Straight Korean Female Fans and Their Gay Fantasies Jungmin Kwon, 2019-02-15 This book is about ardent Korean female fans of gay representation in the media, their status in contemporary Korean society, their relationship with other groups such as the gay population, and, above all, their contribution to reshaping the Korean media's portrayal of gay people. Jungmin Kwon names the Korean female fandom for gay portrayals as "FANTasy" subculture, and argues that it adds to the present visibility of the gay body in Korean mainstream media, thus helping to change the public's perspective toward sexually marginalized groups. The FANTasy subculture started forming around text-based media, such as yaoi, fan fiction,

and U.S. gay-themed dramas (like *Will & Grace*), and has been influenced by diverse social, political, and economic conditions, such as the democratization of Korea, an open policy toward foreign media products, the diffusion of consumerism, government investment in the culture, the Hollywoodization of the film industry, and the popularity of Korean culture abroad. While much scholarly attention has been paid to female fandom for homoerotic cultural texts in many countries, this book seeks to explore a relatively neglected aspect of the subculture: its location in and influence on Korean society at large.

That Time I Got Reincarnated in a BL Manga Maria, 2024-03-26 Don't miss this hilarious BL take on the isekai genre!

After getting stabbed on the bus, the manga artist Tetsuo Tanaka finds that he has been reincarnated... into the BL manga he created?! Although he quickly runs into the sexually adventurous love interest Takumi, Tetsuo has unfortunately been reincarnated as Atsushi, the promiscuous rival to the canon seme.

Although Tetsuo/Atsushi is initially able to successfully make a move on the alluring Takumi, fate/the plot seems to be determined to return things to the status quo. Will he be able to rewrite the plot and find a happy ending with the man of his dreams? Even if he can't, there's sure to be plenty of fun along the way!

Letters from the Ginza Shihodo Stationery Shop Kenji Ueda, 2024-11-07 For lovers of Days at the Morisaki Bookshop, a new book about the beauty of humble objects, the power of writing, and reconnecting with those you have lost. Write your story, heal your heart . . . Hidden away in a corner of the Ginza neighbourhood is a venerable stationery shop. To venture inside is to find everything your stationery-loving heart desires, from the most delicate paper to fountain pens that fit exactly to the shape of your hand to gorgeously coloured inks. The shop owner intuitively meets your every need, inviting you to take a seat at a small wooden table on the top floor, where you'll find the words flowing, helping you unlock repressed memories, secret longings and your own mysteries. To this shop comes a young company employee, uncertain in his career and needing a connection back to his past; the hostess of an elegant club; the vice-captain of a high-school archery team, an ageing businessman and a formerly homeless sushi chef. With impeccable manners and a warm demeanour, the shop owner helps each of them with more than just their stationery needs.
