**GK's A Miscellany of the First 500 Issues of G.K's Weekly with an Introduction by G. K. Chesterton, with illustrations** Gilbert Keith Chesterton,1934

*The Story of the Family* G. K. Chesterton,2022-04-05 The disintegration of rational society started in the drift from the hearth and the family, wrote G. K. Chesterton in 1933. The solution must be a drift back. In a world that has lost touch with normality, it takes a pioneer to rediscover the wonders of the normal. This masterful compilation of texts and quotes from the prolific G. K. Chesterton, edited by Dale Ahlquist, illustrates the glory of the family—the heritage of romance, love, marriage, parenthood, and home. It is a hymn in praise of the saucepan, the kettle, the hairbrush, the umbrella stand, what Chesterton calls the brave old bones of life. With piercing wit, the English writer pits all these venerable truths against the fashions of divorce, contraception, and abortion, along with the troubling philosophies that have afflicted education and the workplace since the early twentieth century. Society is built on the family, in all its unglamorous beauty, and Chesterton helps readers to see this reality with fresh eyes. As he writes:The first things must be the very fountains of life, love and birth and babyhood; and these are always covered fountains, flowing in the quiet courts of the home.

**The Collected Works of G. K. Chesterton** Gilbert Keith Chesterton,1986 The long-awaited second volume of Chesterton's collected poetry is now here. Edited by Denis J. Conlon, this book picks up where the last volume left off, continuing the complete collection of the great Christian writer's verse with all poems, both published and unpublished, until 1900. A third volume covering 1901-1936 is forthcoming. Illustrated with Chesterton's own sketches, and including poems written when he was a child, this fascinating collection is an essential addition to any Chestertonian's library. Includes *Greybeards at Play* and *Clerihews*. With an index of first lines, titles, and refrains.

**The Universe According to G. K. Chesterton** G. K. Chesterton,2013-12-03 Fashion: An ideals that fails to satisfy. Water: A medicine. It should be taken in small quantities in very extreme cases; as when one is going to faint. Work: Doing what you do not like. This quirky, original compilation serves up the eccentric wit and thought-provoking aphorisms of one of the twentieth century's liveliest and most articulate minds. Assembled by the president of the American Chesterton Society, it features alphabetical entries of Chesternitions—pithy and poetic definitions of words in the spirit of Samuel Johnson. Great for casual browsing or cover-to-cover study, the volume includes more than two dozen of Chesterton's distinctive drawings.

*All Is Grist - A Book of Essays* G. K. Chesterton, 2014-04-15 This early work by G. K. Chesterton was originally published in 1903. Gilbert Keith Chesterton was born in London in 1874. 'All is Grist' is a collection of essays. He studied at the Slade School of Art, and upon graduating began to work as a freelance journalist. Over the course of his life, his literary output was incredibly diverse and highly prolific, ranging from philosophy and ontology to art criticism and detective fiction. However, he is probably best-remembered for his Christian apologetics, most notably in *Orthodoxy* (1908) and *The Everlasting Man* (1925). We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

**All Is Grist** G. K. Chesterton, 1977-06-01 Bonded Leather binding

**Orthodoxy** G. K. Chesterton, 2011-07-26 Written by G. K. Chesterton, *Orthodoxy* addresses foremost one main problem: How can we contrive to be at once astonished at the world and yet at home in it? Chesterton writes: He says, I wish to set forth my faith as particularly answering this double spiritual need, the need for that mixture of the familiar and the unfamiliar which Christendom has rightly named romance. Chesterton is a thinker who hits the nail on the head and leaves you excited to say, that is what I've often thought! Concerning orthodox Christianity Chesterton likens it to a man who set out in a boat from England and was quite excited to land on an island only to soon discover he had in fact, landed on England. I am the man who with the utmost daring discovered what had been discovered before. I fancied that I stood alone I was really in the ridiculous position of being backed up by all Christendom. This is G K Chesterton's autobiography. It is his story of finding the familiar and unfamiliar in Christianity. It is his hunt for the gorgon or griffin and in the end discovers a rhinoceros and then takes pleasure in the fact that a rhinoceros exists but looks as if it oughtn't. Chesterton has the incredible ability to turn everything upside down and inside out and make you realize that is the everyday bizarre normal, the seemingly insane, sane. If G.K. Chesterton's *Orthodoxy: The Romance of Faith* is, as he called it, a slovenly autobiography, then we need more slobes in the world.

