fights causing complex fractures. Marriages are miserable, families are affected, and the equation for a marriage made one is elusive. In Two Equals One, Jimmy and Irene Rollins introduce you to a solution that is counter-cultural to a society that encourages you to give up, to not give your spouse any more chances, or use pain as permission to step out on your spouse. A solution that with two committed people coupled with the power of God can be the equation for a marriage made one. Two Equals One presents the case to stay rather than leave. To lean in rather than let go. To give you a framework and path to discover a marriage equation of love, laughter, and longevity. From tackling tough topics such as addiction and resentment to addressing the impact of neglecting spousal roles, Two Equals One is a comprehensive guide to strengthening and salvaging relationships, while offering practical challenges, prayers, and resources to actively engage couples. Jimmy and Irene will help readers to: Move from cussing and fussing to communicating and forgiving Learn tools to have hard conversations that will improve your communication and connection in relationships Find hope and healing in areas in your relationship where there is real hurt, broken trust, and rebuild your relationship together Discover how two completely different people can accept, learn from, and leverage their differences to make a marriage made one Jimmy and Irene encourage couples to identify differences and navigate through them, providing guidance on conflict management and expectation setting. They stand firm in their belief that with effort and commitment, any marriage can overcome challenges and thrive. Your irreconcilable difference can be reconciled.

**Joy Fixes for Weary Parents** Erin Leyba, 2017-03-15 Modern parenting presents fresh challenges, including unrelenting time pressures, lack of support systems, and work demands, that often leave parents drained and worn-out. Erin Leyba, the

mother of three young children, has been counseling parents on these issues for almost twenty years. She has developed techniques that help parents not only cope but also feel joy — in their parenting and in their relationships with their partners. Leyba draws from the latest research about child development, attachment, successful marriages, and mindfulness to create effective, doable solutions for balancing, simplifying, and communicating. She presents powerful tools that parents can use right away to de-stress, stay energized, and create more warmth and passion with loved ones. Whether new, veteran, overwhelmed, exhausted, or just interested in doing better than they are, parents will find proven help here.
