

# The Gospel Of Thomas

**Raymond Thompson**

*The Gospel of Thomas*, 2004 In 1945, a Coptic document containing sayings attributed to Jesus was discovered deep within an ancient Egyptian cave. This lost gospel, the Gospel of Thomas, was written at the same time as the canonical Gospels of Matthew, Mark, Luke, and John, and is now considered one of the greatest religious discoveries of the twentieth century. It contains 150 sayings, approximately half of which are found in the New Testament--the other half of which are found only here. These new sayings offer an original perspective on Jesus' message. Most notably, they emphasize that the Kingdom of Heaven exists right before us in this present moment, and all that we have to do is recognize it. This edition includes an extensive foreword by Andrew Harvey, as well as commentary that explains biblical terms, philosophical concepts, and historic contexts.

**Gospel of Thomas Annotated & Explained**, 2002 The recently discovered mystical sayings of Jesus, with facing-page commentary that brings the text to life for you. The Gospel of Thomas really is, I believe, the clearest guide we have to the vision of the world's supreme mystical revolutionary, the teacher known as Jesus. To those who learn to unpack its sometimes cryptic sayings, the Gospel of Thomas offers a naked and dazzlingly subversive representation of Jesus' defining and most radical discovery: that the living Kingdom of God burns in us and surrounds us at all moments. --from the Foreword by Andrew Harvey This ancient text can become a companion for your own spiritual journey. In 1945, twelve ancient books were found inside a sealed jar at the base of an Egyptian cliff. One of those texts was the Gospel of Thomas, one of the most important religious archaeological discoveries of the twentieth century. While illuminating the origins of Christianity, it raises the question whether the New Testament's version of Jesus' teachings is entirely accurate and complete. Written at the same time as the canonical Gospels, the Gospel of Thomas portrays Jesus as a wisdom-loving sage. The aphoristic sayings emphasize the value of the present, teaching that the Kingdom of God is here and now, rather than a future promise or future threat. It presents a new way of looking at the challenging and intriguing figure of Jesus, and reminds us that the Divine can be found right here on earth. Now you can experience the Gospel of Thomas with understanding even if you have no previous knowledge of early Christian history or thought. This SkyLight Illuminations edition offers insightful yet unobtrusive commentary that explains references and philosophical terms, shares the inspiring interpretations of famous spiritual teachers, and gives you deeper understanding of Thomas's innovative message: that self-knowledge and contemplation of the

nature of this world are the keys to the Kingdom of Heaven.

*The Fifth Gospel (New Edition)* Stephen J. Patterson,Hans-Gebhard Bethge,James M. Robinson,2011-10-27 In December 1945, at the base of cliffs that run along the Nile River near the modern-day town of Nag Hammadi, an Egyptian farmer discovered a sealed jar containing thirteen ancient Coptic codices. This discovery represented arguably the most significant manuscript discovery of the twentieth century for the study of the New Testament and Christian origins. Of all the texts found none has been more important than the Gospel of Thomas for our understanding of early Christianity. This classic book presents the best text and the best translation of Thomas in user-friendly form. Additional chapters provide a general introduction to the Gospel of Thomas and tell the fascinating story of that discovery itself by one who was directly involved in bringing this new Gospel to light. An annotated list for further reading completes the volume. This new edition features updated material which takes account of recent research on the gospel of Thomas. The translation has been refined at points, and the bibliographical material updated.

**The Gospel of Thomas and Jesus** Stephen J. Patterson,1993

*The Gospel of Thomas* Marvin W. Meyer,2009-09-15 A fresh, authoritative English translation, with an informative introduction, fascinating explanatory notes, and the Coptic text, with interpretation by Harold Bloom, our pre-eminent literary critic.

