## Nathaniel Hawthorne

*The Birth-Mark* Nathaniel Hawthorne, 2025 Aylmer, a brilliant but obsessive scientist, has everything he could desire—except a perfect wife. Though Georgiana is beautiful, a small birthmark on her cheek becomes, in his eyes, an intolerable flaw. Convinced that science can correct nature's mistake, he sets out to remove it, believing he can shape her into something flawless. But perfection comes at a cost, and some marks are not meant to be erased. *The Birth-Mark* is a haunting tale of obsession, science, and the dangers of idealism. With precision and psychological depth, Nathaniel Hawthorne examines humanity's relentless pursuit of perfection and the tragic consequences of trying to control what makes us human. Nathaniel Hawthorne [1804-1864] is counted among the great American writers. In addition to his psychological novels, with *The Scarlet Letter* being the most famous, he wrote a large number of short stories. Many of Hawthorne's tales are set in colonial New England, and he often drew inspiration from his own Puritan heritage.

**The Birthmark** Nathaniel Hawthorne, 2016-04-17 *The Birth-Mark* is a romantic short story written by Nathaniel Hawthorne that examines obsession with human perfection. It was first published in the March 1843 edition of *The Pioneer*. It later appeared in *Mosses from an Old Manse*, a collection of short stories by Hawthorne published in 1846. Plot summary Aylmer is a brilliant and recognized scientist and philosopher who has dropped his focus from his career and experiments to marry the beautiful Georgiana (who is physically perfect except for a small red birthmark in the shape of a hand on her cheek). As the story progresses, Aylmer becomes unnaturally obsessed with the birthmark on Georgiana's cheek. One night, he dreams of cutting the birthmark out of his wife's cheek (removing it like scraping the skin from an apple) and then continuing all the way to her heart. He does not remember this dream until Georgiana asks about what his sleep-talking meant. When Aylmer remembers the details of his dream, Georgiana declares that she would risk her life having the birthmark removed from her cheek rather than to continue to endure Aylmer's horror and distress that comes upon him when he sees her. The following day, Aylmer deliberates upon and then decides to take Georgiana to the apartments where he keeps a laboratory. He glances at Georgiana casually and normally but can't help but shudder violently at seeing her imperfection; Aylmer's reaction causes her to faint. When she awakens, he treats her warmly and comforts her with some of his scientific concoctions but when he attempts to take a portrait of her, the image is blurred save for her birthmark revealing the disgust he has of it. He experiments some more and describes some of the successes to her but as he questions

how she is feeling, Georgiana begins to suspect that Aylmer has been experimenting on her the entire time without her knowledge and consent. Aylmer catches her investigating, and accuses her of spying on him in the laboratory, and potentially damaging his valuable and delicate instruments. They argue briefly but not intensely. Georgiana then agrees to drink a potion Aylmer has concocted for her despite his warning that it might be dangerous to do so and may carry unexpected side effects. Soon after, he brings her the potion and the potion is proven to be effective, in some respects, by rejuvenating a nearby plant with but a few drops. Upon seeing this and trusting her distressed husband, Georgiana drinks the concocted potion and promptly falls asleep. Aylmer watches the birthmark fade little by little. Once it is nearly gone, Georgiana wakes up and is pleased (like Aylmer) to see the results. However, the potion had side effects, and Georgiana soon tells her husband that she is slowly dying. Once the birthmark fades completely, Georgiana dies with it.

The Birth-Mark Nathaniel Hawthorne, 2017-07-25 How is this book unique? Font adjustments & biography included Unabridged (100% Original content) Illustrated About The Birth-Mark by Nathaniel Hawthorne The Birthmark is a romantic story written by Nathaniel Hawthorne that examines obsession with human perfection. Plot Summary: In the latter part of the last century there lived a man of science, an eminent proficient in every branch of natural philosophy, who not long before our story opens had made experience of a spiritual affinity more attractive than any chemical one. He had left his laboratory to the care of an assistant, cleared his fine countenance from the furnace smoke, washed the stain of acids from his fingers, and persuaded a beautiful woman to become his wife. In those days when the comparatively recent discovery of electricity and other kindred mysteries of Nature seemed to open paths into the region of miracle, it was not unusual for the love of science to rival the love of woman in its depth and absorbing energy. The higher intellect, the imagination, the spirit, and even the heart might all find their congenial aliment in pursuits which, as some of their ardent votaries believed, would ascend from one step of powerful intelligence to another, until the philosopher should lay his hand on the secret of creative force and perhaps make new worlds for himself. We know not whether Aylmer possessed this degree of faith in man's ultimate control over Nature. He had devoted himself, however, too unreservedly to scientific studies ever to be weaned from them by any second passion. His love for his young wife might prove the stronger of the two; but it could only be by intertwining itself with his love of science, and uniting the strength of the latter to his own.

