Ancient Aliens and Secret Societies Mike Bara, 2015-03-17 Did ancient “visitors”—of extraterrestrial origin—come to Earth long, long ago and fashion man in their own image? Did they then lift the human race out of the ashes of a great global catastrophe around 10,500 BC? Were the science and secrets that they taught the ancients intended to be a guide for all humanity to the present era? Was this crucial information about our future and our true past hijacked by secretive cabals, some with bad intent and some with altruistic designs, who have held these secrets over the millennia? New York Times bestselling author Mike Bara says the answer to each of these questions is “yes.” He examines ancient documents, including the Bible, to delve into the true story of the beginnings of mankind. He establishes the reality of the major catastrophe that jolted the human race, and traces the history of secret societies from the priesthood of Amun in Egypt to the Templars in Jerusalem and the Scottish Rite Freemasons. He shows how the spiritual wisdom and scientific knowledge the ETs sought to bestow on all humanity were kept by these secret societies for their own benefit. The influence of these sects and their extraterrestrial ties are said to be the stuff of myth, but Bara will show readers that this influence is all too real, extending even into the political arena. He has a very interesting take on the Kennedy assassination! Bara also reveals the true origins of NASA and exposes the bizarre triad of secret societies in control of that agency since its inception. In the end, Bara shows how NASA is manipulating the space program to fulfill occult purposes—which may lead to our meeting the very ETs we have been inextricably linked with since the beginning.

The Anti-Globalist Manifesto Jerome R. Corsi, 2024-08-13 In his new book, *The Anti-Globalist Manifesto: Ending the War on Humanity*, bestselling author Jerome Corsi puts out a call for action to reverse the totalitarian goals of the New World Order globalists. Corsi addresses that these demons are well advanced in their planned “One World Government” takeover aimed at establishing an atheistic utopia that will have no respect for traditional human rights. Comfortable that their transhuman aspirations are achievable, the Malthusian elite is waging a war on humanity that embraces global depopulation

as a means of preventing Earth's abundant natural resources for themselves. Tracing this dystopian nightmare back to the assassination of President John F. Kennedy on November 23, 1963, as the day the deep state went rogue in a conspiracy involving the CIA, the Pentagon, the State Department, and the Department of Justice to affect a coup d'état that would allow the military industrial complex to go to war in Vietnam, the deep state has created an ongoing Truman Show—a series of never-ending psychological operations designed to induce citizens worldwide to surrender freedoms to government in return for security. With the premise that the globalist elite uses systems of mass manipulation and social engineering to induce the world's population to accept the implementation of the reforms it has already decided to implement, Corsi sets a detailed plan for organizing global resistance against the subversives who now sit at the top of the institutions or world government and finance. The Anti-Globalist Manifesto is a call to action to restore God to our lives, as those of us fighting for a return to personal freedoms and limited government, ending the war on humanity and driving once and for all time the New World Order globalists back to Hell where they belong.

Cults, Conspiracies, and Secret Societies Arthur Goldwag, 2009-08-11 Did you know? • Freemasonry's first American lodge included a young Benjamin Franklin among its members. • The Knights Templar began as impoverished warrior monks then evolved into bankers. • Groom Lake, Dreamland, Homey Airport, Paradise Ranch, The Farm, Watertown Strip, Red Square, "The Box," are all names for Area 51. An indispensable guide, *Cults, Conspiracies, and Secret Societies* connects the dots and sets the record straight on a host of greedy gurus and murderous messiahs, crepuscular cabals and suspicious coincidences. Some topics are familiar—the Kennedy assassinations, the Bilderberg Group, the Illuminati, the People's Temple and Heaven's Gate—and some surprising, like Oulipo, a select group of intellectuals who created wild formulas for creating literary masterpieces, and the Chauffeurs, an eighteenth-century society of French home invaders, who set fire to their victims' feet.

The Rescue George Romero, 2011-03-18 The Rescue is not a science fiction book, is a book about ancient and modern events. It took a lot of guts to write this book, and perhaps you could do with even more courage to read it. Probably the

intellectual will call it, nonsense. Since his intellect, do match the freethinking of a non-academic writer. Without a doubt, he will place this book on the Index of books never to mention. Undoubtedly other readers with open arms will accept it, and recognize it as a amazing narrations; and when they come across with the opportunity of discovering that our past can be even more mysterious and full of adventures that the search for our future. As a Philontologist (philosophy and ontology), George Romero will attempt to interpret the mysteries that guide our thoughts to externalize some real issues that are affecting our way of existence in our daily lives, which he call it The New Law Order. The essence and the key point of this theory, is in-how it happened thousands of years ago when the cosmic gods visited us for the first time... this is another Government coverup? What top secrets are we talking about! It is what the American government is hiding from us! They still are denying the existence and the appearance of the UFOs in our sky. What is the real Rescue of humanity in the years to come?