**The Gospel of Thomas** Mark Mattison,2015-08-16 These are the hidden sayings that the living Jesus spoke and Didymos Judas Thomas wrote down. With this opening statement, the Gospel of Thomas, legendary Apostle to the East, introduces a startlingly profound list of Jesus' ancient Wisdom sayings. Similar to the collections of quotations copied by the Gospels of Matthew and Luke, Thomas' Gospel contains a hundred and fourteen sayings, half of which don't appear in the New Testament. Once known from only a handful of ancient sources, third-century Greek fragments of this Gospel first turned up at the end of the nineteenth century - but it wasn't until the middle of the twentieth that a complete Coptic manuscript was discovered. The Gospel of Thomas: A New Translation for Spiritual Seekers not only cuts through the ensuing debate, but also presents the very first public domain translation of this amazing discovery.

*The Gospel of Thomas* Richard Valantasis,2008-03-07 This volume offers the first full commentary on the Gospel of Thomas, a work which has previously been accessible only to theologians and scholars. Valantasis provides fresh translations of the Coptic and Greek text, with an illuminating commentary, examining the text line by line. He includes a general introduction outlining the debates of previous scholars and situating the Gospel in its historical and theological contexts. The Gospel of Thomas provides an insight into a previously inaccessible text and presents Thomas' gospel as an integral part of the canon of Biblical writings, which can inform us further about the literature of the Judeo-Christian tradition and early Christianity.

*Recovering the Original Gospel of Thomas* April D. DeConick, 2006-08-15 Explores tough questions that have occupied scholars since the discovery of the Gospel of Thomas in the sands of Nag Hammadi, Egypt, in the 1940's. Where did this gospel come from? When was it written? Who wrote it? Why was it composed? What is its meaning? This book examines these issues.

**The Original Gospel of Thomas in Translation** April D. DeConick, 2007-11-01 Provides the first comprehensive analysis of the stages of development of the Gospel of Thomas

**The Gospel of Thomas** Marvin W. Meyer, 1992-10-09 A fresh, authoritative English translation, with an informative introduction, fascinating explanatory notes, and the Coptic text, with interpretation by Harold Bloom, our pre-eminent literary critic.

**The Gospel of Thomas and Christian Wisdom** Stevan L. Davies, 2005 Discovered in Egypt in 1945 as part of the Nag Hammadi Library, the Gospel of Thomas was long considered irrelevant to the study of Jesus' teachings. Stevan Davies' influential *The Gospel of Thomas and Christian Wisdom* overturned this view, and enabled the Gospel of Thomas to be taken seriously as a source for the earliest Christianity. This Bardic Press edition brings a classic work of accessible scholarship back into print. A entirely new forty page introduction discusses recent developments in scholarship, looks at Thomas' independence from the New Testament gospels, discusses the role of Mary Magdalene in the Gospel Thomas, and offers a variety of valuable insights. A fascinating additional essay speculates that Thomas may have been used as an oracle text in a similar way to the I Ching.

A Commentary on the Gospel of Thomas Petr Pokorný, 2009-04-01 This commentary is opened by a study offering information about all aspects of the Gospel of Thomas, especially about its relation to other texts of early Christian literature, including the canonical Gospels. The successive commentary is based upon the Coptic version and discusses also all fragments of the original Greek text. The volume is divided into two parts: The first discusses the function of each logion (saying) within the frame of piety and theology of the Thomasine group, for which the Gospel is composed; The second part discusses its literary shape and its history, including its relation to the historical Jesus. The result is a portrait of the Gospel as a radical interpretation of Jesus' heritage, still preserving some forgotten features of his teaching.

