I Don't Have Enough Faith to Be an Atheist (Foreword by David Limbaugh) Norman L. Geisler, Frank Turek, 2004-03-12 Geisler and Turek argue that Christianity requires the least faith of all worldviews because it is the most reasonable. A valuable aid to those interested in examining the reasonableness of the Christian faith.

The Four-Point Case for Mere Christianity Frank Turek, 2023-10-13 THE FOUR-POINT CASE FOR MERE CHRISTIANITY IS A BRILLIANTLY PRODUCED GRAPHIC PUBLICATION DESIGNED TO GIVE THE READER A VERY BRIEF OVERVIEW OF SOME OF THE BEST REASON-BASED EVIDENCE THAT ILLUSTRATES THE AUTHENTICITY OF THE CHRISTIAN FAITH.

I Don't Have Enough Faith to Be an Atheist Curriculum Frank Turek, Chuck Winter, 2012-04-01 Introducing Apologia's first apologetics curriculum for high school students! Based on Norman Geisler and Frank Turek's best-selling book *I Don't Have Enough Faith to Be an Atheist*, this study will prepare teens and young adults to defend their Christian faith with boldness and effectiveness. During this course, your student will tackle the question of absolute truth, demolish the follies of postmodernism, debunk moral relativism, and march logically and surely toward the inescapable truths of the Christian faith. This is a companion study, so your student will need a copy of the original book, which is available through Apologia.

Stealing from God Frank Turek, 2014 If you think atheists have reason, evidence, and science on their side, think again Award-winning author Dr. Frank Turek (*I Don't Have Enough Faith to be an Atheist*) will show you how atheists steal reason, evidence, science, and other arguments from God in trying to make their case for atheism. If that sounds contradictory, it's because it is Atheists can't make their case without appealing to realities only theism can explain. In an engaging and memorable way, *Stealing from God* exposes these intellectual crimes atheists are committing and then provides four powerful reasons for why Christianity is true.

I Don't Have Enough Faith to Be an Atheist Norman L. Geisler, Frank Turek, 2004-03-12 To some, the concept of having faith in a higher power or a set of religious beliefs is nonsensical. Indeed, many view religion in general, and Christianity in particular, as unfounded and unreasonable. Norman Geisler and Frank Turek argue, how

Correct, Not Politically Correct Frank Turek, 2023-05-15 Is there anything wrong with same-sex marriage or transgenderism? Who could possibly be hurt? Using sound reason and evidence—not religion—award-winning author Frank Turek shows that virtually everyone is hurt by same-sex marriage and transgenderism, even those who identify as LGBTQ.

Turek provides concise answers to objections about equal rights, discrimination, being born a certain way, and the charge that people who disagree are homophobic or transphobic. He shows how the quest to obliterate all sexual distinctions is self-contradictory and how the march to transition children is producing horrific and irreversible consequences. Turek's message is direct but respectful—correct, not politically correct. It is a message we must not ignore.

The Story of Reality Gregory Koukl, 2017-01-10 Biblical Christianity is more than just another private religious view. It's more than just a personal relationship with God or a source of moral teaching. Christianity is a picture of reality. It explains why the world is the way it is. When the pieces of this puzzle are properly assembled, we see the big picture clearly. Christianity is a true story of how the world began, why the world is the way it is, what role humans play in the drama, and how all the plotlines of the story are resolved in the end. In *The Story of Reality*, bestselling author and host of *Stand to Reason*, Gregory Koukl, explains the five words that form the narrative backbone of the Christian story. He identifies the most important things that happen in the story in the order they take place: God Man Jesus Cross Resurrection If you are already a Christian, do you know and understand the biblical story? And for those still seeking answers to the questions of life, this is an invitation to hear a story that explains the world in a way nothing else will. This story can change your life forever.

