Rocking St. Petersburg - Transcultural Flows and Identity Politics in Post-Soviet Popular Music David-Emil Wickström,2014-06-01 In this remarkable book, David-Emil Wickström traces the transcultural flow of popular music production emanating from St. Petersburg, a central hub of the Russian music scene. With a specific focus on the post-Soviet emigrant community in Germany and their event 'Russendisko', Wickström – himself a trumpet player in two local bands – explores St. Petersburg's vibrant music scene, which provides an electrifying platform for musical exchange. The findings shed a new light on Soviet and post-Soviet popular music history and even Russia's relationship to Ukraine. Wickström demonstrates the filtering processes embedded in transcultural flows and how music is attributed new meanings within new contexts. This innovative book not only promotes a deeper understanding of the role of popular music in society, it also enables a better comprehension of cultural processes in the second decade after the fall of the Soviet Union.

100 Cigarettes and a Bottle of Vodka Arthur Schaller,2010-12-03 Winner of the Canadian Jewish Book Award 2000 100 cigarettes and a bottle of vodka – the reward in German-occupied Poland for turning in a Jew. Arthur Schaller was eleven when Germany invaded Poland in 1939. Along with the rest of the Jewish population of Warsaw, he and his family were confined in the Ghetto. His father had escaped to Soviet-occupied territory, so Arthur, his mother, and his brother struggled to survive in increasingly desperate conditions. When Arthur's mother was rounded up by the Nazis, a family friend orchestrated Arthur's daring escape to the other side of the Ghetto wall, where, until the end of the war, he posed as a Catholic orphan, working as a cowherd, moving from farm to farm to avoid detection. Drawing on his love for his family, his passion for music – his mother's legacy – and his simple yet powerful faith, Arthur Schaller found the strength to endure.

Little Soldiers Olga Kucherenko,2011-01-13 Germany's war against the Soviet Union raised a small army of child soldiers. Thousands of those below the enlistment age served with regular and paramilitary formations, even though they were not formally mobilised or allowed at the front. For several decades after the war, these youngsters played an important part in Soviet remembrance culture, though their true experiences were obscured by the myth of the Great Patriotic War. Situated at the crossroads of social, cultural, and military history, Little Soldiers is the first to tell the story of the Soviet

Union's child soldiers in a critical and systematic fashion. Focusing on the mechanisms and psychological consequences of propaganda on Soviet children, as well as their combat deployment, Kucherenko adopts a three-tier approach to writing the history of childhood: 'from above', 'from below', and 'from within'. A wide variety of new sources provide insight into young soldiers' combat motivations and the roles they played in the field, as well as their routine experiences and relationship with older comrades. Far from being victims, Soviet child soldiers emerge as independent social actors capable of making choices about their behaviour. Little Soldiers interconnects with matters of increasing importance: the role of propaganda in military conflicts, the totalization of warfare, child-soldiering, and social reflexivity.

Two Women in Their Time Misha Friedman, 2020-12-08 A collaboration between the National Book Award-winning journalist and the prize-winning photographer on the queer-resistance theater troupe In the fall of 2017, the internationally acclaimed underground theater troupe Belarus Free Theatre took New York by storm for a production of their harrowing anti-torture, anti-Putin play, *Burning Doors*. They were joined by Maria Alyokhina, a member of Russian punk group Pussy Riot, who made international headlines when they were imprisoned for staging an anti-Putin performance in a Moscow cathedral. The play met with enthusiastic acclaim from critics, with *New York magazine* praising it as a smart, smoldering, physically brutal piece of theater. In *Two Women in Their Time*, award-winning documentary photographer Misha Friedman and *New Yorker* reporter Masha Gessen take us backstage, giving us an intimate look at this fiercely creative drama troupe that cannot officially perform in its homeland, which remains a dictatorship in all but name. The result is an astonishing series of photos documenting the group's productions in New York and Gessen and Friedman's visit to Minsk to meet Svetlana Sugako and Nadezhda Brodskaya, the young lesbian couple who keep the Belarus Free Theatre running. They live a life in the borderlands—between underground and public, between the closet and being out, in a country where same-sex sexual activity is legal yet remains taboo. Their work proves that queerness will always be dangerous to autocracy. *Two Women in Their Time* was designed by Emerson, Wajdowicz Studios (EWS).