Anunnaki to AI: The Hidden History of Mankind Rick Giernoth,

Einstein's Destruction of Physics Peter Ćujak,2018-02-09 This book is intended for anyone who is interested in a real physical image and order of the physical world surrounding us.In this book Einstein's destruction of physics is documented. The physical reality of gravity, inertial forces, mass, time, double-slit experiment is debunked. It shows that Quarks and Higgs bosons do not exist and that all elementary particles, all rigid matter and all force fields in the Universe are created from compression of ether. It show that Einstein, after 1916 became a more enthusiastic advocate of the proven existence of the ether than supporters of the ether before 1905.The aim of this book is to return physics from its way of metaphysics in the 20th century on the way of the physical reality in the 21st century. This second edition of this book was augmented by twenty pages compared to its first edition. After this augmentation it appears that the argumentation about the unacceptability of the ill-founded physical theories of the 20th century represents a compact corpus.

Triumph of the Light Vidya Frazier, 2017-11-20 Story of Humanity's Enslavement and Impending Liberation If you're disturbed by the increasing chaos, disasters and violence playing out on the world stage, this book will help you understand why this is all happening. It will introduce you to a world that may sound like science fiction or conspiracy theory--but becomes a fascinating story difficult to dispute or deny, as it finally makes sense of what is happening. The story presented here is largely based on information revealed by increasing numbers of courageous whistle-blowers from within the military, intelligence communities and researchers who are speaking truths long kept secret from the public. It becomes clear that humanity has actually been controlled for thousands of years in insidious ways most people are unaware of. And that there is a battle currently being waged for humanity's liberation from this control. Triumph of the Light may lead you to question your beliefs, your conditioning, and what you've believed to be true about the world and humanity's history. Although disturbing in many ways, what's offered here is also exciting and uplifting, as the author gives great hope for our future. It becomes clear that, even with all that is now occurring, humanity is actually on the verge of an incredible leap in consciousness into a state of much greater freedom, harmony, justice and spiritual awakening.

The Change Agent - Paradigm Shift in Consciousness Bruce Barcomb, 2022-05-06 The Change Agent - Paradigm Shift in Consciousness is an evolutionary look at who we are in the universal consciousness. As imperfect as we are as a species, we share a common thread of belief systems predicated on learned, internalized data. What have we seen, learned, practiced, and become? Are we capable of self-examination? Without the ability to examine our thoughts, ideas, or learned practices, we are forever bound to arcane ideas or behaviors that do not reflect our natural ability to adapt. The Change Agent - Paradigm Shift in Consciousness reflects our collective and individual human condition spanning a few millennia. In correlating the foundations of our collective, concepts from books, films, history, facts, and conspiracies are incorporated, all backed by supporting referential materials.

ANCIENT ALIENS AND JFK Mike Bara, 2020-01-01 Mike Bara, space expert and author of Ancient Aliens on the Moon, takes a hard look at the Kennedy assassination and the race to the Moon. Bara will examine never-before-revealed clues to the real reasons behind the Kennedy assassination, the true objectives of the Apollo program and the shadow government hidden agendas that led to Kennedy's death in Dallas. Relying on never-before-seen documents culled from the recent Kennedy assassination papers document dump, Bara will show the secret connections between key assassination figures like

Lee Harvey Oswald, Lyndon Johnson, and highly placed figures inside NASA who had reasons to want Kennedy dead. Bara also looks into the bizarre billion-dollar Treasury bonds that Japanese businessmen attempted to deposit in a Swiss bank that had photos of Kennedy and the Moon on them. Is the wealth of the Moon being used as collateral by the USA? The book will dig deeply into Kennedy's silent war with shadowy Deep State figures who were desperate to shut down his Disclosure agenda. Finally, Bara will examine the truth behind the Apollo missions by looking at recent revelations like Project Horizon, "Apollo 20," and rumors that the landings themselves were faked. Includes 8-page color section.

9/11/2001 The Day Patriotism was Hijacked D Randall Ashcraft, 2020-09-28 Having been taught patriotic ideas from an early age, then having served in the military and taking the oath to “protect and defend the Constitution from all enemies, foreign and domestic” several times, the author has written this book after having to redefine his beliefs regarding “patriotism” based on new evidence he has encountered. In other words, his patriotism has evolved to the point of getting “back to the basics” regarding the Constitution and Bill of Rights, the foundation of American life, yet they have taken serious hits since, and because of 9/11/01. This book is an attempt to share with his fellow Americans things that have been, apparently, deliberately withheld from the general public regarding what really happened that day and why. One must admit that it is strange that we have always seemed to have an enemy, or a “boogeyman,” as Mobster Sam Giancana once related: “The Fat Cats were fully aware that Americans will do anything for Patriotism, hence, you always must provide them with a ‘boogeyman.’ They won’t overwork themselves just to make huge profits for ‘fat cats’ for any other reason, so new enemies always have to be found or created.” Wars are big business for a certain group of wealthy “elites” who value profits above human life. This book explores this inhumane idea and much, much more!

