[Omegaverse Mates World Collection \(Second Chance Mates, Making a Family and Omegas' Destined Alpha\)](#) Rosa Swann, 2018-10-20 Dive into the Omegaverse Mates World! This collection includes the first three serials taking place in the emotional but also magical world of Omegaverse Mates, where men can get pregnant and families aren't always bound to you by blood, but instead made up of people you love and who love you! Dive into this more than 450,000 words or almost 1,800 pages long saga today! Second Chance Mates What would you do if your estranged Alpha died, leaving behind an Omega and child with no one to care for them? Wilder Ten years ago, Logan left me. He told me that two Alphas cannot be together, that our mating wasn't real. Yesterday, my sister called and told me that Logan passed away. That he's leaving behind an Omega and a young child. Today, I'm at Logan's funeral. Trying to stay out of sight, I notice how Logan's family treats his Omega. Why am I the only one willing to help them? Sterling Logan and I had everything we ever wanted. A lovely cottage, a beautiful daughter and lots of big dreams. Then he was ripped away from us in a car crash. Now, Logan's family is about to leave me to fend for myself after the funeral. Until one of Logan's old friends steps in. Only, in all the commotion, I didn't keep an eye on the calendar. And my heat starts at the most inconvenient of times. Why is Logan's friend reacting to my heat? Only true mates are supposed to react to a mated Omega... What's going on? Making a Family When your idea of asking a cute Omega to be your pretend-husband for a weekend takes an unexpected turn... Clay I have my pride as an Alpha, and I don't want to be the only unmated sibling at my youngest sister's wedding. What's a successful, but bachelor, Alpha to do? Well, maybe ask the cute Omega frequenting my cafe to be my fake husband for the weekend. Only, I didn't expect a weekend of fun to go so very differently... Aiden The day after my sister leaves her three-month-old to look after, to be the parent she can't be, I get an odd request from the handsome Alpha running the cafe I frequent. And who can resist a request from the only man able to make me smile this week? So, I show up, play the role of adoring husband, and that's when things go a little off-script... Omegas' Destined Alpha Two Omegas. One kiss. And an Alpha who wasn't supposed to see it happen... Nathan I'm supposed to be an author, but I haven't finished a book in years. Not since things got out of control. So, to hopefully get back on my feet, I move to a new city, start teaching at college and suddenly find myself intrigued by two Omegas that pass me by every morning. One day, on a whim, I follow them and see something I shouldn't have seen. A kiss. A beautiful kiss. And it's the start of a journey I never expected to make... Zeke I fled from the arranged marriage my parents

set up for me and I was ready to give up on love entirely, and then my best friend saved his younger Omega brother, Wes, from a bad situation and suddenly I was falling, head over heels. It's amazing to be at Wes' side and to see him flourish, even if our relationship is a little complicated, we're making it work. Maybe love isn't so bad after all. What I hadn't counted on was the Alpha walking into the cafe, and the way my eyes keep getting drawn to him... Wes After my brother saved me from my abusive ex, I'm getting my feet back under me. I'm finally doing the things I was never able to do, like having a job and going to college. It's not easy to combine it with caring for my four children. But with my Omega boyfriend Zeke and my brother's family at my side, we make it work, they're all the people I'll ever need. Until, one morning, an Alpha walks into the cafe that I work at, and he asks Zeke and me out on a date, together...

Even the Terrible Things Seem Beautiful to Me Now Mary Schmich, 2019-11-05 The best columns by the Pulitzer Prize-winning Chicago Tribune writer, on diverse topics like family, loss, mental health, advice, and the Windy City. Over the last two decades, Mary Schmich's biweekly column in the Chicago Tribune has offered advice, humor, and discerning commentary on a broad array of topics including family, milestones, mental illness, writing, and life in Chicago. Schmich won the 2012 Pulitzer for Commentary for "her wide range of down-to-earth columns that reflect the character and capture the culture of her famed city." This second edition—updated to include Schmich's best pieces since its original publication—collects her ten Pulitzer-winning columns along with more than 150 others, creating a compelling collection that reflects Schmich's thoughtful and insightful sensibility. The book is divided into thirteen sections, with topics focused on loss and survival, relationships, Chicago, travel, holidays, reading and writing, and more. Schmich's 1997 "Wear Sunscreen" column (which has had a life of its own as a falsely attributed Kurt Vonnegut commencement speech) is included, as well as her columns focusing on the demolition of Chicago's infamous Cabrini-Green housing project. One of the most moving sections is her twelve-part series with U.S. District Judge Joan Lefkow, as the latter reflected on rebuilding her life after the horrific murders of her mother and husband. Schmich's columns are both universal and deeply personal. The first section of this book is dedicated to columns about her mother, and her stories of coping with her mother's aging and eventual death. Throughout the book, Schmich reflects wisely and wryly on the world we live in, and her fond observances of Chicago life bring the city in all its varied character to warm, vivid life.
