Wacky, Zany, Crazy! Evens, Durbin, 2021-09-29 Wacky, Zany, Crazy! Violin Tunes for Kids is a book of brand-new repertoire written for students of the Suzuki Violin School Book 2 and 3 Level. The eight original pieces plus thirteen new Twinkle Variations build on developing skills while adding new techniques in the context of melodic, entertaining, and sometimes silly music that children will naturally love. Some of the specific techniques that students will encounter include: slides, double-stops, (intentional) scratches, sound effects, articulations (staccato, spiccato, legato, accents), four-note chords, grace-notes, glissandos, a wide variety of bowings, trills, pizzicato, swing rhythm, and optional third position moments. These techniques are presented in a manner that is easy to understand. In addition, there are a few pieces with opportunities for direct audience engagement and interaction. This collection will allow students to naturally relate to the music and help with phrasing, dynamics, and general expression. The piano parts are idiomatic and feature highly interactive moments for both musicians. They are written in a manner that will foster independence and confidence for the violinist, and they are skillfully crafted by a pianist. Their difficulty is in line with the accompaniment for Books 2 and 3. This book proudly features international Suzuki violin guru, Dr. Timothy Durbin. With his creative approach, endless energy and an irrepressible humor, Dr. Durbin's teaching is simply magical. He has spent a great deal of time and energy editing all the violin parts, composing several works for this book, and has even created recordings of all the pieces and some of the extended techniques in order to help students and teachers take full advantage of the music. Thank you, Dr. Durbin! Students will enjoy learning technique and musicality, and they will augment their already developing violin studies. Above all, they will have fun learning and performing this music!

My Trio Book (Mein Trio-Buch) (Suzuki Violin Volumes 1-2 arranged for three violins) Kerstin Wartberg, This series contains all of the pieces from Volumes 1 and 2 of the Suzuki Violin School arranged for three violins. Another advantage is that students at different playing and reading levels can make music together. The score contains a chart that lists the level of difficulty of each piece and each part so that the teacher can easily assign parts. All of the parts were purposely kept as simple as possible. A table listing the reading skills required for each piece is found in the back of the violin 2 and violin 3 books.