*THE BIRTHMARK (A Dark Tale of Love & Obsession)* Nathaniel Hawthorne,2017-12-06 The Birthmark deals with the husband's deeply negative obsession of his wife's outer appearances and what does that entail for these two young couples. The birthmark represents various things throughout the story. Two of the main representations are imperfection and mortality. American novelist and short story writer Nathaniel Hawthorne's (1804–1864) writing centers on New England, many works featuring moral allegories with a Puritan inspiration. Hawthorne has also written a few poems which many people are not aware of. His works are considered to be part of the Romantic movement and, more specifically, Dark romanticism. His themes often centre on the inherent evil and sin of humanity, and his works often have moral messages and deep psychological complexity.

**The Workings of Fiction** Robert Bechtold Heilman, 1991 *The Workings of Fiction* is a collection of essays, chiefly on British and American novels and novelists, that shows a masterful critic at work. Each of the essays examines a different aspect of the novelists' art as one uniquely astute critical mind observes them. The central issue Robert Heilman confronts--often by studying the novels in pairs--is how the novelist does what he does. Dealing with subjects as diverse as Charlotte Bronte, Henry James, D. H. Lawrence, Thomas Hardy, and Evelyn Waugh, Heilman studies the workings of fiction from varied stances. He investigates the uses of the verbal medium and the several means by which a given theme is developed. As Heilman identifies and traces particular themes, he studies how parts are assembled into a whole. In addition, he explores particular generic types--like the picaresque, the gothic, the tragic--as they are used by a variety of novelists. Written by a gifted man of letters, *The Workings of Fiction* takes us inside the process of criticism. The book offers us an original and perceptive view of *Under the Volcano* as it offers of *Pride and Prejudice* or *The Turn of the Screw*. Each essay presents a fresh way of looking at and understanding these novels. This collection will be of interest to anyone who desires insight into the workings of fiction.

Literary Theories in Praxis Shirley F. Staton, 1987 *Literary Theories in Praxis* analyzes the ways in which critical theories are transformed into literary criticism and methodology. To demonstrate the application of this analysis, critical writings of Roland Barthes, Harold Bloom, Cleanth Brooks, Jacques Derrida, Northrop Frye, Norman Holland, Barbara Johnson, Jacques Lacan, Adrienne Rich, and Robert Scholes are examined in terms of the primary critical stance each author employs--New Critical, phenomenological, archetypal, structuralist/semiotic, sociological, psychoanalytic, reader-response, deconstructionist, or humanist. The book is divided into nine sections, each with a prefatory essay explaining the critical stance taken in the selections that follow and describing how theory becomes literary criticism. In a headnote to each selection, Staton analyzes how the critic applies his or her critical methodology to the subject literary work. Shirley F. Staton's introduction sketches the overall philosophical positions and relationships among the various critical modes.

The Birth-mark Nathaniel Hawthorne, 2017-10-03 Nathaniel Hawthorne was born on July 4, 1804, in Salem, Massachusetts, where his birthplace is now a museum. William Hathorne, who emigrated from England in 1630, was the first

of Hawthorne's ancestors to arrive in the colonies. After arriving, William persecuted Quakers. William's son John Hathorne was one of the judges who oversaw the Salem Witch Trials.

**Ralph Ellison** Lawrence Patrick Jackson, 2007 Author, intellectual, and social critic, Ralph Ellison (1914-94) was a pivotal figure in American literature and history and arguably the father of African American modernism. Universally acclaimed for his first novel, *Invisible Man*, a masterpiece of modern fiction, Ellison was recognized with a stunning succession of honors, including the 1953 National Book Award. Despite his literary accomplishments and political activism, however, Ellison has received surprisingly sparse treatment from biographers. Lawrence Jackson's biography of Ellison, the first when it was published in 2002, focuses on the author's early life. Powerfully enhanced by rare photographs, this work draws from archives, literary correspondence, and interviews with Ellison's relatives, friends, and associates. Tracing the writer's path from poverty in dust bowl Oklahoma to his rise among the literary elite, Jackson explores Ellison's important relationships with other stars, particularly Langston Hughes and Richard Wright, and examines his previously undocumented involvement in the Socialist Left of the 1930s and 1940s, the black radical rights movement of the same period, and the League of American Writers. The result is a fascinating portrait of a fraternal cadre of important black writers and critics--and the singularly complex and intriguing man at its center.