**All Things Considered** G. K. Chesterton, 2021-10-31 *All Things Considered* G. K. Chesterton - *All Things Considered* by G. K. Chesterton is a collection of essays dealing with various topics, such as human nature, current affairs, science and religion. It is a highly entertaining and insightful compilation of musings on a wide variety of topics. *All Things Considered* is a collection of essays about odds-and-ends of the era. His first essay is on the ephemeral and how insignificant the essays all are -- and how their worst fault is that they are so serious, since he could not expend the effort to make them funny. *All Things Considered* is a collection of Chesterton's essays for *London Daily News* and covers a wide variety of topics. Some of the topics are light-hearted, while others are a bit more serious. But even when he's serious, he's not ponderous.

**Encyclopedia of the Essay** Tracy Chevalier, 2012-10-12 This groundbreaking new source of international scope defines

The more than 500 entries by 275 contributors include entries on nationalities, various categories of essays such as generic (such as sermons, aphorisms), individual major works, notable writers, and periodicals that created a market for essays, and particularly famous or significant essays. The preface details the historical development of the essay, and the alphabetically arranged entries usually include biographical sketch, nationality, era, selected writings list, additional readings, and anthologies

*G. K. Chesterton* Ian Ker, 2011-04-21 G. K. Chesterton is remembered as a brilliant creator of nonsense and satirical verse, author of the Father Brown stories and the innovative novel, *The Man who was Thursday*, and yet today he is not counted among the major English novelists and poets. However, this major new biography argues that Chesterton should be seen as the successor of the great Victorian prose writers, Carlyle, Arnold, Ruskin, and above all Newman. Chesterton's achievement as one of the great English literary critics has not hitherto been fully recognized, perhaps because his best literary criticism is of prose rather than poetry. Ian Ker remedies this neglect, paying particular attention to Chesterton's writings on the Victorians, especially Dickens. As a social and political thinker, Chesterton is contrasted here with contemporary intellectuals like Bernard Shaw and H. G. Wells in his championing of democracy and the masses. Pre-eminently a controversialist, as revealed in his prolific journalistic output, he became a formidable apologist for Christianity and Catholicism, as well as a powerful satirist of anti-Catholicism. This full-length life of G. K. Chesterton is the first comprehensive biography of both the man and the writer. It draws on many unpublished letters and papers to evoke Chesterton's joyful humour, his humility and affinity to the common man, and his love of the ordinary things of life.

**The Ball and the Cross. a Novel by** Gilbert Keith Chesterton,2016-08-14 The Ball and the Cross is a novel by G. K. Chesterton. The title refers to a more worldly and rationalist worldview, represented by a ball or sphere, and the cross representing Christianity. The first chapters of the book were serialized from 1905 to 1906 with the completed work published in 1909. The novel's beginning involves debates about rationalism and religion between a Professor Lucifer and a monk named Michael. A part of this section was quoted in Pope John Paul I's Illustrissimi letter to G. K. Chesterton.[2] Much of the rest of the book concerns the dueling, figurative and somewhat more literal, of a Jacobite Catholic named Maclan and an atheist Socialist named Turnbull.[3] Lynette Hunter has argued that the novel is more sympathetic to Maclan, but does indicate Maclan is also presented as in some ways too extreme.[4] Turnbull, as well, is presented in a sympathetic light: both duelists are ready to fight for and die for their antagonistic opinions and, in doing so, develop a certain partnership that evolves into a friendship. The real antagonist is the world outside, which desperately tries to prevent from happening a duel over mere religion (a subject both duelists judge of utmost importance)

