Quotations For the Public Person Judge Robert C. Coates, Robert E. Miner, 2019-02-26 It is a good thing for an uneducated man to read books of quotations. Bartlett's Familiar Quotations is an admirable work, and I have studied it intently. The quotations when engraved upon the memory give you good thoughts. They also make you anxious to read the authors and look for more. —Sir Winston Churchill Live your life as though your every act were to become universal Law. —Immanuel Kant Those of you who will be truly happy are those who have sought, and found, how to serve. —Albert Schweitzer I think it is required of a man that he should share the passions of his time at the peril of being judged not to have lived. —Oliver Wendell Holmes In the midst of winter, I suddenly found there was in me an invincible summer. —Albert Camus Without criticism and reliable and intelligent reporting, the government cannot govern. —Walter Lippmann Our doubts are traitors, and make us lose the good we oft might win, by fearing to attempt. —William Shakespeare (Measure for Measure)

1,600 Quotes & Pieces of Wisdom That Just Might Help You Out When You're Stuck in a Moment (and Can't Get Out of It!) Gary P. Guthrie, 2003-03 John Lennon said, Life is what happens to you while you're busy making other plans. Sometime today while you're busy following your plan, something may happen that puts you in a funk or motivates you to make a change. Something that could leave you stuck in a moment. But, Marie Curie contended, Nothing in life is to be feared. It is only to be understood. When those moments sneak up on you, you can run to counseling, look yourself in the mirror, crawl over to your favorite self-pity corner or you can open Stuck in a Moment and find wisdom to help you understand and, possibly, turn your mood around. Precise in nature, Stuck... takes you straight to the heart of life's

Mother Teresa's General Letters to Her Sisters Kolodiejchuk MC Brian, 2024-06-21 Mother Teresa's General Letters to Her Sisters is a collection of Mother Teresa's circular letters to the members of her religious congregation, the Missionaries of Charity Sisters. Not intended for those outside her community, they were written informally and spontaneously, often with little editing. It was for Mother Teresa a way of being present to the members of her rapidly expanding religious order. Seemingly of little interest except for those to whom they were addressed, the letters reveal the spiritual depth and pragmatic leadership of one of the most popular modern saints, as well as the inner dynamics underlying one of the most flourishing religious congregations of the last century. At the same time, and perhaps surprisingly, these letters may also prove to be worthwhile reading for a wider audience. Something of God's wisdom and love seems to shine through Mother Teresa's guidance and counsels, giving the reader light and help even though he or she is not living the same religious life as one of the Sisters. Mother Teresa's unpolished statements are at times humble and at times humbling. They inspire confidence and encourage generosity. Many a time they are humorous but more often challenging. They are sprinkled

with serene joy but also permeated with deep pain. She delighted in her Sisters' accomplishments yet did not shy away from correcting even the smallest flaw, which didn't escape her very observant eye. Sometimes she sounded just like a mother, full of tender loving care, and at other times more like a commander in chief, exhibiting an iron will and uncompromising determination. In either case, her followers seemed to have been drawn into the mystery of her charisma, endeavoring to keep pace with her. Was it the attraction of what could be termed as her leadership style in the unremitting service of the poorest of the poor, or the perceived love of a mother's heart that made her so unanimously loved and admired by the members of her congregation? Or was it both? The letters will reveal the answer! Inspiring in their simplicity, the letters may well serve as a treasure trove where anyone from a reflective scholar to a caring mother of a family may find satisfaction for their spiritual palate. The attractiveness of perennial truth often makes Mother Teresa's presentation of traditional spiritual themes likewise relevant for contemporary needs. In the context of Mother Teresa's statement that we are created for greater things, to love and to be loved', these letters will help the reader discover and experience God's presence through the little miracles of His love in one's daily life. They will inspire us to put our love into living action, sharing His love with all those we meet, and so make our lives something beautiful for God.

The stories originate from her many encounters with wonderful people whose paths so miraculously interconnected with her own. At the Top of the Ladder is a collection of leadership quotes that have guided Jerry Dollar as he scaled the corporate ladder. A former CEO twice, COO twice, and VP five times; Dr. Dollar has modeled his career path as a long journey in leadership, using the words of others as a guiding force. When not trekking around the globe, Jerry Dollar can be found living in Colorado Springs, Colorado where he lives with his wife Robbi. Besides an affinity for writing and travel; he is also an avid bodybuilder, a prolific reader, and an enthusiastic observer of the human condition. At the Top of the Ladder is his third book.
