Estatalidades y soberanías disputadas Marco Estrada Saavedra, Marianne Braig, 2017-11-21 Junto con (Trans)formaciones del Estado en los márgenes de Latinoamérica (2011) y Formas reales de la dominación del Estado (2014) Este volumen conforma una trilogía destinada a la comprensión del poder y lo político mediante estudios socioantropológicos e históricos que abordan diversos niveles y dimensiones del Estado. En dichos estudios, éste nunca aparece a priori como un objeto conceptual o empírico, sino, acaso, como una máscara de las relaciones de dominación, una representación colectiva heterogénea o una malograda pretensión unificadora del funcionamiento del poder. Como en los volúmenes anteriores, los diversos casos y contextos, locales y nacionales, abordados aquí ofrecen indicios robustos de la complejidad del poder y de lo político en América Latina, los cuales tienden a ser ignorados por las corrientes dominantes en la ciencia política y en las ciencias sociales. Sobre todo, ponen en juego un enfoque con una acusada sensibilidad histórico-socio-etnográfica para observar el fenómeno en su diversidad, lo que ayuda a ofrecer descripciones más realistas a menos mistificadas del Estado y de los procesos político-sociales.

Indicators of Quality of Life in Latin America Graciela Tonon, 2016-03-21 This volume sheds new light on the use of quantitative, qualitative and synthetic indicators for the measurement of quality of life in different countries of Latin America. Organized in three parts, the book presents the methodology for the construction of new indicators, discusses quality of urban life from a geographical perspective, and examines quality of life of different populations. The book focuses on the social, economic, political, geographical and demographic dimensions. It covers a wide range of topics, including the ways to measure social, political and spatial inequalities, the changes in urban quality of life, the construction of a synthetic indicator for the assessment of habitability, the measuring of spatial segregation in midsize and smaller cities by using thematic cartography and synthesis maps, and the concept of habitability. It includes research conducted on the quality of life of different population groups: working boys and girls, high-school students, and older people.

South American Handbook Daniel Austin, Ben Box, 2025-07-14 South America is a land of superlatives. Home to the world's longest mountain range, tallest waterfall, largest rainforest, driest desert, widest river and highest lake, it astounds with its variety. Now published by Bradt Guides, the award-winning, legendary South America Handbook holds a world record of its own as the longest-running English-language travel guidebook. This brand new, fully updated 95th edition celebrates the centenary of the Handbook, which remains as essential for travellers to South America today as it was in the 1920s. Embark on extraordinary journeys through the breathtaking landscapes and vibrant cultures of this amazing continent, where every corner tells of ancient civilisations or natural wonders. Wherever you travel, South America will uplift your senses – from the tropical sun rising over a palm-fringed beach to a bracing wind blowing off Andean salt-pans, from tango in downtown Buenos Aires to the culinary symphony of modern Peruvian cuisine, and from Easter Island's mysterious Moai statues to mainland Chile's majestic glaciers. Wander through the cobbled streets of historic Cusco, echoes of the Inca Empire resonating in every stone. Feel the rhythm of life in the sultry beats of Rio de Janeiro's carnival, where samba and colour take centre stage. Or explore the wonders of the Galápagos Islands, where nature unfolds in its purest form, revealing a paradise teeming with unique flora and fauna. Whatever South America inspires you to do, you will find that there is no limit to the passion that it fires within you. In this era of countless websites which bring images and information from every barrio and pueblito, the South American Handbook advises on how to navigate between each place, big or small, in every country. It is your key to a treasure trove of diverse landscapes, rich tapestry of cultures and hospitable peoples – and a celebration of the spirit of adventure and independence that characterises travel in the world's greatest continent. Drawing on the expertise of correspondents in the region and travellers' experiences, this centenary edition of the Handbook provides the thread from Acandí to Ushuaia and everywhere you may wish to stop off in between.