**The Gospel of Thomas** Uwe-Karsten Plisch, 2008 The Gospel of Thomas, a collection of words of Jesus, is one of the most significant extrabiblical texts of the early Christian era. This edition presents the texts in the classical languages and provides an English translation and a readily readable commentary. It includes: An introduction to the Gospel of Thomas The complete Coptic text The text of the Greek fragments and a Greek retranslation of all logia with parallel texts from the canonical gospels An English translation An extensive commentary Illustrations of the Coptic manuscript An appendix with an index and bibliography The introduction and commentary do not assume knowledge of the classical languages, making the

Gospel of Thomas accessible to a broad audience. Dr. Uwe-Karsten Plisch is a renowned specialist in extrabiblical texts of the early Christian era (2nd/3rd centuries). He participates in the German translation of the texts from Nag Hammadi

**Decoding the Gospel of Thomas** Raymond Thompson,2010-01-06

**The Gospel of Thomas** Simon James Gathercole,2014-05-22 In this new commentary on the controversial Gospel of Thomas, Simon Gathercole provides the most extensive analysis yet published of both the work as a whole and of the individual sayings contained in it. This commentary offers a fresh analysis of Thomas not from the perspective of form criticism and source criticism but seeks to elucidate the meaning of the work and its constituent elements in its second-century context. With its lucid discussion of the various controversial aspects of Thomas, and treatment of the various different scholarly views, this is a foundational work of reference for scholars not just of apocryphal Gospels, but also for New Testament scholars, Classicists and Patrologists.

**The Gospel of Thomas** Ron Miller,2011-08-18 The Gospel of Thomas—a book of sayings and wisdom of Jesus compiled as early or earlier than the New Testament gospels—can transform your spiritual life. There are many academic commentaries on the Gospel of Thomas, but this book has a different aim. It is meant to be a guidebook, that is, a translation of the sayings into daily practice. The goal of such practice is to become Jesus's twin. This does not, of course, mean becoming an olive-skinned, bearded Mediterranean peasant wearing sandals. It is more about manifesting in our lives the same Christ consciousness revealed in the person we know as Jesus of Nazareth. —from the Introduction In the decades since its discovery, the Gospel of Thomas has intrigued people of all faiths around the world. Shedding new light on the origins of Christianity, the Gospel of Thomas raises questions about whether the New Testament's version of Jesus's teachings is entirely accurate and complete. In the Gospel of Thomas we see Jesus as a wisdom-loving sage, sharing aphorisms about the value of the present and each person's role in the creation of the Kingdom of God here on earth. But these inspiring sayings can leave you wondering, What next? Now you can learn how to start applying Jesus's wisdom to your own life—and, in turn, to the world around you. This unique guidebook leads you through Thomas, offering practices that help you translate Jesus's wisdom into a more fulfilling, enriching daily life, including: Becoming a Spiritual Adult Sorting Out the Old and the New Being a Healing Presence Daring to Be a City on a Hill God's Reign Calls for Ready Hands Spirituality Is Not Skygazing And much more ...

**The fifth Gospel** Stephen J. Patterson,James McConkey Robinson,Hans-Gebhard Bethge,1998-11-01 The best text and the best translation of the Gospel of Thomas are presented in this user-friendly form. In addition, two essays have been included for those who may be unfamiliar with this new Gospel or with the events that led to its discovery and publ

*The Gospel of Thomas* Jerry A. Dirnberger,2018-06-15 Jesus' style was to avoid giving straightforward answers even though his disciples kept asking for explanations. His unique sayings are the beatitudes, those about turning the other cheek,

and the injunction to love enemies. But “treat people in the way you want to be treated” is closer to Jesus’ perspective. This book lists 114 “secret sayings” by Jesus preserved by his twin brother Judas (Jude) “Thomas” and discovered in 1945 near the Egyptian town of Nag Hammadi. Author Jerome rewrites the words into twenty-first century English.

