James Patterson

Maximum Ride: The Manga, Vol. 6 James Patterson, 2012-12-11 The time has come for Max and her winged Flock to face their ultimate enemy and discover their original purpose: to defeat the takeover of Re-evolution, a sinister experiment to re-engineer a select population into a scientifically superior master race...and to terminate the rest. Max, Fang, Iggy, Nudge, Gasman, and Angel have always worked together to defeat the forces working against them-but can they save the world when they are torn apart, living in hiding and captivity, halfway across the globe from one another?

Maximum Ride: The Manga, Vol. 3 James Patterson, 2011-11-07 Narrowly surviving their encounter with Erasers in New York City, the flock is following up a lead on their pasts in Washington, D.C. But what they find waiting for them is...a home?! How will the flock adjust to a real school - one that doesn't involve mad scientists and genetic freaks?

Maximum Ride: The Manga, Vol. 5 James Patterson, 2011-12-13 Escaping ITEX in Florida, the Flock head west, with Max more burdened than ever by the knowledge that she's meant to save the world. But while their leader is keen to stay on the path leading to her destiny, Fang and the others are more interested in settling down and letting the chips fall where they may. With the Erasers eerily absent from their lives of late, has the Flock finally earned a bit of peace...or is this all just the calm before the storm?

Maximum Ride: The Manga, Vol. 2 James Patterson, 2011-11-07 Fourteen-year-old Maximum Ride, better known as Max, knows what it's like to soar above the world. She and all the members of the Flock--Fang, Iggy, Nudge, Gasman and Angel--are just like ordinary kids--only they have wings and can fly. It may seem like a dream come true to some, but their lives can morph into a living nightmare at any time--like when Angel, the youngest member of the Flock, is kidnapped and taken back to the School where she and the others were genetically engineered by sinister scientists. Her friends brave a journey to blazing hot Death Valley, CA, to save Angel, but soon enough, they find themselves in yet another nightmare--this one involving fighting off the half-human, half-wolf Erasers in New York City. Whether in the treetops of Central Park or in the bowels of the Manhattan subway system, Max and her adopted family take the ride of their lives. Along the way Max discovers from her old friend and father-figure Jeb--now her betrayed and greatest enemy--that her purpose is save the world--but can she?

Maximum Ride: The Manga, Vol. 4 James Patterson, 2011-11-07 Despite their initial hesitation, living with Anne has softened the Flock, so Max is keenly aware that it's time to leave. With Thanksgiving so near, though, all of them want to stay, at least until they've had their first ever Thanksgiving turkey! But danger is on the horizon as Jeb's plan advances, and while the Flock's new school seems normal and safe, secrets are hidden beneath its prestigious facade...

Maximum Ride: The Manga, Vol. 9 James Patterson, 2015-12-15 When Dr. Martinez and her colleagues established the Coalition to Stop the Madness, spreading environmental awareness through the flock's public air shows, Max knew it could be dangerous. Maximum Ride: The Manga, Vol. 7 James Patterson, 2013-10-29 Fang's blog has brought ITEX and their cruel research to the world's attention, and his readers take a stand at the facility where Max and the girls are being held, shutting the organization down. But Max isn't through saving the world yet! When the Flock is asked to aid a group of environmental scientists studying the effects of global warming, the expedition seems like a perfect combination of adventure and activism. But even in Antarctica, Max is an irresistible target with the eyes of the world upon her. For whoever controls her powers could also control the world...