Faith Examined Clark R. Bates, 2023-10-13 This book serves two purposes--to honor the apologist and author Dr. Frank Turek and, in the spirit of his ministry, present reasoned responses to challenges currently facing the church. Every year, for more than one decade, Dr. Turek has hosted the Cross Examined Instructors Academy (CIA) through his Cross Examined Ministries, wherein he leads a group of professors and apologists as they teach and train others in the field of apologetics. Several rising stars within the apologetics community began their ministries because of Dr. Turek and the CIA. The authors of this book were chosen from this ever-widening pool of CIA attendees, past and present, most of whom have gone on to academic instruction or their own successful apologetics ministries. Their contributions broadly address challenges from philosophy and science; challenges against Jesus and the Bible; and even challenges facing parents and the church. Many topics offer new approaches, while others reestablish existing responses, but all seek to provide answers to a skeptical world for the hope that rests within all Christians.

Walk Through the Book of Genesis Ian Toppin, 2022-11-21 *Walk Through the Book of Genesis: A Verse-By-Verse Exposition* is as the title suggests, an exposition of each verse of the book of Genesis. It begins by explaining the need for faith to believe some of what it represents. However, it makes the case that the need for faith is not unique to the Bible, but to science as well. This book offers insightful commentary about how science affirms biblical truths about creation, and it clarifies traditionally misunderstood views about the seven-day creation week. Unique perspectives are presented about the

fall of mankind, their expulsion from the garden of Eden, and the plan of God to redeem them to himself. Readers will be encouraged to observe God's commitment to his covenant, which he established with Abraham and his descendants, who were all fallible individuals; yet God blessed and provided them with hope for a brighter future in a land he promised to give them as an inheritance. Finally, Walk Through the Book of Genesis: A Verse-By-Verse Exposition pinpoints successes and failures in the lives of characters in the text. Their experiences serve as examples and inspire readers to persevere despite life's challenges.

Seven Reasons Why You Can Trust the Bible Erwin W. Lutzer, 2008-09-20 'In a society where relativism is the most acclaimed philosophy, it is of utmost importance that Christians believe absolutely that the Bible is the inerrant Word of God.' Erwin Lutzer takes readers on a journey of faith where they are asked some of the most fundamental questions a person could ask. In his readable, yet profound style, Lutzer critically examines proof that will determine supernatural authenticity of the Bible.

A Definition and Critique of Postmodernism Bruce Proctor, 2012 Bruce A. Proctor is a native of Dallas, Texas but spent most of his youth growing up in Los Angeles, California. He graduated from Oklahoma Christian College (B.A.) in 1973, from Dallas Theological Seminary (Th.M.) in 1981, and Louisiana Baptist University (Ph.D.) in 2011. Bruce has held various ministerial positions including pastor, youth counselor and pastor, prison ministry leader, and college professor. Bruce has taught Bible Exposition, Theology, Old and New Testament history, and Church History at various Christian schools - Southern Bible Institute, D. Edwin Johnson Bible Institute (both in Dallas, TX), True Vine Baptist Bible Institute in Spencer, OK, and at the Ministry Training Institute, an extension of Oklahoma Baptist University in Shawnee, OK. Bruce and his wife, Patricia, reside in San Antonio, Texas. They have eight adult children. Postmodernism is difficult to define because it rejects absolute meaning. However, I found it worth trying to define it by looking at other authors' attempts to define it. It was easier for me to describe than define it. Much discussion is also given to the definition of the emergent church movement, including its fundamental tenets and marks, along with signs of drifting toward it. Next, the idea of postmodernism is weaved into the description of condemned mankind according to Romans 1:18-32. The description given is clearly relevant to the postmodern mindset as men, who suppress the truth in unrighteousness (verse 18). In my conclusion, I discuss the power of truth and the loss of truth due primarily to a loss of focus. However, in the Person of Jesus Christ, Truth arose from the dead and marches on victoriously despite the postmodern spirits of delusions.

Truth in Focus Ryan Snuffer, 2005-08 Truth in Focus equips teens to understand and defend their faith. Author Norman L. Geisler states, Truth in Focus. . . is clear, concise, and relevant. No available book does a better job.