The Gospel of Thomas Ross Andrews, 2013-04-01 The Gospel According to Thomas, commonly shortened to the Gospel of Thomas, is a well preserved early Christian, non-canonical sayings-gospel which many scholars believe provides insight into the Oral gospel traditions. It was discovered near Nag Hammadi, Egypt, in December 1945, in one of a group of books known as the Nag Hammadi library. The Gospel of Thomas was found among a collection of fifty-two writings that included, in addition to an excerpt from Plato's Republic, gospels claiming to have been written by Jesus's disciple Philip. Scholars have speculated that the works were buried in response to a letter from Bishop Athanasius who for the first time declared a strict canon of Christian scripture. [1] The Coptic language text, the second of seven contained in what modern-day scholars have designated as Codex II, is composed of 114 sayings attributed to Jesus. [2] Almost half of these sayings resemble those found in the Canonical Gospels, while it is speculated that the other sayings were added from Gnostic tradition. [3] Its place of origin may have been Syria, where Thomasine traditions were strong. [4] The introduction states: These are the hidden words that the living Jesus spoke and Didymos Judas Thomas wrote them down. [5] Didymus (Greek) and Thomas (Aramaic) both mean twin. Some critical scholars suspect that this reference to the Apostle Thomas is false, and that therefore the true author is unknown. [6] It is possible that the document originated within a school of early Christians, possibly proto-Gnostics. [7] Some critics further claim that even the description of Thomas as a gnostic gospel is based upon little other than the fact that it was found along with gnostic texts at Nag Hammadi. [8] The name of Thomas was also attached to the Book of Thomas the Contender, which was also in Nag Hammadi Codex II, and the Acts of Thomas. It is important to note, however, that while the Gospel of Thomas does not directly point to Jesus' divinity, it also does not directly contradict it, and therefore neither supports nor contradicts gnostic beliefs. When asked his identity in the Gospel of Thomas, Jesus usually deflects, ambiguously asking the disciples why they do not see what is right in front of them. This is similar to passages in the canonical gospels like John 12:16 and Luke 18:34. The text itself, however, continuously reflects Gnostic teachings by continuously referring to Jesus's sayings as secret and mysterious, which were common gnostic catchphrases.

**The Gospel of Thomas** Jean-Yves Leloup, 2005-02-16 A new translation and analysis of the gospel that records the actual words of Jesus • Explores the gnostic significance of Jesus's teachings recorded in this gospel • Explains the true nature of the new man whose coming Jesus envisioned • Translated and interpreted by the author of the bestselling The Gospel of Mary Magdalene and The Gospel of Philip One of the cache of codices and manuscripts discovered in Nag Hammadi, the Gospel of Thomas, unlike the canonical gospels, does not contain a narrative recording Christ's life and prophecies. Instead it is a collection of his teachings--what he actually said. These 114 logia, or sayings, were collected by

Judas Didymus Thomas, whom some claim to be Jesus's closest disciple. No sooner was this gospel uncovered from the sands of Upper Egypt than scholars and theologians began to bury it anew in a host of conflicting interpretations and polemics. While some say it is a hodgepodge from the canonical gospels, for others it is the source text from which all the gospel writers drew their material and inspiration. In this new translation of the Gospel of Thomas, Jean-Yves Leloup shows that the Jesus recorded by the infinitely skeptical and infinitely believing Thomas has much in common with gnostics of non-dualistic schools. Like them, Jesus preaches the coming of a new man, the genesis of the man of knowledge. In this gospel, Jesus describes a journey from limited to unlimited consciousness. The Jesus of Thomas invites us to drink deeply from the well of knowledge that lies within, not so that we may become good Christians but so we may attain the self-knowledge that will make each of us, too, a Christ.

### **The Gospel Of Thomas Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether it's research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg.

This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories.

Another reliable platform for downloading The Gospel Of Thomas free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Gospel Of Thomas free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface.

and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Gospel Of Thomas free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading The Gospel Of Thomas . In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Gospel Of Thomas any PDF files. With these platforms, the world of PDF downloads is just a click away.

### FAQs About The Gospel Of Thomas Books

**What is a The Gospel Of Thomas PDF? A PDF (Portable**

Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Gospel Of Thomas PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Gospel Of Thomas PDF?**

Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Gospel Of Thomas PDF to another file format?**

There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Gospel Of Thomas PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as:

LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