Life, One Big Existential Crisis Kerry Louise Stalker, 2021-01-25 *Life, One Big Existential Crisis* takes the reader on an epic journey. It starts by asking 'What's the point?' then ventures down the psychological, philosophical, spiritual, cosmological, and conspiratorial rabbit hole to answer this great ontological question. In short, the spirit world is real. A spiritual battle is taking place and our souls are the prize for either the kingdom of darkness or kingdom of light. There is a dastardly cabal orchestrating our reality, using the Bible as it's playbook. We're living in the last pages of the Bible, and this great book will close with a bang. The Beast 'one world' system is on our doorstep. This book is for those who want to know the Truth and break free from the matrix. The focus is on authenticity and choosing your choice.

Antichrist Osiris: the History of the Luciferian Conspiracy Chris Relitz, 2012-06-01 The Legends of many cultures claim that the world was once destroyed in a cataclysmic flood. Many cultures also claim that someday the world will again be destroyed in a similar fashion. In the Bible we are told that the disciples once asked Jesus if there would be a warning sign prior to this destructive event. He said that there would indeed a sign. Jesus said that whatever was happening in the Days of

Noah will happen again before the end of this age. The Bible has only a few verses about Noah's Flood. So we are forced to turn to the ancient flood legends of over 350 other cultures to learn more about this prophecy. But Noah's days did not end with the flood, he lived for many years afterward. He saw the creation of a tower in Babylon. This is interesting because the Freemasons claim that their Order originated here. Here is the most thorough examination of Freemasonry ever undertaken, using their own texts, to solve the Days of Noah prophecy.

You Are Not My Big Brother: Menticide Psychotronic Brainwashing (Mind Control Technology Book Series) Book 2 of 7
Renee Pittman, 2012-10-07 Reviewed as an excellent book for understanding the advanced technology applied to reportedly 300,000 or more victims of human experimentation within the USA and millions globally, Targeted for every reason under the Sun. In Book Two of the Mind Control Technology book series, the author details personal experiences surrounding abuse and victimization by a high-tech military COINTELPRO, corrupt cops, DOD contractor trained, et. al., using real-time surveillance, drones, and highly advanced, patented, influence technology on her covertly hoping to substantiate allegations. When the manipulative effort failed, resulting in this explosive tell-all book, the physical and psychological effort escalated as attempts to prevent publication and the author's living Hell around the clock by non-ionizing radiation beamed both inside and outside her home and 24/7 tracking around the clock. It appears that those involved in covert technology testing and spearheading The Program were attempting to make good on the promise, by repeated threats, that if she did not stop publication she would suffer the consequences. This is a program that is officially overseen from one of the approximate 120 state-of-the-art fusion centers across our country today. Within the high-tech, psychophysical, military COINTELPRO, the technology is unseen or detectable to the human eye, or as close as official set-ups at neighboring locations. Little known today, various advanced, highly perfected technologies are being used globally such as patented Synthetic Telepathy also known as the radio frequency Hearing Voices effect, mind reading, consciousness altering, dream manipulation, etc., along with the capability of subliminal message carrying through communication towers, portable systems and devices, and satellites and drones. The technological arsenal of today consists of technology which can manipulate thoughts, create visual holograms, or even stimulate a person sexually, electromagnetically, a new form of covert, legalized, terrorism, miles away through a supercomputer terminal. It appears that Big Brother's 1984 technocratic agenda has come of age by handheld, portable, land, sea, drone, cellular microwave antenna topped towers, and space-based technology advancing from the weapon system first publicized during the Reagan era of the 80's as the Strategic Defense Initiative then fondly called Star Wars. This is as a platform using a wide array of advanced weapon including lasers, particle beams, etc. Pittman's truthful revelations and honesty placed her in a unique position, of which so many fear exposing. This is because of lack of awareness of mind invasive, psychotronic technology and widespread use and targeting. By revealing tactics that start human experimentation, then pointing the finger at the official culprits, you and anyone can become a threat.

Think Big and Kick Ass in Politics Niccolò DaVinci, 2016-08-31 This book is about power, success, strategy, seduction, thinking big, the law of attraction, winning, and kicking ass in real-life politics, period. It obliterates the lies and misconceptions surrounding the 2016 billionaire Republican presidential nominee and proves, with certitude, that, rather than just being a front-running political candidate, he is a shrewd, political mastermind the likes of which has not been seen since the Italian Renaissance and Niccol Machiavelli himself. An inspirational work, it also reveals how you too can become a political mastermind. It unveils the true nature and definition of politics and teaches you how to successfully play and excel at the game of power all to your advantage. The author also reveals how the mastermind mindset has made countless celebrities powerful and successful. He even reveals information about reality TV star Mimi Faust from VH1's Love & Hip Hop: Atlanta. One thing is certain, if you are a big thinker whether Democrat, Independent, or Republican this book is definitely a must read! With history and fact as his backbone, DaVinci does an impeccable job telling it like it is. Sun Tzu, Machiavelli, and Robert Greene would be astonished.
