**Five O'Clock Shadow** Genie Davis,2007-02 Terrific. --Jane Heller

*Five O'Clock Lightning* William L. DeAndrea,2012-12-18 DIVA onetime baseball catcher confronts the murder of a McCarthyist politician at Yankee Stadium/divDIV In 1953 America, McCarthyism is everywhere. Congressman Rex Harwood Simmons is among the leaders who single-mindedly hunt down suspected Communists; he even claims that Communism has infiltrated America's favorite pastime. But while watching a Yankee game one afternoon, he becomes a target. As the crowd cheers for a homerun, Simmons is shot dead in his seat. /divDIV /divDIVThe task of solving the crime falls to onetime ballplayer and Korean War veteran Russ Garrett, who collaborates with "Vicious Aloysius" Murphy, a Bronx homicide detective. The investigation won't be easy, since there are plenty of people with a motive to plug Simmons. Several clues point to a blacklisted intellectual—but he was driven to suicide years ago. And as Garrett hunts for the killer, a new conspiracy comes to light: a plot to murder Yankee star Mickey Mantle./div

**Five O'Clock Shadow** Susan Slater,2020-03-28 Newlywed Pauly Caton watches, horrified, as the hot air balloon—the one she should have been riding in—falls from the sky. She races to the wrecked basket to discover both the pilot and her husband Randy dead in the fiery crash. The lone survivor appears to be an unknown child, who runs from the scene, naked and fearful, and disappears from sight. Shocked, Pauly turns to her Grams, a flashy grande dame and carnival owner, and a source of comfort for her pain. During the ensuing weeks, Pauly learns that nearly everything she knew about her new husband was based on lies and deception. As Christmas approaches, she attempts to pick up the pieces of her life and uncovers a host of other surprises about Randy—things that make her question everything about her choice to marry him. She senses she can trust no one, not even the police, and learns that there are secrets which threaten to put her own life in danger. Praise for Susan Slater's previous mystery novels: The Dan Mahoney series: "Flash Flood is just what it sounds

like—a fresh, surprising, adrenaline-rush whitewater ride. It's also funny. Susan Slater can flat-out write.” —Don Winslow, New York Times bestselling author “Slater’s excellent sequel to Flash Flood takes insurance investigator Dan Mahoney to tiny Wagon Mound, New Mexico ... Readers will be glad they’re along for the ride.”— Publishers Weekly (starred review) “There’ll be much, much more, with whispers of everything from alien experiments to voodoo, before Slater closes out this lively, surprising case, first of a series.” – Kirkus Reviews “Dan Mahoney is an appealingly resilient character, a welcome addition to the roster of sleuths that make the Southwest a hotbed of current mystery fiction.” —Publishers Weekly The Ben Pecos mystery series: “Solid, suspenseful narrative and colorful glimpses of Native American life ... strongly recommend.” —Library Journal “A series to watch.” —Booklist “... Ben Pecos—raised far from New Mexico’s Tewa Pueblo—could become as lasting a fictional presence as Joe Leaphorn and Jim Chee.” – Chicago Tribune “... a gripping, interesting tale.” –5 stars, online review

**Five O’Clock Twist** Joanne Pence,2017-01-17 A foggy night. A dog's bark. This one just turned personal ... Homicide Inspector Rebecca Mayfield hopes to come to terms with her confused emotions over alluring but troubling boyfriend Richie Amalfi, but her plans quickly change when her neighbor is viciously attacked. And it seems one of Richie's former girlfriends holds the key to the situation. As the body count grows, Rebecca's investigation takes a deadly turn when she becomes the killer's target. Rebecca and Richie find themselves on a danger-filled route from a cold and foggy Pacific Ocean beach to the chambers of City Hall to the back alleys of San Francisco's Chinatown. Between killers on-the-loose, plus new as well as old friends to deal with, Rebecca isn't sure which one of them might prove to be the biggest threat to her life ... or to her heart. Five O’Clock Twist is the fifth book in the best-selling Inspector Rebecca Mayfield series--fast-paced mysteries with a touch of humor and a hint (or more) of romance. If you start with One O’Clock Hustle, you'll find that the hours seem to fly by ..

Vietnam War Slang Tom Dalzell,2014-07-25 In 2014, the US marks the 50th anniversary of the Gulf of Tonkin Resolution, the basis for the Johnson administration's escalation of American military involvement in Southeast Asia and war against North Vietnam. Vietnam War Slang outlines the context behind the slang used by members of the United States Armed Forces during the Vietnam War. Troops facing and inflicting death display a high degree of linguistic creativity. Vietnam was the last American war fought by an army with conscripts, and their involuntary participation in the war added a dimension to the language. War has always been an incubator for slang; it is brutal, and brutality demands a vocabulary to describe what we don't encounter in peacetime civilian life. Furthermore, such language serves to create an intense bond between comrades in the armed forces, helping them to support the heavy burdens of war. The troops in Vietnam faced the usual demands of war, as well as several that were unique to Vietnam – a murky political basis for the war, widespread corruption in the ruling government, untraditional guerilla warfare, an unpredictable civilian population in Vietnam, and a growing lack of popular support for the war back in the US. For all these reasons, the language of those who fought in Vietnam was a vivid reflection of life in wartime. Vietnam War Slang lays out the definitive record of the lexicon of Americans who fought in the Vietnam War. Assuming no prior knowledge, it presents around 2000 headwords, with each entry divided into sections giving parts of speech, definitions, glosses, the countries of origin, dates of earliest known citations, and citations. It will be an essential resource for Vietnam veterans and their families, students and readers of history, and anyone interested in the principles underpinning the development of slang.

**CARON** C.J. Teahan,2010-09-03 In this book, CARON: Awakening, a mother shares her experiences and emotions during her daughter's struggles to emerge from a coma following a closed head injury. The early chapters reflect the author's heavy heart, as Caron wrestles to return to consciousness--and confusion. Eventually, Caron realizes the ramifications of an insult to her brain and joins her family's nightmare. From this point, focus switches to Caron's frustrations as she battles to piece

her life back together again. Caron's family quickly learns that, especially under such tragic circumstances, laughter is essential. It stabilizes the family, contributes to awakening a comatose patient, and lightens the journey of the patient who emerges into a surreal world of disconnect from the little she remembers about the person she was and wants to think she still is. This family laughed! Come laugh—and cry—with them as Caron's Mom reflects upon this difficult time in her family's life, while also offering insights that might help other families and friends who shoulder a similar burden. -----

--- REVIEWS FROM AMAZON.COM: INSPIRATIONAL READ FOR ALL, September 30, 2010, by E. Standish Caron:

Awakening is an incredible true story of a family's love, struggle, and triumph during a time of great hardship. Teahan weaves together the emotional realities of family members when dealing with a loved one who has a traumatic brain injury. She introduces the reader to the struggles and successes of working with the hospital personnel from the time her daughter was flown to the emergency room all the way through her rehabilitation and beyond. This book would be great for people experiencing a similar situation, or for people like me who are intrigued by a heartfelt story of the intense love of a mother for her daughter. This book kept me up night after night because I couldn't stop rooting for Caron and her recovery! You will laugh, cry, and celebrate right along with Caron and her family through every step of the journey. UPLIFTING & FUNNY/A HEARTWARMING STORY OF LOVE & FAMILY, November 11, 2010, by Dani Vaughn This book is both an intimate look into a situation nobody would ever hope to find themselves in and a trust yourself redemption story that gave me warm fuzzies at the end. I read for escape so I like my books to be brain candy - I want them to take me someplace I would/could not go on my own. This one did that. I cried and I laughed and I felt like I was living this story through the best and the worst.
