*A Lady of Rooksgrave Manor* Kathryn Moon,2021 On the brink of losing her position as a maid and with no prospects to go on, the offer of a place at Rooksgrave Manor--a house of ill and unusual repute--sounds like a perfect fit for a young woman with Esther's inclinations. Even better, the invitation comes by the hand of the handsome Dr. Underwood, a delicate gentleman with a ferocious alter ego who knows exactly what he wants from Esther. Upon arrival, the men and the daily decadence of the manor feel too good to be true for a girl of Esther's station. There are rules to be followed, expectations to meet, and Esther is afraid she might be too wicked even for a place like Rooksgrave. Temptations lurk around every shadowy corner and Esther has never been a girl able to resist. But the risk of disappointing her new gentlemen isn't all that's threatening Esther's new position. Rooksgrave Manor's protections for its unusual patrons are failing, the wards are crumbling, and Esther's new and exquisitely pleasurable life may all come tumbling down. -- from the back cover.

Ancients Kathryn Moon,2019-07-26 The Ancients, a race of creatures between gods and monsters, are trapped in Canderfey. Fighting for their home, the University, and the remaining residents of the town, Joanna and her coven are in daily peril. When one of the Ancients escapes the boundary, the coven is separated, Isaac traveling in search of a solution to the turmoil of the summer. As days wear on, can Joanna and her coven keep their warrior spirit, or have they been fighting too hard and too long? Perhaps the Ancients—older, more powerful, and impossible to kill—are an obstacle too enormous to overcome. Will Canderfey be saved and the coven free to live in peace? Or will the cages, keeping Ancients in and magic out, crumble and set chaos loose upon the world? *Ancients* is the stunning and emotional finale of *The Librarian's Coven* series!

Written Kathryn Moon, 2018-06-28 From her first step onto Canderfey University's campus Joanna Wick, the new librarian-in-training, is overwhelmed by the bustle of people and the wealth of magical information now available to her. Most overwhelming of all, she attracts the attention of three handsome professors. But Aiden King, Callum Pike, and Isaac Metclaffe are a coven waiting to find their fourth and complete their home and Joanna knows she can't be that witch. She's barely magical. When danger crawls onto the campus from the edges of the Hand Woods, and irrepressible feelings crawl into her heart, Joanna Wick must explore her own identity and abilities. Aiden has been waiting twenty years to complete his coven. Callum doesn't want to disappoint his covenmates by turning down another potential fourth. Isaac has found a home with them both and only wants the best for his lovers. Have they found what they've all been waiting for in the skittish new hire at the university library? Written by Kathryn Moon is a whychoose romance and the first book in The Librarian's Coven series.

**Warriors** Kathryn Moon, 2018-09-24 Joanna just wants to spend the holiday curled up with her coven of handsome professors, but family obligations wait for no one. Instead of wintery cuddles, she's up to her neck in the Pike brothers and their wives, a cast of political figures invited to their dinner parties and, worst of all, Callum's father, Duncan. Duncan Pike is a nasty piece of work--not only did he place a young Callum in the heart of an ugly war, he disapproves of Isaac and Aiden. Duncan claims a new war is coming, and it looks like he might be right. As if that weren't enough, the infamous warrior Sabine York is showing a marked interest in Callum--is she after revenge? Or does she want to add Callum to her coven of soldiers? When trouble strikes and Callum is separated from the rest of the coven, Joanna, Isaac, and Aiden must travel from the library to the capitol to Vermenia, desperate for their reunion. And, on his own for the first time in years, Callum must tread carefully back into the waters of war he's spent decades avoiding. Can they fight through the people and the miles standing between them and return safely together again?

*Scrivens* Kathryn Moon, 2019-03-28 The Coven's adventures in Vermenia created a ripple they could not predict long after Joanna and her men returned safely home to Canderfey. The university now has visitors: the hidden Scrivens community, refugees running from their own government. While Joanna is thrilled to see her family again and learn more about her magic and the history of the Scrivens, others are less enthusiastic at the newcomers' arrival. Canderfey University's President is resistant to the changes taking place on his campus. Soon it appears as if he has reason to be, with mysterious incidents damaging the Scrivens' reputations. Joanna will fight against anyone to keep her family and the other innocent members of the community safe from suspicion and hatred, but tensions rise even within the coven as Aiden seeks

to keep peace between all parties. Can he hold his coven together or are the fractures he senses growing too deep to repair?

**The Lady of the Manor, Vol. 2** Mrs. Sherwood,2015-07-18 Excerpt from *The Lady of the Manor, Vol. 2: Being a Series of Conversations, on the Subject of Confirmation, Intended for the Use of Middle and Higher Ranks of Young Females* It was a fine evening in the month of May when the little assembly again collected at the manor-house. The evenings were now considerably longer than when they had first met, and they sat before the windows to take their tea and to converse, while they enjoyed the beautiful prospect, and were led by their pious instructress to magnify the Lord in his works. When the tea-equipage was removed, and order restored, the lady of the manor commenced her instructions with a reference to the subject of their last conversation. The sinful desires of the flesh, said the lady of the manor, are a root of bitterness, shooting out its branches in every possible direction, and bearing fruit unto death, while its seeds are scattered unto the four winds of heaven. When we last met, proceeded she, I presented you with an example, which you no doubt thought an exceedingly lovely one, of the will of a human creature effectually brought under control to that of God. *Sanctuary with Kings* Kathryn Moon,2023-07-20 Evanthia has spent half her life trapped inside the Seven Veils. When the house crumbles, she seizes her moment and runs from Birsha and his twisted pleasures. But pleasure is what she needs to survive, and the dark streets of London leave her starving and vulnerable. Rescued by a mysterious monster who vows her

sanctuary, Evanthia must piece back together the woman that Birsha tore apart. Quiet sanctuary is no cure for her endless hunger, but the war brewing on the horizon is the last place she wants to be. Hiding with sleeping dragons and lonely monsters in a castle made from dreams might be a fantasy, but it's not enough to keep the nightmares at bay. When not even Evanthia's tired heart can remain dormant in the tender care of the kings who keep her safe, she must make the decision. Hide from her past forever, or face the man she fears most on the battlefield.

*The Lady of the Manor, Vol. 4 Of 7* Mary Martha Sherwood, 2018-08-11 Excerpt from The Lady of the Manor, Vol. 4 of 7: Being a Series of Conversations on the Subject of Confirmation In a large manufacturing town in the north of England there formerly resided a certain tradesman, who, with his wife, obtained good employment, and lived in great credit, in the hope of long enjoying these advantages; when the worthy couple were both suddenly cut off by a contagious fever which at that time raged in the town. By their deaths, their only son Edmund was left an orphan at the age of two years, and, as little party remained after the affairs were settled, he would have been reduced to a very destitute situation, had not an aunt of his father, a single woman, of very excellent character, received him into her house with the intention of adopting him as her own child.
