It's the perfect companion, both ahead of your trip and on the ground.

No Hard Feelings Sam Bobrick, Ron Clark, 1973 A middle aged electrical fixtures tycoon is a smug man. Just as soon as their daughter's wedding day passes, his wife walks out on him just as George, played in the Broadway production by Eddie Albert, is looking forward to their old age together. She, played on Broadway by Nanette Fabray, leaves him to join her lover, a Greek waiter who lives on the souvlaki side of Manhattan. George tries to win her back, but she bears the child of her lover and, to make matters worse, his daughter is noticeably expecting much sooner than the marriage date would naturally allow. George faces his chauvinism, egocentrism and paranoia in this charming and delightful comedy.

Mario Sanchez Nance Frank, 2010 The art of Mario Sanchez -- showing charming Key West and Ybor City architecture, street vendors, funeral processions, parades, cigar factories, ice-cream trucks, people out for a stroll, traditional Cuban comparsa dancers with bands -- has become symbolic of the pictureque diversity of Key West life in the early-mid 20th century. Sanchez portrayed neighborhood places and events where he grew up, exhibiting his love for Florida's easy island living. His work also depicts Tampa's Latin community, Ybor City, with the same textured, quirky quality. His work brings to life the diversity and charm of colorful neighborhood life. The vendors hawk their wares, the trolleys move and rattle, the people gossip and haggle, the dogs bark, the bells ring, and children run with their kites.

Heat Bill Buford,2012-10-23 The book that helped define a genre: Heat is a beloved culinary classic, an adventure in the kitchen and into Italian cuisine, by Bill Buford, author of Dirt. Bill Buford was a highly acclaimed writer and editor at the New Yorker when he decided to leave for a most unlikely destination: the kitchen at Babbo, one of New York City's most popular and revolutionary Italian restaurants. Finally realizing a long-held desire to learn first-hand the experience of restaurant cooking, Buford soon finds himself drowning in improperly cubed carrots and scalding pasta water on his quest to learn the tricks of the trade. His love of Italian food then propels him further afield: to Italy, to discover the secrets of pasta-making and, finally, how to properly slaughter a pig. Throughout, Buford stunningly details the complex aspects of Italian cooking and its long history, creating an engrossing and visceral narrative stuffed with insight and humor. The result is a hilarious,

self-deprecating, and fantastically entertaining journey into the heart of the Italian kitchen.

Indianapolis Monthly, 1997-07 Indianapolis Monthly is the Circle City's essential chronicle and guide, an indispensable authority on what's new and what's news. Through coverage of politics, crime, dining, style, business, sports, and arts and entertainment, each issue offers compelling narrative stories and lively, urbane coverage of Indy's cultural landscape.