All Things Considered G. K. Chesterton,2018-04-26 All Things Considered features more than thirty columns that G. K. Chesterton wrote for the London Daily News in the years before World War I. Covering a variety of themes, each is written with the same high quality that readers have come to expect of Chesterton. In an essay on canvassing, Chesterton ponders some unusual double standards. In another, he writes about daily annoyances. Another covers literature. But regardless of the topic, each of the essays in All Things Considered is the usual Chesterton masterpiece, tempting the reader to track down even more of the 4,000 newspaper columns penned by Chesterton during his career. G. K. Chesterton is well known as a novelist, essayist, storyteller, poet, philosopher, theologian, historian, artist, and critic. He's less well-known as a journalist these days, yet all evidence indicates that he viewed his work for the various newspapers as his primary raison-de-etre. Therefore anyone interested in exploring the works of this colossal genius should include a sampling of his newspaper columns along with all of his other brilliant books. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. **New Insights into Literature and Catholicism in the 19th and 20th Centuries** Paul Rowan,David Torevell,2021-09-28 This volume deepens thinking and research about literature and Catholicism in the 19th and 20th

centuries. It develops the understanding that a number of acclaimed literary texts have reflected, in imaginative and memorable ways, a distinctive Catholic sensibility, identity and philosophy of life, and, in so doing, have shed light on profound spiritual experiences in a variety of fictional settings.

All Things Considered G. K. Chesterton, 2015-03-04 Their chief vice is that so many of them are very serious; because I had no time to make them flippant. It is so easy to be solemn; it is so hard to be frivolous. Let any honest reader shut his eyes for a few moments, and approaching the secret tribunal of his soul, ask himself whether he would really rather be asked in the next two hours to write the front page of the Times, which is full of long leading articles, or the front page of Tit-Bits, which is full of short jokes. If the reader is the fine conscientious fellow I take him for, he will at once reply that he would rather on the spur of the moment write ten Times articles than one Tit-Bits joke. Responsibility, a heavy and cautious responsibility of speech, is the easiest thing in the world; anybody can do it. That is why so many tired, elderly, and wealthy men go in for politics. They are responsible, because they have not the strength of mind left to be irresponsible. It is more dignified to sit still than to dance the Barn Dance. It is also easier. So in these easy pages I keep myself on the whole on the level of the Times: it is only occasionally that I leap upwards almost to the level of Tit-Bits

**British Catholics and Fascism** T. Villis, 2013-02-18 Drawing substantially on the thoughts and words of Catholic writers and cultural commentators, Villis sheds new light on religious identity and political extremism in early twentieth-century Britain. The book constitutes a comprehensive study of the way in which British Catholic communities reacted to fascism both at home and abroad.

**G.K. Chesterton** Harold Bloom, 2006 In a single, eye-opening volume, G.K. Chesterton presents complex critical analyses of this author's work. Gilbert Keith Chesterton, a remarkably prolific writer, achieved early success as an illustrator before establishing his literary merits as a novelist, playwright, critic, poet, essayist, and lecturer. His writing is varied and includes works of theology and literary criticism, but perhaps most notable among his literary achievements are his famed Father Brown mysteries, featuring the priest-sleuth, Father Brown. Bringing together a selection of the best criticism available, Harold Bloom breaks down the intricacies of Chesterton's work and analyzes the ideas presented in clear, accessible language.

**G. K. Chesterton Quotes** Bob Blaisdell, 2015-04-13 There is no such thing on earth as an uninteresting subject; the only thing that can exist is an uninterested person, declared the philosopher and wit G. K. Chesterton (1874-1936). The extent and variety of the author's writings — comprising journalism, history, biography, apologetics, poetry, plays, and detective fiction — attest to his own diversity of enthusiasms. This rich and thought-provoking anthology draws from Chesterton's vast treasury of publications to present his most trenchant observations on education, humor, literature, religion, politics, class,

and other topics. Editor Bob Blaisdell offers an insightful introduction to Chesterton's life and works and identifies the source of each quotation. Organized thematically, the quotes range from quips from Chesterton's Father Brown mysteries (The most incredible thing about miracles is that they happen.) and novels (Marriage is a duel to the death which no man of honour should decline.) to his newspaper columns (An adventure is only an inconvenience rightly considered. An inconvenience is only an adventure wrongly considered.) and essays (No man must be superior to the things that are common to men.... Not only are we all in the same boat, but we are all seasick.). If you're a fan of Chesterton's writing than this quote collection will be great for you. Blaisdell's introduction is also very interesting. The kind of book that would do great on a coffee table, ready to be picked up and browsed through at random times. — A Universe in Words
