Thoughts on Machiavelli Leo Strauss,2014-07-04 The esteemed philosopher's assessment of good, evil, and the value of Machiavelli. Leo Strauss argued that the most visible fact about Machiavelli's doctrine is also the most useful one:

Machiavelli seems to be a teacher of wickedness. Strauss sought to incorporate this idea in his interpretation without permitting it to overwhelm or exhaust his exegesis of *The Prince* and *Discourses on the First Ten Books of Livy*. "We are in sympathy," he writes, "with the simple opinion about Machiavelli [namely, the wickedness of his teaching], not only because it is wholesome, but above all because a failure to take that opinion seriously prevents one from doing justice to what is truly admirable in Machiavelli: the intrepidity of his thought, the grandeur of his vision, and the graceful subtlety of his speech." This critique of the founder of modern political philosophy by this prominent twentieth-century scholar is an essential text for students of both authors.

Quotes That Breathe Dennis Van Westerborg, 2016-07-13 This collection is not another Bartlett's, if only because I have included many unfamiliar, yet poignant, quotes from 337 authors, marshalled under 32 headings. What makes my compilation special is a hefty injection of trenchant observations I have mined as a lifelong student of Emerson and Thoreau from some 15,000 pages of their journals - material not readily found anywhere else. Dennis van Westerborg

1955 Quotes of Albert Einstein Arthur Austen Douglas, 1955 QUOTES OF ALBERT EINSTEIN -- Biggest Albert Einstein Quote Collection -- Albert Einstein (14 March 1879 - 18 April 1955), an intellectual giant of 20th century, a Nobel Prize Winner for Physics in 1921, a German by birth and an American and Swiss by death, he, the father of the theory of relativity (one of the corner stone of the modern physics), had spent his whole life for finding the philosophy of science. 185 Quotes & Thoughts from Steve Jobs Sophy, 2018-05-04 Steve Jobs - MacWorld - 1997 "Sometimes, points of view

can really make you look at things differently” This single quote summarizes the very reason why we publish the “185 quotes and thoughts from Steve Jobs”: we focused on the things that could broaden your horizon, develop your critical thinking or reassess a situation. What is it that Steve – as everyone called him - had said that could have an impact today on your business or on your life? This is the purpose of this book: collect some of the finest words of Steve that you can reflect on. Genius, innovator, inventor, artist, world-changer; one of the greatest advocate of innovation and quality. There is thousands of web pages and dozens of books about Steve. Yet, in the same way Steve relentlessly repeated during his lifetime, we were not satisfied with current publications, so we create our own book, organized it in the way that made sense to us, favored long-form quotes when we could, and included some interview passages that other publishers disregarded, but that we found of great interest. This volume is the result of countless hours of searching, reading, watching, collecting any work about Steve. Whether it is books, written or videos interviews, articles and reportages. We had found not only quotable pieces, but also ideas Steve expressed that we deemed relevant to truly understand and capture Steve’s spirit and timeless philosophy on life.

Best Winston Churchill Quotes Crombie Jardine,2013-02-10 Winston Leonard Spencer-Churchill: one of the greatest wartime leaders of the 20th century; talented painter and prolific writer; gifted and charismatic orator; in 2002 voted the Greatest Briton of all time... Here is a collection of his best quotes, some witty, others profound.

Essential Quotes for Scientists and Engineers Konstantin K. Likharev,2021-02-27 This book brings together about 2,500 quotations on various topics of interest to scientists and engineers, including students of STEM disciplines. Careful curation of the material by the editor provides the reader with far greater value than can be obtained by searching the internet. The quotes have been selected for various attributes including: importance of topic, depth of insight, and - not least - wit, with many of them satisfying all these criteria. To make sequential reading of the quotes more engaging, they are grouped into broad topical sections, and the entries within each section are organized thematically, forming quasi-continuous narrative threads. The text and authorship of each quote have been carefully verified, and the most popular cases of misquotation and misattribution are noted. The book represents a valuable resource for those writing science and engineering articles as well as being a joy to read in its own right.

Secrets of Successful Friendship Dapo Omojola,2012-05-04 One encounter with this book will help in using your existing contacts well on the path to your destiny as well as creating other ones. Your espousal of the outlines therein will go a long way in changing your battered friendships and fostering a better relationship out of the already good ones. Some gifts, talents and desires are placed in each of us, which needs to be exposed and judiciously utilised through the instrumentality of friendship. Since one of the topical issues of discourse ever is SUCCESS, this book tried to encourage friendship as a link to

SUCCESS through the life-long attitude of building good friendship. With a very straight forward and simple purpose, this book arrogates no false literary excellence to itself; neither does it hand down any hard and fast rules. It is however, written with the sole aim of helping people make good quality friendships with good quality inter-personal relationship. Reading this book will definitely improve your relationships with others; your friends, spouses, neighbours, parents, employers, employees and colleagues. If you carefully apply the principles, you will not only witness an improved relationship, but also an improved self. Written in plain and easily understandable language, the book is intended to help the reader achieve a satisfying, happy, worthwhile and successful friendship.

Quotes for Misanthropes Bruce Ladd Gary, 2014-02 Humans have always been interested in identifying and exposing hypocrisy. Many collections of quotations have been written, and many of the entries are clever treatments of human hypocrisy. The term human hypocrisy is redundant, for only humans are hypocritical. Indeed, one theory for the evolution of language suggests that the capacity for speech was driven by the payoffs for misleading others. Since hypocrisy is unique to humans, and since it appears to be a human universal (found in all cultures), I have coined the term Homo Hypocritus as a mocking reference to our species. Misanthropes are people who are profoundly disappointed in the shortcomings of human nature. We are unwilling to surrender hope for the day when humans will remake themselves to be worthy of the lofty

opinion they have always had for themselves. Since misanthropes wish for human improvement, it is natural for them to be keen on identifying things needing improvement. Many of the quotations within these pages are material for some future project at converting Homo hypocritus to Homo sapiens. This book consists of two parts. The first 80% is a collection of quotes from the literature that capture the essential hypocritical core of human nature, and the remainder of the book consists of the author's attempts at pithy one-liners. Most of the quotations in this book are politically correct - which is to say that some are not. The author does not wish to offend, and is confident that almost anyone will enjoy this collection of quotes.

Famous Poems from Bygone Days Martin Gardner, 1995-01-01 Over 80 poems from the 19th and early 20th centuries, from Hugh Antoine d'Arcy's The Face on the Barroom Floor to Phila Henrietta Chase's Nobody's Child, rich in rhythm and rhyme, filled with feelings and stories about love and war, ships and the sea, farms and family, life and death, heaven and hell. Introduction. Brief biographies of each poet. Alphabetical indexes of titles and first lines.

With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Its The Little Things Quotes books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Its The Little Things Quotes books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Its The Little Things Quotes versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Its The Little Things Quotes books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a

vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Its The Little Things Quotes books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Its The Little Things Quotes books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own

digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Its The Little Things Quotes books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