The True Jesus David Limbaugh, 2017-04-10 A New York Times Bestseller! Who do you say that I am? Uttered by Jesus Christ, this profound question has presented an age-old challenge to believers, skeptics, scholars, and rulers. In attempting

to answer this question, *The True Jesus* goes straight to the unimpeachable source: the books of Matthew, Mark, Luke, and John. Only in the Gospels, says #1 New York Times bestselling author David Limbaugh, do we come face-to-face with the Son of God, Whose sublime teachings, miraculous actions, and divine essence leap off every page and into our hearts. In this book, Limbaugh combines the four Gospel stories into a unified account (though not, he humbly admits, a perfect harmony) and guides readers on a faith journey through the Four Evangelists' testimonies of the life of Jesus Christ. Along the way, Limbaugh shares his insights on Jesus' words and deeds as well as His unique nature as fully human and fully divine. In *The True Jesus*, you will learn: - Why even the apostles failed to completely understand Jesus' true identity and mission until after His crucifixion - The real basis for the rejection of Jesus' message by skeptics in His hometown and elsewhere - The historical events preceding Jesus' birth that providentially paved the way for Christianity - How Jesus' message utterly contradicted modern attempts to portray Him as being non-judgmental Limbaugh's passion for the Gospels infuses the pages of *The True Jesus*, which is both a primer for new Bible readers and an outstanding guide to the Gospels for long-time believers. Who really is the true Jesus? Open this book and begin your odyssey toward the answer.

The African American Guide to the Bible H.C. Felder, 2018-10-31 *The African American Guide to the Bible* makes the case for the relevance of the Bible from the perspective of people of color. It presents a comprehensive biblical view of topics of interest to African Americans and clarifies racial issues for white people. Part 1 addresses the inspiration of the Bible by giving evidence for its authenticity. A considerable amount of time is spent on examining the original text of the Bible, the archeological evidence, and the evidence from predictive prophecy to demonstrate the uniqueness of the Bible. Part 2 deals with the black presence in the Bible by demonstrating the prominence of people of color and black people in particular by highlighting their importance in the plan of God. It explains what it means to be black and demonstrates that the scientific

and biblical evidence are both consistent with respect to race. Part 3 is a response to the arguments of racism used by critics of the Bible, for example, Christianity is the white man's religion and Bible supports slavery and racism. These arguments are examined and evaluated in light of scripture and the context of history. Part 4 deals with the unity of humanity from a biblical perspective. It shows why racism is not only unbiblical but is evil when understood from the perspective of God.

Answering the Objections of Atheists, Agnostics, and Skeptics Rhodes, Ron,

The End of Christianity William A. Dembski, 2009 A leading intelligent-design supporter writes to prove a good God's existence in an evil world, in turn explaining what the end result of true Christianity must be.

Beyond New Atheism and Theism Sal Restivo, 2023-09-01 This book addresses the flaws and fallacies in the grounds for atheism and theism – flaws and fallacies that contaminate the arguments of non-believers and believers alike. Focusing on the highly visible debates between the New Atheists – such as Christopher Hitchens, Daniel Dennett, Richard Dawkins, and Sam Harris on the one hand – and their main theist opponents – including Frank Turek, John Lennox, and William Lane Craig on the other – it approaches these debates from the perspective of the sociology of religion and science. With entire worldviews at stake, it explores various failings in the logic, language, and knowledge of the protagonists, revealing mistaken and oversimplified understandings of both science itself and the sociocultural and symbolic roles of religion on both sides. Advancing a secular and humanist worldview unburdened by the problems that beset both atheism and theism, the author argues for a sociological perspective on religion, God, and science as a practice, together with a critical realist approach to the nature of the real world as we experience it. *Beyond New Atheism and Theism* will therefore appeal to scholars and students of sociology and cultural studies with interests in the conflicting worldviews of science and religion.
